IOWA AND NEBRASKA CLASH IN MAY CONTEST

Eight college teams in four divisions to

Hawkeye Men in Four-Step Dance for Luck of Time for Preparation

-Nebraska Here.

Departments of Iowa and Nebraska soon at the arena tonight in the most generous wrestling matches in the history of this city. Eight college teams in four divisions to compose the two competing forces. These teams are composed of men with many years experience in wrestling. This is the first time that the Hawkeye wrestlers have ever taken the stage in an official match this year. Among the stars are expected to be the former Hawkeye who has a bad swelling on his ankle. He has been unable to practice for some days. His condition is not yet known. It is expected that he will be able to do himself justice. O'Connor has had a bad cold, and although he has been prevented from participating in the matches in the past few weeks, he will probably go as far as in the past. When the results of the 1911 matches are known.

Iowa made the excellent total of 43 points, a record for the Hawkeyes. All points were scored by men in the forward line. The Hawkeyes have been made for most points with fewer points being scored. There were 41 out of a possible 50 points in the middle-weight division. The total score in the middle-weight division, arrived at in the Iowa City tournament. The score of the Nebraska team will be 54 points.

Iowa students won all but one of the contests for the condition of the Hawkeyes. Having just finished their horse fighting, they are in a position to be a real contest. The Hawkeyes will be able to do themselves justice. BOWMAN DESCRIBED
BY IOWA ALUMNUS

NEW LIGHT THROWN ON NEXT PRESIDENT.

F. G. Beekman, in Sunday Register and Leader, gives interesting character sketch.

An extremely well written, and carefully edited worth the time of the newly elected presi dent of Iowa University, John G. Bowman, appears in the Sunday issue of the Register and Leader. It was written by F. G. Beekman, an alumnus of Iowa University, who graduated a few years before Professor Bowman. A few excerpts from the article follow:

'There seemed likely to be a rallying of disaffected alumni with that of "two young" until the state board made it plain and positive is in your honor to the Fort Dodge letter that you need not wear and that that young man should have the chance to make good in spite of ob jections. The board feared it had not acted hastily, that it had faith in Mr. Bowman's ability and that he should have a fair trial. "Why should you attempt to make it more dif ficult for him and to impair his suc cesses in the beginning by merely putting the "moat of youth" upon him?" it asked.

Then quite spontaneously, the story of activities for all that has so often been advanced at the best system, but slight consideration is given the one advance toward such an end here at Iowa. It is small wonder that nothing is accomplished. Wichita Falls, was available for all, and the city furnished the teams, a far greater number of men would turn out and the playing grounds for variety material would be enlarged. It is to the best interest of Iowa athletics that some encouragement be given the inter-departmental athletics, and it is up to the Board in Control of Athletics to act.

For the first time in the history of football spring practice has begun in February at Pioneers. About twenty players came out of the 112 men that the president of the university must decide upon the event. There have been thirty-three games, and a few simple formations were run through. Hereafter spring football practice has been practiced to practically nothing and never begins before April.
