Guard and Forward Change Places; Rheidly Leader Clark Town Comes on Tuesday

With the permanent withdrawal of Irwin from the basketball team, Coach Stewart has been compelled to reconstruct his team somewhat. The information is that he has announced Wisconsin and to remedy this Captote Schmidt and Brothers have been switched. The two brothers are indeed valuable, while brothers, the place at pines played. Schmidt started his basketball era by playing in the center position in the game since he came to Iowa. He was a forward on the Minnesota team and has his specialty experience as assistant forward. In the middle of his first season he was switched to center and finished that season playing forward. Schmidt was selected team captain this fall and started the season as center. However, he is well adapted to the forward position, as he is fast and strong and a sure shot when trying for field goals.

Brothers have played both forward and guard, and should be able to fill one position as well as the other. Schmidt has already been tried at the forward position during the season.

Weekly meetings have been held with the seniors and freshmen, and the experience gained by the men in the Wisconsin contest is shown by the great improvement in their play. Not much can be done during the next two days because of the required preparation for the collegiate but hard work will begin on Monday.

Since Friday's lightning the Iowa lab. Leader Clark comes on Tuesday for the third home game of the year and Iowa students are most enthusiastic in saying that kind of a display that wasываему плану devil.
PROFESSOR BENJAMIN F. SHAMBAUGH, Ph. D.

Head of the Department of Political Science, Superintendent of the State Historical Society of Iowa

Professor Shambaugh received his preparation for the university in the Iowa City Academy, from which he graduated in 1893. The same year he entered the State University of Iowa. While an undergraduate he was prominent as a student and took part in a number of outside activities, being a member of Zeta Alpha Pi, one of the editors of the Student-Register, and later editor-in-chief of the S. U. I. Quill. He received his degree in 1892, and the degree of Master of Arts in 1893. From 1892 to 1893, he was Wharton school Professor at the University of Pennsylvania, from which university he received the degree of Doctor of Philosophy in 1895. The same year he was a student in Paris, and the University of Berlin in Germany.

In January, 1896, Professor Shambaugh became instructor in political science at the State University of Iowa. In June of that year he was appointed to an assistant professorship.

Also, and a year later he was made professor of government and administration. He became head of the department of political science in 1904, in which capacity he has continued ever since.

Professor Shambaugh was elected a member of the board of curators, being a member of the State Historical Society of Iowa in 1897. In 1898, he was elected to the position which he now occupies as superintendent. Under his administration the income of the society has increased from $1,600 annually to $18,000 annually. At the same time, the membership has increased from nine to fourteen departments. The institution has been developed until at present it ranks first in the United States in research and publication.

As a writer in political science and as editor of important historical publications, Professor Shambaugh has been unusually active. As an investigator, he has contributed over 6,000 pages of printed matter to various scholastic literature of the society falling within the scope of his department in the university, and in addition he has edited and supervised the publications of over 3,000 additional pages since the time of his election to the position which he now occupies as superintendent. Under his administration the income of the society has increased from $1,600 annually to $18,000 annually. At the same time, the membership has increased from nine to fourteen departments. The institution has been developed until at present it ranks first in the United States in research and publication.
