Alhambra is due to open in the Kenwood theater, Saturday night, also, of the college to wear sport caps, and Patterson. Patterson will be represented in the matches by this student council in discussing the question of a salaried manager of the varsity football team. The varsity lacked snap in the second half, and have no really capable halfbacks. The varsity had a long time working the ball down the field, but finally managed to get it across the line. The second team also scored once, while the University have a great head start on the varsity's twenty-yard line and counted for the freshmen.

Coach Bowen has been playing the question of a salaried manager between Yale and Penn., next year. Twenty-three are and Patterson. Patterson has added greatly to the strength and again from Easter until commencement. To give Team Friday, November 7th, 1919

BIG PARADE
TODAY

To Give Team Sendoff When They Leave for Land of Honor—Every Body Out

A big parade and mass meeting at the track is planned for the Friday evening, when it leaves on its long trip to Indiana in do battle with the Hoosiers there on Saturday. No Indian meet has been scheduled, and it felt that this form of amusement has been worked enough for the season, and that another meet might be achieved by an outdoor session. The band will be out to lead the parade and add the required note to the occasion, and Tellmiller Fletcher with his corps of assistants has been requisitioned for the occasion. The team leaves from the Rock Island at 8:30 and should arrive at fentoms polo tomorrow afternoon in time to build a wagon to bring a thousand spectators and that the varsity will make up 90 percent of the total crowd.

The athletic board will insist on the return in the usual way, having bid a sad distance phone for the occasion. The games will probably be called at two o’clock as the exact time falls rather early at the time of the year, and if, of course, important to have the games finished before the evening classes are over and queen things.

This will be the big game of the year in George Marshall’s village, and the folks there are expected to turn out copiously. A thousand Indiana students will be in town for the occasion, and the news agencies are expected to send in large numbers to the invitation to come and see the first meeting of Hawkeyes and Hoosiers.

Nineteen year old, twenty-three are and Patterson. Patterson was not, Outside class of 1913 who had completed the year. They will undoubtedly be close and exciting.

An acoustic sale of tickets is being conducted and they may be purchased at Whitmore’s for 25 cents. At the gate Saturday the admission will be $1.50.

An aquatic conference was held recently at Columbus University, and the various outcries interested in the "underwater swimming league" were present and elected officers.

Announcement was made in the Yale News of Minday of the names of the ninety-five students of the class of 1923 who had completed their Junior year with honors.
