About eight o'clock they expect to attend this function. In addition to other arrayed Masonic alumni previously announced, come new and under way to introduce some novel lighting effects of the party.

Key in Treasurer.

Prof. George P. Kay of Iowa univer-
sity, was elected treasurer of the Iowa Academy of Science which met in Cedar Rapids Friday and Saturday of last week. Prof. Kay was the only faculty man given a place on the executive committee due to the fact that he held three or four of the places during the year just past. The president was one of the most popular candidates, and he was elected in a straight vote. The new officers are: Prof. Geo. C. Low, president; Prof. E. W. Fewel, vice president; Prof. J. H. Anderson, corresponding secretary; Prof. H. H. Fossell, business manager; Prof. R. H. Stroh, treasurer; Prof. J. C. Allen, auditor; Prof. E. W. Fewel, librarian; and Prof. J. H. Anderson, auditor.

Apropos of Illinois.

The Iowa State Board of Education, at its recent meeting, voted to withdraw the following teachers from the state university: J. C. Allen, professor of chemistry; and E. W. Fewel, professor of physics.

The report of the joint committee on the question of the future of the public schools of the state was favorably received by the board.
