TO-DAY 4 P.M. | ...SONG RECITAL... **MISS ELAINE DE SELLEM** Opening Number of Music Festival | **THE Auditorium**

LAST SERVICES COME FOR DR. CALVIN TODAY

EXERCISES SUSPENDED THIS AFTERNOON.

Services at Presbyterian Church at 2 O'clock—Lists of Pall Bearers Given.

All Iowa will pause this afternoon to mourn with the stricken family and the university for one of the great men of his time. The funeral of Professor Samuel Calvin will be held this afternoon at 2 o'clock at the First Presbyterian church.

Ever since the news of the death of Dr. Calvin flashed over the state, tributes of love and sorrow have been coming from far and near from the thousands who knew and admired him. Today the exercises of the university will be suspended from 12 o'clock on, and faculty, students, and townspeople will unite in paying a last tribute.

The services this afternoon will be in charge of Reverend D. Wylie, pastor of the First Presbyterian church of which Dr. Calvin was a member. President George E. MacLean will offer prayer, and other university associates will take some part in the exercises. Seats will be reserved for the members of the university senate and for the old soldiers of the G. A. R., of which Professor Calvin was a member.

Honorary pall-bearers have been selected from among the men with whom Professor Calvin has been longest and most intimately associated. They are: Professor T. H. MacBride, Professor Bohumil Shimek, Professor G. F. Kay, Professor R. B. Wylie, A. O. Thomas, and John Carville. The active pall-bearers are students who were taking advanced work in the department of geology. They are: Francis VanTuyl, Donald B. Davidson, Perle Walters, Lee Glazier, Ivan Houk, and Clifford Powell.

No May Day Fete.

The young women's Christian association has decided that it will not hold a May Day Fete this spring as it has for the two past years. Last spring the torrent of rain deluged and ruined the costumes and decorations making the festival almost a failure. The finances of the association are in good condition, so that the fete need not be given for that reason. Quite a sum of money is expected from the lecture on birds to be given Tuesday evening.

SOCIETY PROGRAMS TONIGHT AFTER LONG INTERMISSION

All Four Organizations to Start Work of Last Quarter.

After a long intermission caused by the spring recess, the four literary societies of the university will hold regular meetings again this evening. All have full programs, and are planning to start the last quarter with a rush. The nearness of the class debates and of the intercollegiate try-outs has revived interest in the work of these organizations, and they promise to finish the year in better shape than ever before. The programs follow:

ZET.

Optional, McDowell.

Debate, MacCollister and Myers; Prall and Jordan.

MARSHALL LAW.

Canadian Reciprocity, Grady.

Legal Presumptions, Richman.

The Law as Applied to Electricity, Ogle.

Optional, Reed.

IRVING.

Optional, Korf.

Debate, Parry and Gynne; Murphey and Frost.

PHILO.

Optional, Gearhart.

Debate, Carlson and Fishburn; Shephard and Allen.

Chicago Defeats Iowa.

Chicago, April 20.—Special to the Daily Iowan. Chicago easily defeated Iowa by a score of 8 to 1. Waggoner, who pitched for the Hawkeyes, was wild and was hit hard. Chicago played an errorless game in the field, while the Iowa team made six errors. Iowa took the lead by scoring a run in the first, but the Maroons soon evened up the score and were never headed.

The score by innings:

										R	H	E
Chicago—	2	0	1	1	1	0	1	2	x—	8	9	0
Iowa—	1	0	0	0	0	0	0	0	0—	1	6	6

Batteries, Baldwin and Steinbrecher; Waggoner and Hook.

Medics Defeat L. A.

The medics won the opening game of the interdepartment league season yesterday when they defeated the Liberal Arts team on the varsity diamond 5 to 2. The L. A. team started in the lead, but blew up in the second inning. The score by innings:

L. A.	2	0	0	0	0	0	0—	2 3 5
Medics—	0	4	1	0	0	0	x—	2 7 3

Batteries, Luggar, Jacobs, and Colgrave; McNeal, Mulroney, and Swab.

