**MEETS LEADING TEAMS OF STATE IN FOOTBALL**

The high school, consisting of thirty-four trio, has been five weeks under the direction of Coach Hawley, who expresses himself as well pleased with the showing made thus far. The attention, caused by constant postponements of games that are so often left on the last day of football. Other men who have shown up well are Miller, Hart, Hackman, Anderson, and Sandell. The first regular game will occur Saturday, with Rock Island.

**COACHES GAVE ALL NEW TRY-OUTS LAST EVENING**

Sixty men got into Play on Two Thousand Points. Albert Alex- sker to Right End

A strenuous week's work started Thursday night, when Coach Hawley and his entirely revived squad passed through the stiffest workouts of the season thus far. Indisputably, the freshmen got their first taste of real football, and every senior of Stewart's rosters got a chance to mix with one of the varsity troops in hopes of being useful on the Iowa field.

The net result of the night's work seemed to show that the extension of the varsity back the coach was able to pick from the team was none too good, but he did have a few sprints of interest to turn. jogging, but not having entirely healed. Van Lecce put in a fine performance at J. T. Hatton, Ackerman, Baldwin, thirty men were used during the first regular game at Wednesday evening, and a good attendance marked the beginning of the school year. A well attended reception last Wednesday evening. A record breaker for the occasion.

**Most Important**

The importance of the directory to anyone who has any connection with the university can hardly be overstated. Nothing of the kind has ever been put out until last year, and it is now because of an indispensable article. The value of the book is well seen in this respect. When it is referred to, the full name, home and city addresses, and telephone number of every student in the university, besides the following similar data on the professors and facts about university organizations is given.

For instance, two members of the class of 1905-'06, who have not yet found their addresses.

PLAYS AND PLAYGIRLS
At the Bijou
An amusing entertaining bill is on the way at the Bijou vaudeville house now. Mario R. Hill has one of the cleverest and finest comic impersonations these many a day he does and he introduces some effective singing.

Ina Bencky and Violet Moore are a pair of bright and sparkling entertainers, heavenly toned singer dancers and dialogue queens and “modern” women who know how to handle a Koran and a buttonhole and who are especially pleasing, and is about what a trip in this line is. As background, the offering is the “Pies,” Roscoe, Lidia & Co., who turn in a novel act in novel style.
