## IRVINGS VICTORIOUS IN CLASS ELECTIONS

### REED AND MARTIN TIE FOR HAWKEYE MANAGER

### Vincent is Editor-in-Chief of 1914 Annual—Ashton Heads Senior Class This Year

The fight is over. What has been one of the most hotly contested campaigns for the honorary positions in the various classes that Iowa has yet seen culminated Friday afternoon in a few hours of excitement at the polls, and the choice of liberal arts voters was made for another year.

Insofar as the fight centered between the literary societies, Irving Institute was the most successful. In much the same way that Zetaganian society swept the boards last year, Irving gained clear victories all the way through, electing its ticket in the freshman, sophomore and Junior classes with the exception of one or two offices.

In the freshman class, Leo J. Mack was the successful candidate for president, defeating Edward Feeney by a large majority. The other officers elected were: vice president, R. Perry; treasurer, Walter Sitz; recording secretary, Alice Loos; corresponding secretary, Magdalene Freyder; class delegate, L. W. Drennen.

The fight in the sophomore class was especially vigorous as it was to determine the personnel of the Hawkeye board for next year as well as the class administration. With three tickets in the field there was abundant opportunity for the voters to exercise choice in selecting officers. All three made a strong showing and the results of the contest were very close. Arthur T. Bailey was chosen president; Geneva Hanna, vice president; Norma Edelstein, secretary; Blake Willis, treasurer; and Ada Beach, corresponding secretary. The fight for the Hawkeye offices resulted in the election of Verle T. Vincent for editor in chief, and in a tie vote for the manager in chief. Carroll B. Martin and E. O. Reed each received fifty-six votes for that position. The tie will be decided at a special election to be held some time this week. The complete results of the election are as follows: For president, Arthur T. Bailey 68, Hugh Wilson 30, Walter Penningroth 63; for vice presi-

## IOWA CITY WINS OPENER FROM ROCK ISLAND HIGH

### Superior Weight and Kinney's Drop Kick Bring Victory

Iowa City high school defeated the Rock Island team on Iowa field yesterday afternoon by a score of 3 to 0. Kinney, the big fullback of the local team, won the game in the last quarter when he sent a drop-kick spinning squarely between the posts for the only counts of the game.

Outside of Kinney's winning kick, there was little to choose between the teams. Iowa City was much the heavier and made more consistent gains, this element finally deciding the contest when Rock Island weakened in the last half. The Illinois boys played great football until worn out, however, and occasionally threatened the red and white goal. Neither team showed any startling plays. The Rock Island aggregation showed superior form in tackling and handling of the ball, Iowa City fumbling repeatedly.

This, however, was due largely to the great work of Highes, the Rock Island fullback and defensive center, who went through and over Miller time after time and caught Swisher before he could pass the ball. Ackerman and Munkhoff played the best games for Iowa City and, with Kinney's kick, made most of the gains. The line-up:  
Iowa City—Right end, Morgan; right tackle, Hatton; right guard, Burns; center, Miller; left guard, Vogt; left tackle, Goetz; left end, Foley; quarter, Swisher; right half, Munkhoff; left half, Baldwin, Ackerman; full back, Kinney.

Rock Island—Right end, Bundelir; right tackle, Trewan; right guard, Empke; center, Willet; left guard, Salzman; left tackle, Sexton; left end, Bahmanen; uarter, Rittle-son; right half, Wright; left half, McManus; fullback, Hughes.

### Junior Pharmacists Elect

The junior class in pharmacy held its annual election last Friday. After a close contest the following officers were elected: president, V. W. Bales; vice president, T. J. Long; Secretary treasurer, W. R. Bryant; class delegate, Raymond J. Schneider, Hawkeye representative, John H. Fields.

### Mumma Is Official

Captain M. C. Mumma returns from Chicago today, where he officiated at the game between Chicago and Indiana universities yesterday.

## CHICAGO VICTORIOUS IN OPENING CONTEST

### EVEN'S UP SCORE WITH SHEL- DON'S HOOSIERS

### South Dakota Holds Minnesota to the Same Score as the Aggies

Yesterday marked the real beginning of the football season for the year all over the country. Every Big Eight school with the exception of Iowa got into action, and as a result two are already in the defeated class, one being worsted by another-conference institution, while Purdue lost another game to Wabash, going down to a 3 to 0 defeat.