IOWA IS CHAMPION; LEADS RIFLE LEAGUE

MASSACHUSETTS AGGIES LOSE BY ONE POINT.

Telegram Says Hawkeyes Closest Rivals Shot 1890 in Final Match Yesterday.

According to a telegram received by the Iowan at noon yesterday, the Iowa rifle team has won the championship of the Intercollegiate Rifle League from Massachusetts Agricultural College by a margin of one point. The score as sent out from Washington, D. C., gives the Massachusetts team 1890, one point less than the Iowa score announced here on Wednesday.

This victory, which means that the Iowa team holds the college championship of the United States, closes the season for the Hawkeyes. It was peculiarly fitting that the league schedule should bring Iowa and Massachusetts College, the two teams which have tied for the lead ever since the opening of the match shoots, together for the last match. The Hawkeye marksmen have by for the better record for the season, and have all along looked like the logical winners; but the Aggies spurted wonderfully in their two matches just before the final, and made scores better than any reached by Iowa during the season. Their score in the match against Mumma's men is still a high one, but does not compare with the two preceding ones.

The finish of the present race is the closest ever known in the league, although last year Iowa, Columbia, and Washington State were in a three-cornered tie and were compelled to shoot a deciding match, which was won by Washington.

The members of the champion Iowa team will receive medals for their work in defeating every other team in the league. The Hawkeyes finish the season with a clean score.

A mistaken report stating that Professor Calvin's funeral would be held at 10 o'clock this morning gained circulation last night. As previously announced the funeral will be held at 2 o'clock in the afternoon and university exercises will go on as usual this morning

RELAY TEAMS TO TAKE PART IN DRAKE RELAY CARNIVAL

Twelve Men Go Tomorrow Morning in Charge of Schroeder.

Tomorrow morning at 8:03 four Iowa relay teams, including twelve athletes in all, leave for Des Moines to take part in the Drake relay carnival. The men will be in charge of Director Schroeder, Coach Kellogg having gone to Chicago with the baseball team. There is a possibility that he may be back, but this is hardly likely at the present time.

The men who will go are Captain Wilson, Miller, Joslyn, Loutzenheizer, Burkheimer, Baer, Jans, Mounts, Reed, N. Smith, Seidel, and F. Smith They are entered as follows:

Half mile relay, Miller, Burkheimer, Loutzenheizer, Joslyn, and Wilson.

Mile relay, Burkheimer, Loutzenheizer, Baer, Jans.

Two-mile, Baer, Jans, Mounts and Reed.

Four-mile, Mounts, Reed, N. Smith, Seidel, F. Smith.

The Iowa teams are composed of mainly inexperienced runners, and are not expected to get away with many medals. The two-mile team is considered as the strongest of the four, and is expected to get away with the major part of the Iowa winnings.

Leads Grand March.

Miss Grace Fall of Albia, Iowa, formerly a student in the liberal arts college of the university, a member of Kappa Kappa Gamma sorority, will lead the grand march at the Pan-Hellenic party this evening. Her partner is George M. Kellogg Sigma Chi, the oldest active member of that chapter.

Yesterday afternoon and evening and all day today saw continued preparations for the event. The armory's interior is fast taking on the appearance of a Greek Temple and the decorations promise to be unique to say the least.

Out of town guests are beginning to arrive and every sorority house is entertaining its more than full quota of visitors.

Ero Program.

The Erodelphians gave a spring program last evening.

GREAT ARTISTS COME FOR MUSIC FESTIVAL

MINNEAPOLIS ORCHESTRA IS PRAISED BY CRITICS.

Every Soloist is Famous in His part—Recitals Come Today, Tomorrow, and Sunday.

