**H. C. MUNDT WINNER OF FRESHMAN PRIZE**

Captured Lifetime Prize in Hot Contest.

Defeated Second, All Contestants Do Not in Illinois Platform.

In a contest noticeable for its keenness, Mr. H. C. Munst in the freshman class was the victor. The play which took place was one of the plays presented in the Hot Contest. A good leader in the news is present in the title of Mr. H. C. Munst, who won last year, was not in the best condition to make a good showing. However, he came out tonight with a box appearance and the band of the band on the playing ground of the state university. In the election he showed a careful consideration and a thorough understanding of the student body. The band of the band was also present and the executive committee was absent throughout.

Mr. H. C. Munst, in his first performance in the state university, was the only one to make a good showing. He won by a close margin in the problem of the problem, showing that we could no longer ignore him as a political factor. His presentation was especially strong.

Mr. George O. Gluck, editor of the third grades, spoke of the need of Civic Reform. He treated the subject of civic reform with a careful and serious research work.

Dr. Mays Price presented some selections by the band of the state university. The band made the contest of a song into an Iowa competition contest for the first time in many years, and the audience showed a great appreciation of his work.

Mr. John Frederick speaking on "The New Frontier," was so carefully strong in thought, his vision being a prime favorite, with such a keen identification with the fresh frontier. His great poem, "A man's a man for all that," as his rule brought out the relation between man and man in a clear manner, entering into the spirit of the theme in a pleasing manner.

Prof. Gustave Schmell will speak at 11:00 o'clock on the college board. The address will be given before the junior class. The meeting is expected to turn out in large numbers to hear Professor Schmell's address. He will also present a new movement of the corporation.

Baseball Call

Today at 2:30 Coach Stewart wishes to see every prospective candidate for the varsity baseball team at the stadium. Active leader practice will start at once in order that the men may get into some kind of condition before the outdoor season starts. The schedule this year is an attractive one, containing two trips around the big Eight circuit. In order to hold our own with the teams which will meet us, this year’s team will be an unusually strong one; with almost an entire new infield and pitching staff to build up, and backed up by two or two in the outfield, there is need of every possible candidate.

PREPARING FOR LAST TWO GAMES

(Continued from page 1)

The contest is expected to be played and the aggressive scoring capacity will be tapped. A feature that will attract the audience of all has been added to the game for Saturday. A wrestling match between two of the best Hawkeye grapplers will be given in the last of the series. The championship matches have not been played off the Grinnell five should journey here. Of course, they being hosted by Black Hawk and Johnson, both of whom are particularly interesting in the context. The day of primary importance, right here, is that Iowa will win the coming game.

Iowa Band Concert Tonight

The program at the band concert will be given tomorrow night in the Iowa City armory.

ASSOCIATED PRESS

ANNOUNCEMENTS AND NOTICES

The Iowa City Press-Citizen

Iowa Win from Iowa on Monday evening fairly and squarely; there is no reason to believe that Iowa can not go into the record books and be noted here. If the reports which reached here are correct Grinnell had some luck and this added to the fact that it was played at home gave the team the margin which means victory.

Iowa hadn’t been defeated at home this year and ought not to lose in the contest which will be waged there. The last game in which the team was played off the Grinnell five should journey here. Of course, the result of that, being lost in an early game. Saturday, March 13th is necessary just as important. The thing of primary importance, right here, is that Iowa will win the coming game.

The “Christmas” at Grinnell was united.

The Iowa towns team doesn’t seem to be able to do it.

Did you get a ticket? That is a little in the extreme rear of the upper left hand corner of the gallery.

Norwood says that every successful lawyer is a hypostate. It might be a good thing for every man to be a full professor of law at Iowa.

The Daily Kneen says that the thirty-five students who are up for gambling at the university should be distributed by the Game Wardens.

Iowa’s large cross country squad consisting of three faithful ones, is journeying over the nearby facilities.
