NOTED MEN PRESENT AT BIG CONVENTION

NEW AND RELIGION FORWARD MOVEMENT NOW IN PROGRESS

Dr. C. A. Sutro Gives Great Address at Big Mason Meeting Sunday

A big two-day convention of the New and Religious Forward Movement now in progress at Iowa City. The convention, which began yesterday afternoon, is being held in the Congregational church. Its main feature lies in the fact that the address will be held, by talks with a number of the big men interested in the sect- et, in the Masonic temple. Other places have been sent for these meetings.

Sunday was a really lovely day, in all respects. There were a number of the Men and Religion movement, with special services, and two big missions, which took place at 3:30. One of these was a meeting for boys, held at the English Lutheran church, Mr. Kauffman speaking on the subject of the domes- trics of the world. The other was a meeting held by Dr. E. A. Steiner, of Cumnor, on "The Struggle for Brother- hood." Over two hundred men turned out at this meeting. In spite of the extremely cold weather.

The convention group begins Mon- day afternoon at 1:30, with devotional exercises led by the Rev. Charles. Professor Wissam makes a report on a survey of the field in Iowa City, fol- lowed by a talk on boy work by Mr. Paulson. A conference and in- structive service here will be held. At 11:00 a meeting will again be called, at which short addresses will be given by Dr. H. C., of the city, and the addresses were given by Dr. E. A. Steiner, of Cumnor, on "The Struggle for Brother- hood." Over two hundred men turned out at this meeting. In spite of the extremely cold weather.