When one reads the press comment which the Minneapolis Symphony Orchestra has received after its appearance in the cities of the Middle West he can not but be enthusiastic over the opportunity that Iowa music lovers are to have today and tomorrow. The Chicago Musical Courier seems to have summed up the comment of every other paper when it said concerning the sensational Chicago debut of the orchestra: "Veni, Vidi, Vici." Critical as Chicago can be with respect to the music which it hears, it was entirely unreserved in its praise of Mr. Oberhoffer's company of artists. And Chicago was only one of the many cities that have been unanimous in their approval.

Miss Elaine De Sellem, the contralto who will be seen here for the first time is said to have a voice of wonderful range and quality, trained by the best masters of America and Europe. Miss De Sellem has appeared in public concerts and private musicales in London, New York, and Chicago with artists whose names are famous the world over. During the seasons of 1906-1908, she made numerous tours with various orchestras from one coast of the country to the other.

Miss Genevieve Wheat has an exceptional contralto voice which has been carefully trained. She has been in constant demand throughout the east and the middle west for some years.

Mr. Hargreaves the tenor returned only a little while ago from a six months' tour of Germany and Italy where he sang leading operatic tenor roles. He refused a number of admirable offers from operatic companies in this country in order to enter oratorio work in the Minneapolis Symphony.

Marcus Kellerman the young bass singer has also been successful in operatic roles in Germany. He abondoned a promising operatic career to engage in oratorio.

Iowa people await with particular interest the re-entry of Miss Lucille Tewskbury. Her clear bell-like so-

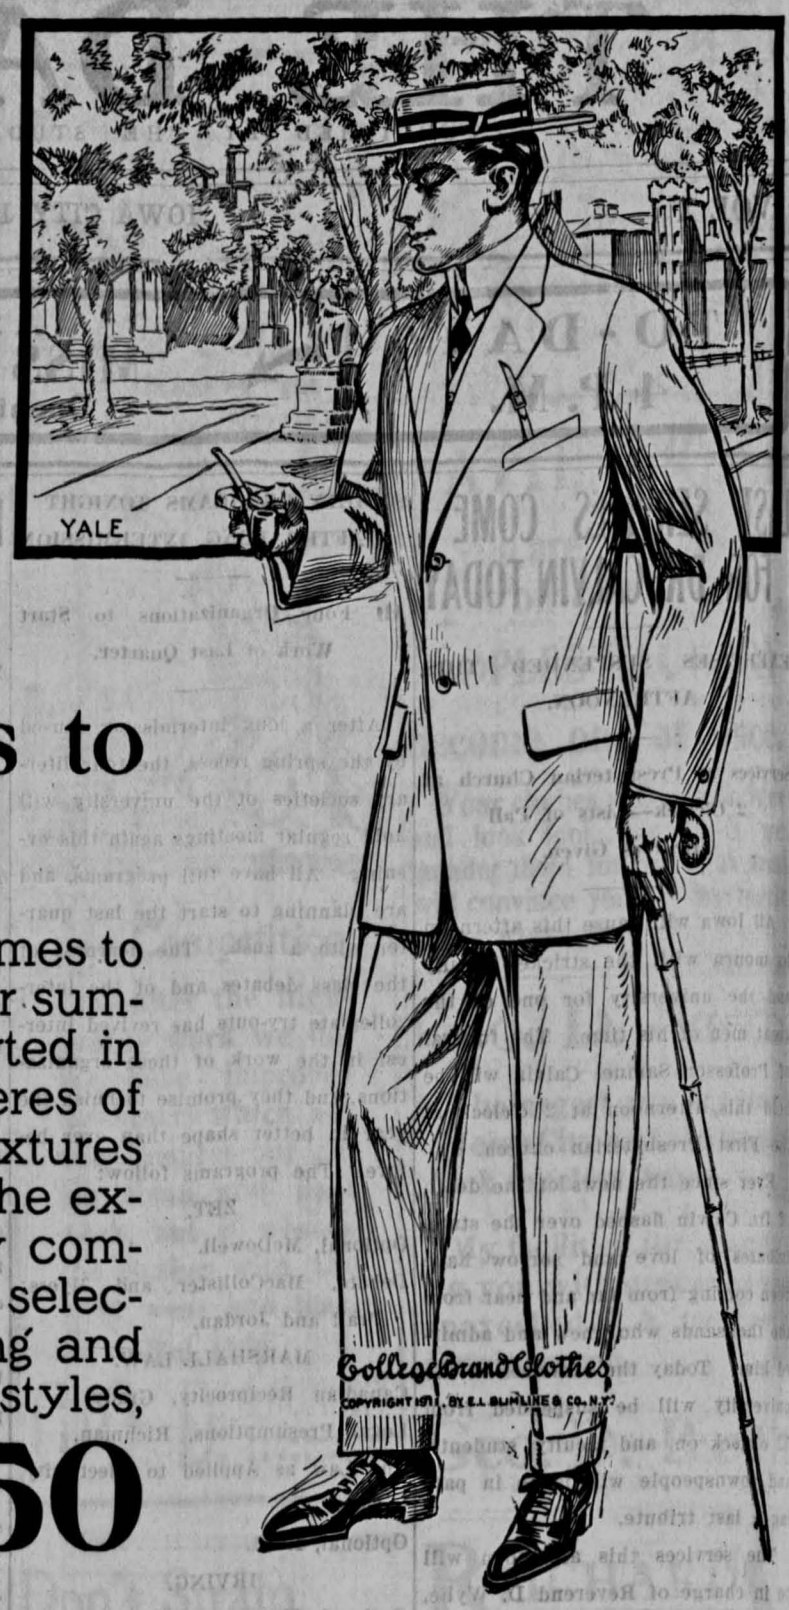
at S. U. I. for the Spring of 1911 is presented by the men who wear MAX MAYER Clothes of Character. The careful observer will discern in these clothes the stamp of the master tailor and the critical dresser will be satisfied with nothing short of the inspection which they afford.



