CADDEN TO SING AT AUDITORIUM

Special Assembly Thursday Morning

FRED R. SMITH AND HAYWARD ROBBINS WILL SPEAK AT AUDITORIUM

Professor Smith Highly Honored

Made President of the Big Nine Conference at Chicago Last Friday

Professor A. J. Smith was highly honored last Friday by being elected president of the Big Nine Conference. The significance of the election will be seen when it is realized that this prime organization is the greatest of its kind in the West.

As a delegate from the university, Professor Smith was present at the meeting in Chicago Friday, when the annual winter session was held. He was also made chairman of the committee on foreign relations, which was given such satisfactory the past year, that he was chosen again without hesitation. These honors are an expression of the esteem in which he is held in the conference, having done more than any one man to bring prestige to the middle west.

Choral Rehearsal Tonight

The university of Iowa Choral Society will meet to go in the assembly hall at 8:30 this evening. The Director, Mr. Cadman, will be the largest of the season, being the largest.

The two speakers of the hour will be Fred R. Smith and Raymond Robbins. As speakers, they have few equals in this country, and always attract large audiences. The audience will be packed for the event, and the meeting will be the largest and most successful held here for some time among the college students.

It is not known what the subject of the talks will be, but they will reference to the coming assembly campaign, which this assembly is to be, and will be of interest to every student.

There will possibly be special music by the a cappella society.

Cran-Hall Sagittals Last Week

Week, Howard Cox and Miss Helen Read were united in marriage last week at the home of the bride's brother, Ralph L. Read, and was a popular member of the Sigma Nu fraternity here. The circle is one of the most popular social bodies of the city.

Girl's Travel Club

The Girls' Travel Club of the Christian church will meet at the home of Miss Gladys B. Grant, 235 North Dubuque street, Tuesday evening, December 3, at 5:30 p.m., and Mrs. R. E. Stevenson will be the speaker.

DECORATIONS ARRIVE FOR GORGEOUS EVENT

Deco's Announced—Dressed and Made Beautiful from a Large Department Store—Arrangements to be a Feature.

With the football season over, and the Thanksgiving vacation a thing of the past, the big event before the holidays is the Sophomore Cotillion, which will be held on Saturday evening in the university assembly hall. The decorations have arrived and the scheme of the crimson color and lighted arrangements will be announced in tomorrow's Iowa. Everything is ready for the opening formal of the year and it promises to be far ahead of all cotillons given in past years. Following is the list of dances given out by the committee.

1. There's a Girl in Havana.
   W. 2. Take Me Back to the Garden of Love.
   M. 2. Red Ribbon Waltz.
   M. 3. Miss America Reuben.
   M. 5. Where the River Shakes Favors.
   W. 10. Island of Roses and Love.

The curved portico of the building, the police are hot on the trail of those Ragtime Melodies. The regular mid-week meeting will be in charge of Miss Eva Morris, a teacher of the subjects in the college.

The university has been fortunate in securing two men and it is desired by the Student Council that every girl in the university should here here them.

The program is as follows:

1. There's a Girl in Havana. (W)
2. Good Bye Everybody. (W)
3. Where the River Shakes Favors. (M)
4. Good Bye, Goodbye. (M)
5. On You Georgica Rose. (W)
6. Island of Roses and Love. (M)
7. Good Bye.

The following day, the young ladies of the university will have an opportunity to hear both Fred R. Smith and Raymond Robbins.

ON STATE BOARD'S REPORT

There is one paragraph in the report of the State Board of Education to the Governor that requires attention. The paragraph reads as follows:

"No one can comprehend this problem who approaches it from any narrow or selfish viewpoint, personal or institutional."

This statement of the State Board of Education was evidently designed to forestall all criticism which might come from all the institutions under fire. They forget, however, that the hypothesis upon which they are working is just as applicable to their line of argument as it is to ours. Greater than this, their error lies in the fact that they seem to place the opposition upon the ground of mere institutional prejudice, rather than to give it the place it deserves.

The purpose of this agitation against the contemplated action is not solely to point out the errors of its authors but to make a solution for the future.

This statement in the report seems to indicate that the only opinion which comes from an institution is governed by prejudice. There is, however, a difference of opinion between prejudice and prejudice. Prejudice is a conclusion that has been reached not in the light of thought or argument, but merely by personal or selfish motive. Opinion, on the other hand, is a conclusion which has been reached by argument and thought. Progress has only come through the bettering of errors by opinion.

