HAWKES' BREAK RECORDS IN MARCH MATCH

Total 904, Arneson Getting Individual and Mark of 190

The Hawkeye rifle team set a new mark for the season, 904 points, in their first match of March 19. This is the highest score which has been tallied at the University of Iowa. In their second match of March 29, the Hawkeyes, under Coach Arneson, hung up a wonderful individual record, shooting 144 for the best 100.

HAWLEY EXPRESS HIMSELF.

Praising. Football Player, etc.

Many of the developments were advocated by President Last night. In a letter to Captain H. D. Hulman, the 111th Ohio baseball team, generally speaking, is being in favor of the changes in the football rules. It is even possible that the big fellows may be offered certain small gifts for their winning efforts, but many of the important changes that were made by the rules committee recently are being accredited.

"The committee has greatly strengthened the offense while making the defensive men, making a greater scoring power possible and at the same time making the forwards play a more exciting game. The play is expected to be much speedier this year, and the American football game will change into a line plunging affair. There will be far more opportunities for the teams to present the features of the game, as the same old game is given a better name. The rules committee has decided to have the offensive men play with a heart approval and will eliminate the greater part of the duck which was in last year's game. I think that next year's rules will favor a stronger offense and make the game more exciting and easier for the football public to understand."

The Hawkeye-Georgian combination will be the leader for the game, and phone calls will be given to the game at Grinnell will be recorded. No paper will be published at 10 o'clock.

Plans for Making K. M. A. Campaign under Way

The Association has secured several important men to help in the campaign, such as bank president and prominent citizens who have promised to help. The Association is now preparing a campaign for the next year. The plans are being prepared in various ways. There is a campaign for the big drive, "campaign of friendship," which the V. M. S. A. will hold March 10 to 13.
