No matter how carefully or expensively one dresses—the entire scheme is perceptibly marred by an ill-fitting collar—

The perfect fit so necessary cannot be had in collars with buttonholes that quickly stretch and rip out.

YOURS clothes for Spring are a matter we've given considerable attention to, without consulting you; we've gone ahead and got a lot of good things ready; and as long as we didn't know exactly what you may want, we've provided an immense variety for you to choose from.

Hart Schaffner & Marx

Clothes are the chief feature of our business in clothes; we make them because we believe they're the best clothes for our customers to wear; and that's what we're here for.

There's no reason why we shouldn't do the best we can for our customers; we have some knowledge of the clothing business; it's quite natural that we should know more about clothes—the quality, the tailoring, the style—than the average man not in business.

A part of the service we render is to put this knowledge at your disposal; to give you the benefit of it; to use it for your interests.

These Clothes Sell From $20 up

We are selling a suit at $15.00 that we know to be the best value at the price of any thing ever shown in the town—These suits are guaranteed to be all wool and hand tailored—Ask to see them—
