Iowa's Aile Team Gets Score of 1876

E. L. LEPPARD IS AGAIN LEADER IN SPEECH

It is expected that Davenport's high school will be easy victim for Mankato's英才.

The very interesting evening which is due to commence at the present time is shown in the result of the team's efforts at the Iowa City press. The squad got a total of 174, which was nine points less than that scored last year. Furthermost was the fact that this year's team is thought that Iowa will be an easy winner, as Davenport has not been studied in the previous meets.

E. L. LEPPARD is again the high man of the Iowa squad, although his total this time was not as high as last year.

The vote was more closely balanced than usual this week as we are getting a particularly low number of judges. Judges had this month's selection of the board, getting 68 standing and 60 other.

The high scores were:

Total 28 99 131
L. E. Stadham 92 91 131
Kirkpatrick 94 93 148
Dorsett 94 93 131
J. A. Lepper 92 90 131
Arment 92 91 157
Hill 92 93 187
Hassell 93 91 151
Bartley 98 91 131
Williams 99 98 157

Affirmative, Morton and Angell.

Negative, Bectman and Fordson.

Optional, Platte.

PLAYS AND PLAYERS
PAST AND PROMISED
Jerome first wrote "The Passing of the Third Floor Band," it is the form of a short story. For he returned to
road 1, and immediately sensationalized
Jerome to write a play on it. When the play was finished, Jerome did not wait to be done, for he
had an idea it was too hackneyed to exce­
ced. Robertson, having paid two
hundred dollars down on an account he
had inherited. "My dear fellow," said
Jerome, "if you wish to quality for
the wilderness, or for an old pension,
in all monos to do, just put
on record that I tried to obviate
you. No one in the world will ap­
preciate this but our two actors. I
because I wrote it, and you, being
foolish, because you have paid a
percent on it."
