PRES. J. G. BOWMAN SPEAKS TO STUDENTS

GIVES THOUGHTFUL ADDRESS TO PACKED AUDIENCE

Marblehead introduces New President
Prospected.Proceeding.Creating Special Feature

One of the largest gatherings in the history of assemblies marked the opening of the mid-winter meeting at the gym with a conversation held in the natural science auditorium yesterday morning at 10 o'clock. A special assembly of the meeting was the manifestation of spirit and loyalty in the form of all manner of people attending. President Doc Bowman, addressing the audience, was introduced by Prof. V. H. Marple in a few chosen words. President Bowman impressed his hearers as a man of thought and power, coupled with a true-hearted sincerity and as boosting university athletic teams,

The Hawkeye club held its first meeting of the year in President Bowman's office last night, the first in the history of the university. The president was favored to making preliminary plans for organization for the year, including a few options for the season. The time was set at 1:30 in the same place.

The Hawkeye club is composed of the following members:

President: J. G. Bowman
Vice-President: H. C. Pelton
Secretary: B. E. Hawley

The Hawkeye club will meet on the first Monday of each month. Meetings will be at the president's office, at 1:30.

This season the task before the freshmnes, and all undergraduate students is to discover why we win. The drawings will be put in Hawley today. The Hawkeye club is financed by the university, and besides the old men there is a number of newcomers who will be in the team this year. We will get a chance.

HAWKEYE CLUB MEETS AND PLANS FOR YEAR

To meet again tonight in President's Office

Will Prepare to Aid Hawkeye in Coming Football Strengths-All Men May Join

Hawkeye club this evening at 1:30 in the waiting room adjoining the president's office in the Old Capital.

The Hawkeye club should be filled up to make a membership of one hundred or more. Coach Hawley, Captain Win-

This evening the Hawkeye club will meet again, and all men interested in the football team this year should attend. The Hawkeye club will meet again tonight in President's Office.

Every man in the university who feels that he could be of any assistance to the Varsity football team should be on the university field in football clothes this afternoon. We need a lot of backfield material.

This business is owned by a student and only the most expert help are employed.

AN ATHLETIC AUTHORITY

The news column of the Daily Iowan this morning carries the announcement that Professor A. G. Smith has decided to resign his resignation from the athletic board, and will remain a member of that body, in his position of chairman.

The importance of such an act on the part of Professor Smith can hardly be overestimated. He has for many years stood at the head of Iowa athletics, and there is no other man here with anything like the knowledge of conditions that he possesses. An athlete himself in college days as a Hawkeye, he has always been an enthusiastic supporter of the university athletic interests, and has brought to it a knowledge of conditions that he possesses.

An athlete himself in college days as a Hawkeye, he has always been an enthusiastic supporter of the university athletic interests, and has brought to it a knowledge of conditions that he possesses.

To all students a cordial greeting is offered, a comfortable church built for the purpose of providing a church home for University students, and in which you need never be a stranger, that you are in the "wrong pew"; a splendid choir, a strong pastor, a live Epworth League, and a Bible School awake to your needs and its opportunities.

STUDENTS' BIBLE SCHOOL COURSES

STUDIES FOR MEN

Jesus the Man
Prof. G. W. Stewart,
Head of the Department of Physical Education
Open to Freshmen.

New Professor Position Vacated

The election of Professor G. F. May to the position of head of the new department did not occasion the election of another professor, and A. C. Towerbridge was named the new head by the board of trustees. Following the address of Dr. Fox, who occupied the position which was formerly held by Professor Smith, he entered upon his duties as professor of geology in the university, by the department of mathematics, and has re-considered his determination and written upon the subject. It was
