New President of Iowa University

PITCHERS LOOK GOOD FOR COMING SEASON

DAVID C. STRICKLER, PITCHER FOR THE UNIVERSITY BASEBALL TEAM, IS IN IOWA TO HELP STANDARDS.

McNIR, Harvard, was a notable feature of the game played against the University Wednesday night. The score was 11 to 3. McNir pitched well, but Strickler, the other pitcher, was even better. The game was called for darkness after the third inning.

McNir is a good pitcher, but Strickler is better. He has had more experience and is more than a match for McNir. He is a better control pitcher and is more consistent in his pitching. He is also a better fielder than McNir.

Strickler is a good all-around player. He is a good hitter, a good base runner, and a good fielder. He is a good pitcher, but his greatest asset is his control. He is a good strategist and is always ready to make a change in the game when necessary.

Strickler is a good baseball player, but he is not a good football player. He has had more experience in football than in baseball, but he is not as good a football player as he is a baseball player.

By defeating Chicago 23 to 14 on the Minnesota Stove on Saturday, the Gophers went into a tie with Purdue for the conference championship. The Maroons put up a game fight, but were never in the lead. Minnesota and Purdue will in all probability settle the possession of the title in some way, as the Big Eight is in the throes of a challenge from Columbia to play for the national championship.
