Before Cheering Supporters

For the first time in over two weeks Coach Hawley opened the gates to the student body last night and allowed them to witness the Hawkeyes in action. Approximately 200 sandals hastened to take advantage of the opportunity to see the team in action before the season opens.

The official practice was held from 7:30 to 9:00 p.m. at the practice field in the Iowa Memorial Union. The practice session was conducted by Assistant Coach H. Fishburn, L. A. ’13, who has been handling the operations of the team this season, and Manager Kellogg, Stewart ’19.

FOREIGN LEAGUE CONCERT AT AUDITORIUM TONIGHT

The Roney’s Boys Concert company, one of the most musical organizations of the west, will give a performance at the natural science auditorium tonight under the auspices of the Foreign League.

The concert company comes here highly recommended, having been on the road for some time and making a tour with general acclamation. Although the members of the company are all accomplished musicians and singers, they were accompanied by two fine orchestras and a large percentage of these were vocalists, a distinctive feature of which is the melody and more and more popular. The full length program consisted of the following:

The entertainment will be given by the benefit of the Foreign League. This organization, which supports the student, serves to further the cultural interests and assist in recruiting interest in all foreign languages. It is the desire of every man and woman who are interested in the foreign language to become part of the organization.

Many Alumni to be Reunited

Tonight will witness the return of many former Griffin stars and friends of the University to the Old School. Among those who have stated their intentions of being at the game are "Chuck" Dirksen of Marshalltown, Iowa, star half back of three years ago, and Ben Collins of Livermore, Iowa, another shining light of the big enterprise. He has been practicing with his team for the Iowa defeat last Saturday.

Manager Kellogg, who has been handling the operations of the team this season, will be present at the game with the team. The line up of the varsity is as follows:

The booklet contains a prologue and an introduction to the season, which is printed on one hundred pound paper, and is said to be by far the best product of its kind ever published.

The booklet will be sold on the streets all day Saturday.

The Cornell rooters will witness the game against the University of Iowa at the Old School on Saturday afternoon. The Cornell team will be on hand at half time, and will make the return trip with the game on hand at six o’clock. The Cornell band will be on hand at half time for personal contact with anyone who is interested in the game.

124 College St.
COLLEGE men play the game, usually, as real sportsmen; they play for the sake of winning, not for the sake of defeating the other side. That's really the difference between the true sportsman and the imitation; one plays to win, the other plays to defeat.

One nice thing about the good-clothes game as we're playing it, is that when you play it our way, we both win. That's why we sell HART SCHAFNER & MARX clothes; they're just as profitable for you to buy as they are for us to sell; we don't make any better profit on them than you do; the fact is we don't consider that we make any profit on them unless you do.

When you buy one of these fine suits or overcoats and give us your money for it, we get the money, of course; but you get the clothes; it's a fair exchange. Hart Schaffner & Marx clothes are the greatest value clothes made to-day; more real quality in them—all wool fabrics, fine tailoring and the best styles.

Drop in and see the new models in overcoats; the Raglan; the adjustable collar ulsterette; the smart slippers. Let us show you some of the new suits; English models; Varsity; Shape-maker styles made particularly for young men; the lively things you want.