An Assortment of Patterns to Delight You

WHATEVER your inclinations may be when it comes to a matter of selecting the suit you will wear for summer, you are sure to have them more than supported in this showing of new 1911 suits. We have in cassimeres of the very best grade, a display of tan and grey mixtures that are strikingly effective. These shades are the extremely popular ones this season and we earnestly commend to our customers these suits for a very early selection. We know that in these there is exact cutting and thorough tailoring In particular do the young men's styles, suggestive of the form-fitting vogue, show exclusiveness and character. These suits are wonderful values at.. **$22.50**

YOU ought to know about Kuppfit trousers—a new and better idea

AT last here's a real improvement in trousers, procurable only in Young Men's Kuppenheimer Suits.

Kuppfit trousers, made by the famous House of Kuppenheimer, are worn by men who care about style, comfort and fit.

You know the fault of suspenders and belts—your trousers "high-water" or brushing the ground—that miserable slipping and "come-apart" feeling.

Positively none of it with Kuppfit trousers. Elastic gores in the sides, covered by a blind belt of same material as trousers—give under every turn and twist, yet are firm, hold tight, like a part of the body.

Kuppfit trousers are moulded to your shape.

Let us show you these new trousers. They're made in all the latest, handsomest materials, finest workmanship throughout, and priced right.

Kuppfit trousers are sold only in Kuppenheimer Suits—not separately.

THESE SUITS we have in all the New Fabrics—Ranging in Prices from

$17.50 to $27.50

ONE thing we want to impress upon the college man is that we have an entirely New Stock. Every department is full of new things at all prices.