Minnesota failed again to win by a decisive margin, trimming South Dakota by the hair-line count of 5 to 0. It seems hardly probable that this can indicate the real strength of the Gophers, and they are expected to come strong within the next two weeks. The scores follow:

Western Conference:  
Chicago 23, Indiana 6  
Northwestern 26, Monmouth 0  
Wabash 3, Purdue 0  
Illinois 24, Villiken 0  
Wisconsin 15, Lawrence 0  
Minnesota 5, South Dakota 0

Other Games:  
Michigan 24, Case 0  
Yale 12, Syracuse 0  
Harvard 8, Holy Cross 0  
Princeton 31, Villa Nova 0  
Pennsylvania 9, Ursis 0  
Carlisle 46, St. Mary's 0  
Army 12, Vermont 0  
Drake 23, Parsons 0  
Grinnell 6, Leander Clark 0  
Ames 25, Coe 0  
Cornell 15, Oberlin 3

High schools:  
Clinton 39, North High 0  
West High 0, Grinnell 0

### Engineers Choose Officers

Elections were rife over in the college of applied science Friday afternoon, also. The juniors got together and chose J. Bowen as their president, Ernest Fogelberg, vice president; F. J. Phillips, secretary; F. G. McCoy, treasurer; C. O. Martin, class representative; and R. C. Morse, sergeant at arms. G. K. Pierce landed the Hawkeye managership. In the freshman class, Krakow was elected president; Chesbrough, vice president; Binnal, secretary; Holloway, treasurer; Royal, class representative; and Lilly, sergeant at arms. The seniors' election was held several days ago.

## SEASON'S FIRST RALLIES WILL BE HELD THIS WEEK

### Yell Meetings on Iowa Field Wednes- day Evening

This week is to be the rooters' turn on Iowa field and in the auditorium. The activities of the Hawkeye club have culminated in plans for starting the team upon its season next Saturday with the spirit of the whole university behind it, and to this end several big mass meetings have been planned.

The first of these is to come next Wednesday afternoon at 4:30, when the first rally of the year will be held on Iowa field. With the team itself working before their eyes, the rooters are expected to turn out in large numbers. The occasion will also be used as a try-out for the different yell-masters, who will be out for their try-outs for the position of university yell leader. Every college has a yell leader appointed, and from the one of these who shows the best on Wednesday will be chosen the head yell-master for the year.

The second meeting of the week will be held on Friday night in the auditorium. A program will probably be arranged. It was announced last evening by officials of the Hawkeye club that Austin W. Scott, the new dean of the law school would probably preside. This will be made a genuine football rally, with the idea of starting the season with plenty of spirit rather than a feeling that it is necessary in order to beat Morningside.

### Regiment Made Up

At present the university cadet regiment consists of 317 men. Several men, who are required to drill have not reported yet, and many places in the ranks are either on the football field or out for the cross country. The present strength of the companies is as follows: Company A, 47; B, 48; C, 47; D, 49; E, 44; F, 47. The band is composed of 35 men.

The appointment of commissioned and non-commissioned officers will not be announced for several days yet. Candidates will be tried out in all positions to which they are eligible and the man who proves most capable will be appointed. At the end of the first semester examinations will be held and the appointments will be made permanent.

### Officiate at Clinton

Leigh Bell and Seth Weeks, both formerly guards on the varsity team, officiated at the Clinton-North High game at Clinton yesterday.

## VARSITY IN FORM AGAINST FRESHMEN

### YEARLINGS BEATEN DECISIVE- LY BY SCORE OF 42 TO 6

### Yesterday's Practice a Full Game— Team Work of Varsity Char- acterized Session

Playing a regularly organized game, the varsity defeated the freshmen yesterday afternoon by a score of 42 to 6 in four ten minute quarters. In spite of the difference in the score, the freshmen showed up well and gave the varsity an awful battle at times. The work of the two lightweight ends on the freshman team was especially noticeable.

The varsity made most of its gains on straight football, few trick plays being attempted. Murphy repeatedly went through the first year line for long distances, and Banton and Von Lackum each got away with long runs. Curry failed to meet with his usual success, being downer from behind several times by Mack and Carberry while attempting to circle the ends.

Carberry, the fast little left end of the freshman team, picked up a fumble after the freshman line had broken up an attempt at a fake punt in the second half and ran fifty yards for a touchdown, giving the yearlings their first score of the year on the varsity. Parsons at quarter put up a fast game for the freshmen, and Shafer at left half put up a good defensive exhibition.

