First Form to be Big Event—Dunk
Furnishings Sale—Elaborate Plans by Committee

Get your date for the Colition! The big formal is just a month away and the preparations are well under
way. The committee is determined to make this the formal of the year. The most elaborate and successful parties ever put
off at the University.

The scheme of the decorations has been decided upon by the committee but the men in charge of the affair refuse to disclose the plans to the general public; but promises that all formal parties will be the best ever.

MacDonald will perform extraordinary in the way of decorations. The men in charge of the affair are determined to have more work of interest in the preparations and the co-op parties to be a credit to the committee as well as to the rival schools. The Macs Dunk will furnish the music for the occasion. All other social events scheduled for the night of December 11 will be put away and the Colition will be the big attraction for the night.