AUTHORITY ON BIRDS COMES NEXT TUESDAY

MR. HENRY OLDYS WILL LECTURE ON "BIRD NOTES"

Professor C. C. Nutting is Instrumental in Securing Treat for University

The interest which has arisen among our university and town people in the study of birds has induced the Y. W. C. A. to secure Henry Oldys of the United States Biological survey on next Tuesday evening to deliver a lecture on "Bird Notes." Mr. Oldys is probably the greatest authority upon the music of birds in America since he has devoted over twenty years to this study and worked from the scientific as well as the artistic standpoint. He is a man of pleasing personality and is said to be a delightful speaker, showing a sympathetic fondness for the book as well as thorough scientific knowledge of them. In Boston, Washington, New York and many other cities of the east his lectures have received enthusiastic praise. Mr. Oldys is at present making his first lecturing tour of the west.

The lecture is opened by an imitation of the morning carol of the birds. He then tells about the birds and their songs and illustrates similarities between the music of the birds and that of grand operas, on the piano. This he is well fitted to do since he is an accomplished musician as well as scientist. A beautiful imitation of the evening serenade closes the lecture.

Professor Nutting of the university, who has been largely instrumental in securing this treat for the people of Iowa City, has been personally acquainted with Mr. Oldys for over twenty years and he is most enthusiastic in his praise. The scientific accuracy of Mr. Oldys is vouched for by the leading ornothologists of this country and many musicians assert that he is bound to be of great interest to any one who is musically inclined.

The lecture will take place in the Natural science auditorium on next Tuesday evening, April the twenty-fifth at eight o'clock. The admission is twenty-five cents.

WHY WASTE the SUMMER MONTHS when you can attend our SUMMER BUSINESS AND NORMAL SCHOOL at a small cost? Complete courses in Bookkeeping, Banking, Shorthand, Typewriting and Penmanship. Write us today for our Summer Business and Normal School circular and catalogue.

THE MUSIC FESTIVAL.

It is not likely that any words need be wasted in inducing the university populace and the people of Iowa City to attend the annual music festival which begins at 4:30 this afternoon. The Minneapolis Symphony Orchestra has come to be a recognized institution here, and no real lover of music will think of missing one of its performances. The only question seems to be one of caring for the crowd. But even this important problem is now settled, and all that the most of us have to do is to settle back in the enjoyment of what is certain to be the highest-class musical entertainment ever brought to Iowa City.

It is not out of order, however, to speak words of praise for those who have made this possible. Most of all, perhaps, commendation is due to those who inaugurated the festival some years ago. They had to carry the burden of an untried experiment but their judgment has been fully vindicated.

Today, the plan has been tested until there is now no possibility of failure. What remains for the present management is to keep up the high standard set in the beginning; and that this has been done, there is little room for doubt. But in order that this may be said, some one must work; must toil over petty affairs and details, and pave the way for the success that is to come. The orchestra must be secured, the other plans must be made. Much of this work has fallen upon Captain Morton C. Mumma; and to his efficient management the audience that attends the series of concerts will owe a great part of its enjoyment.

Socer Football at Iowa.

Socer football will be the innovation at Iowa next week, when gym-work with his athletes on Iowa field. Schroeder plans to introduce the game among his gymnasium classes, and will pick out five or six teams to start. He expects to make this a regular feature of his gymnasium work from now on. The game is expected to prove popular, and an inter-department soccer league may be organized next fall.

GREAT ARTISTS COME FOR MUSIC FESTIVAL

(Continued from Page 1.)

prano voice has quite won her success here in last year's appearance.

In the orchestra proper there are some wonderful artists of insturmental music, Carlo Fischer, first cellist is one of the best known and most popular musicians of the middle west. Richard Czerwonky, violinist concert master of the Orchestra, is a native of Germany and has the true German mastery of music. Henry J. Williams, the harp vituoso is also an artist of the highest rank.

The master of this great composite musical instrument, Emil Oberhoffer, has been called "America's Poet-Conductor" It is certain that he has that rare quality of weaving a spell over his audience by bringing evey instrument into the most delicate harmony, and bringing out the inner poetic spirit of the world's works of the masters of music.