The first team lined up with Alexander at right end, O'Brien right tackle, Trickey right guard, Ney center, Clemmons left guard, Bowman left tackle, Buckley left end, Curry quarter, Banton and Von Lackum halves, and Murphy full. This line-up was changed often. The exhibition put up was good, and gains came regularly. Von Lackum showed especially well in carrying the ball and picking holes, while Buckley at end went down fast under punts. The whole line played a stone wall game, and looks like a hard proposition for any team to face just now. Bowen went in in place of Von Lackum in the second half and made a great showing, ripping up the freshman defense for long gains.

With the Morningside game coming next Saturday, the next week will be one of hard work for the candidates. The coaches are not yet entirely satisfied with the progress of the team, and several places are still in doubt for the opening contest.

**THE GOAL OF EDUCATION**

While preparing for the ultimate goal of all education, the development of a useful citizen in the state, the student should turn his attention to public affairs and note the changes that must be brought about. That there is much unrest caused by prevailing conditions is manifested daily throughout the nation. The unrest breaks out in such phenomena as strikes among the laborers, in legislative warfare against combined capital, and in increasing lawlessness in the industrial and social centers.

This chafing under the present order of things being far-spread, means that a change must be made. It means that men must bring about a better rule of order. No patch work will do; the cause of the trouble lies deep and the removal of the cause requires profound knowledge of affairs if the remedy is to be sound and permanent.

Every movement in industry and commerce is hindered under the present order. Time that should be spent progressing is now devoted to fighting. It will not do to have society, industry and commerce embroiled in a perpetual struggle. Some change for the better has got to be made.

The students of public affairs, including men in and out of the universities are best fitted to go to the root of the matter. They are the ones who can bring around industrial prosperity and social peace by wise and humane regulation. Then men will let off their present strife and tumult.

Practice will start soon with many of the men who won the intercollegiate championship of the United States for Iowa last year, again trying for places on the team. The officers of the club desire to announce that any student in the university may become a member of the club by paying an entrance fee of one dollar. They state that the club is not meant as an organization for crack shots, but that any one who desires practice in shooting will be welcomed to membership. Further information may be obtained from Captain Morton C. Mumma.

**PLAYS AND PLAYERS**

In the "Heart Breakers" which will be seen at the Coldren theatre on Saturday, Oct. 14, there is an organization of young men called the "Saxons," supposed to have been started by Prince Maurice of Saxony, whose members have been jilted by the opposite sex with such fatal results that they have become woman haters. The object of the club is to seek revenge on the young women who caused the wounded hearts. Members of the Saxons are deliberately set to the task of winning their way into the esteem and love of the girls who are sought as victims. They are supplied with money, motor cars and other expedencies.

The courtship is continued, first by one and then another, until the young woman permits herself to be kissed. The plot of the Saxons is then unfolded to her and she is then made to feel the sting and remorse that she herself once dealt out.

The Saxons have a head or master who directs their movements, and whose wits and services are tested in pursuit of one girl whom the other members are unable to conquer, Fay Munger, daughter of a crabbed millionaire. Old Munger learns that the Saxons are seeking his daughter, so he locks her up in a castle, with a moat and drawbridge in the Adirondacks and makes a bet of \$50,000 that no Saxon shall see or kiss her before a certain day, when she is to be married to the man of his choice. How the Saxons storm the castle and get inside under various disguises forms one of the farcical features of the play. In the undertaking the "master" falls a victim to the wiles of Miss Munger and the love match disrupts the club. Manager Singer will present George Damerel, late star of the Merry Widow, in the leading role, and he will be supported by a company of over fifty, including the perfect Princess chorus.

A crimson flush spread over his countenance, but the exchange was made after some hesitation on his part. Then he grabbed his hat and started to leave the room.

"Why, where are you going?" she asked in surprise.

"To Aldous' for more Roses," he called back from the door.

### FINE EQUIPMENT IS ADDED IN NEW WING OF HOSPITAL

Makes Iowa Medical School One of Strongest in the Country

The completion of the new wing of the University hospital will place our hospital among the best equipped in the United States.

The extent of the benefit of this new acquisition can hardly be overestimated. The various laboratories and research rooms, equipped with the latest and best apparatus, will afford greater scope to follow investigations and research work with accuracy and will, probably, stimulate investigation in the field of new discovery.

The in, or out, patients, on the other hand, will have the benefit of these investigations, as the facilities will aid the physician in his diagnosis of the various diseases, thus inspiring better treatment, and, consequently, speedier cure.
