The tryouts for the interclass debate forensics will take place tonight at 8:30, at the auditorium. There will be twenty or twenty-five contestants from which to pick the two teams of four men each, and we are sure that this large number of the try-outs will be called promptly at the time above stated. Of the men who try out this year four were members of last year's teams, and a number of others have been on at the different senior teams of the university. Four of the five places for the try-outs have been closed, as follows: E. Clyde Robbins, who will work the teams, Professor Van Doren Shanksburg, Rev. A. E. Stevenson and Professor L. D. Wilt.

Tilton Gets I.

H. H. Tilton, who won the state high-school track championship last Friday by defeating Green of I. O. C., in the finals was awarded the varsity I at last night's meeting of the athletic board, although it is not customary for the board to award letters for track, the members believing that Tilton's performance in winning the state title for Iowa was more than sufficient to entitle him to the honor.