First, this afternoon will come the recital of Miss Elaine De Sellem Saturday afternoon will be devoted to concert music by the orchestra and Saturday evening the University Choral Society in conjunction with the orchestra and scloists will render Mendelssohn's cratorio, "St. Paul."

PERSONAL AND SOCIAL

Macey Campbell was in West Liberty Wednesday afternoon on business connected with the schools of that city.

H. Y. Williams returned yesterday morning from a visit at his home in Minneapolis.

Miss Laura Young has returned to school after a trip in the west.

Miss Mary Remley has resumed work in the university for the fourth quarter.

The Acacias will entertain at a dance this evening in Company I hall under the chaperonage of Mr. and Mrs. Hixon.

Walter S. Cardell, who has been ill up in the university hospital for three weeks with pneumonia, is improving rapidly and will be released in a few days.

E. B. Alcorn is able to be about again after being in the hospital a few days with a bad eye caused by a wildly batted ball.

Mrs. B. J. Lambert and daughter spent the easter vacation in Waterloo.

Miss Esther Thomas is attending the National Convention of the Y. W. C. A. at Indianapolis, as a delegate from the local association.

Miss Blanche Gorsuch spent the easter vacation in Chicago.

Miss Ada Carder is a guest of Miss Macetta Browning.

Charles Wyman, of Ottumwa, is

ELAINE DE SELLEM

SONG RECITAL

The Auditorium--To-day--4:00 P. M.

MISS ELAINE DE SELLEM

Miss De Sellem took her audience by storm at the Apollo Club Concert. This gifted contralto won a warm spot in the heart of each auditor with the soft, swket tones prevalent throughout all her solos. Des Moines Register and Leader.

Cosmopolitan Club.

The program committee of the Cosmopolitan club requests all members to meet in the club room at the Close Hall on Friday at 7 p. m., April 21 to fix programs for the rest of the semester.

Chairman Program Committee.

Home Meet April 20.

The first of the two home meets which Coach Kellogg is planning for his varsity track candidates will take place Saturday, April 29. The coach plans to make this event an inter-department affair, with all the colleges competing and a series of inter-college relay races as one of the attractive features. This meet will be followed later, probably about May 10, by another, probably somewhat different in character.

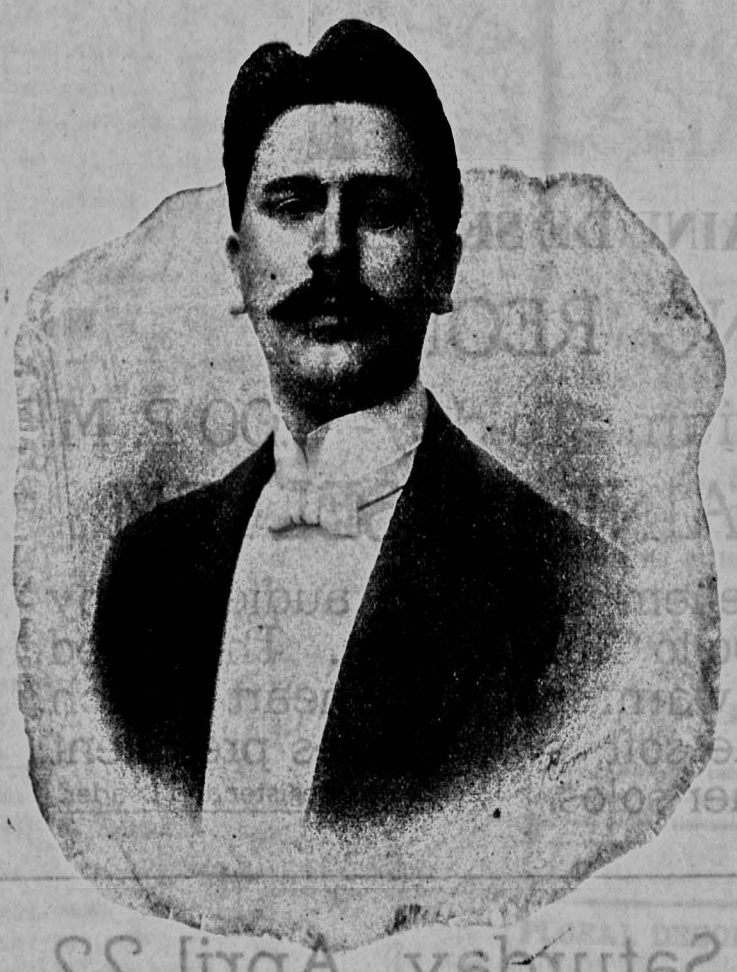
Director of School of Music



PROF. GUSTAV SCHOETTLE

Under his efficient guidance the university school of music has taken rapid strides forward. Each term has witnessed an increase in attendance. The class of work done is excellent.

One of the features of the music festival will be the work of the Choral Society, which is directed by Professor Schoettle.

RAPID ADVANCE MADE BY SCHOOL OF MUSIC

PROF. SCHOETTLE'S WORK NOW SHOWS RESULTS.

School's Attendance Constantly Increasing—Instructional Staff Is Strong.

Under the direction of Professor Gustav Schoettle, the university school of music has made rapid progress during the past year, and now stands at the head of similar institutions in the state. In spite of the fact that the attendance of the university in other departments has decreased somewhat, the school of music has increased its attendance at the beginning of each quarter, and is now in a flourishing condition.

As a result of the rapid expansion of the school, a change in quarters has been necessitated. The building formerly occupied by the Varsity Wardrobe company has been secured and Director Schoettle and his staff of instructors are using the quarters there.

Professor Schoettle, who has made a name for himself as the head of the school ands as a teach of pianoforte in the short time in which he has been connected with the university, is a native of Germany. He has devoted his entire life to music, beginning the study at the age of four. His first public appearance was made at the age of six, and he has continued to appear in public with great success ever since.

Professor Schoettle studied under the best masters of Germany, and came to America at the age of seventeen. Much of his time here has been spent in Kansas City, where he is famous as a teacher of pianoforte harmony and musical history and as a musical director.

Associated with Professor Schoettle in the instruction staff of the school of music are a number of teachers capable of giving the best of instruction in all branches of music. The list includes Effie Mae Proffitt, head of the department of voice and teacher in the art of singing and song interpretation; Howard J. Barnum, head of the department of violin and stringed instruments and conductor of the university band and the university orchestra; Mrs. Gustav Schoettle, teacher of pianoforte; and Mrs. Anna Diller Starbuck, teacher of organ.

Some changes in the staff are in prospect for next year, and the growth of the school and the desire of the management for the increased number of students will probably result in the addition of new instructors.

UNUSUAL PROGRAMS FEATURE ANNUAL PAN-HELLENIC PARTY

Original Greek Temple Design to be Carried Out.

Programs aggregating a total cost of $150.00 is only one of the expensive items planned by the Pan-Hellenic committee to make this years inter-fraternity hop one of the most elaborate ever held at Iowa.

The original design of the interior of a Greek temple has been adherred to and decorators from Des Moines were busy all day yesterday putting up the massive "mock" columns and are arranging the scenery preparatory to the big event Friday evening.

Considerable discussion has been raised throughout the school as to whether the young men will adhere to the rule recently passed by the Pan-Hellenic council saying that no flowers shall be sent as favors Pan-Hellenic night. Several of the fraternities have purchased fraternity flowers and it is generally believed that but few flowers will be seen.

Sigma Chi, taking its turn as leading fraternity at the ball of Friday evening, will be honored by having its representatives lead the grand march.

A new course has been surveyed in the Basin for the use of the Harvard crews. The course is one and three-quarters miles long and may be increased 500 feet if necessary. Each half-mile will be marked by brass plates set in the sea walls on both sides of the river.