The great scientific achievements of the present age have been the result of the overthrow of prejudices through the means of an application of facts to the question at issue. Then, for the purpose of argument, let us assume that our opinions are prejudiced. In that case, the State Board of Education has the opportunity to hold these prejudices to the light of reason, and by a process make them clear. Why do they not undertake this task, rather than to merely discreditable statements which would come from the institution, under the assumption that they are prejudiced?

They further frittered themselves in a discussion of prejudices when they refused to admit the heads of the departments involved into consultation on this issue. If they, the board, were looking upon the question with an open mind, would it not have been possible for them to have separated the prejudice from the fact which they have so shamefully presented? It was prejudice which saved this country and made it a union of people, and not of states. It was prejudice which made this country a nation and not one of England's colonial dependencies. If prejudice has been the aid to such great movements which developed into opinions of government, should a blind prejudice not be injected into an issue upon which the salvation of the future education of Iowa depends?

We disclaim any prejudice greater than that which governs the State Board of Education, and which is due in the increase of the number of students. Thou more, however, remains in our favor that we have studied the educational movements, not in our own state but in our own time alone, and it is this date which forms the basis of our condition. The only argument which the State Board of Education advances is merely that which is expedient. They do not offer, on the contrary, a plan from which they can predict what the future has in store for them.

Judicious Speaks in Phoenec

Prof. Geo. Judisch of Ames, Iowa, gave a lecture to the junior and senior students of the pharmacy college on the subject of "Practical Religion in Pharmacy." Mr. Judisch is a practical pharmacist as well as a professor in the veterinary college at Ames. How is an interesting speaker and gives many points of practical interest.

You Need a Specialist

To relieve your troubles. Try the New Way Cure. It's a simple remedy for what ails you. We have made a thorough study along this particular line and know positively if you place your confidence in us we can prescribe in a way that will relieve that puzzled feeling.

See Us at Once

PUZZLED?

OF COURSE YOU ARE

Wouldn't be time to buy Christmas presents if you weren't. It's foolish to fret and worry about what to give, when you can have the question solved in no time if you just go about it the right way.

BASKETBALL SQUAD OUT FOR PRACTICE

ABOUT TWENTY MEN TURNED OUT FOR FIRST WORK THIS SEASON

Five Veterans of Last Year's Team Report—A Big Christmas Trip Planned by Manager Artbigg.

Regular practice for the basketball squad started yesterday under the direction of Coach Thomas. About twenty men, and Passmore for work, and get a long drill in the rudiments of the game. Passing the ball, dribbling, guarding, and line other elementary points were gone over in asserted doses, and this program will be followed until Christmas. Five veterans of last year's team, time, and the ability of all Malick, guards Len, center, Gardiner, forward, and Brothers, forward, and guard, were out yesterday. Weaver, a substitute two years ago, and Hanna and Tevel, both of whom new service in several games last year, also appeared, giving the coach a big squad of seasoned material with which to start.

Brooksear and Schalke have been recruited from the football squad and appeared for practice yesterday, and Gilliland also reported. Beem, center on the freshman team last year, is out, and the small junior to get Kirk, Zick, and Person of the football team to come out. Dick is regarded as especially good basketball material, as his work last year in the departments league proved him as one of the fastest guards who have appeared in recent years.

The annual general call for the scheduling of at least one college games before Christmas. What team will ap- pear and be decided, but one of the other college teams of the state will probably appear. Manager Kel- logg is working on the proposed Christmas trip to be taken by the squad will sit be picked definitely arrangements for it. Present prospects include the Den Minton, Ot- tes, and the Penn and Highland Park college lines, and others will be scheduled if the trip goes through. At least two fall teams will be taken on the trip, as the varsity squad will not be picked definitely enough to be cut much before that.

WE GUARANTEE A FIT OR NO SALE

Every piece of goods we tailor onto suits is pure wool—not a single thread of cotton, and this insures you that abso- lute satisfaction it is so difficult to get.

$26, $30, $35 and up

At every price maximum value and a guaranteed fit.

MY TAILORS
Karl Pearson, graduate student, '12, who is teaching in the Mason City high school, visited with his sister, Florence, L. A. '14, over vacation.

TUESDAY

The pharmacy college has something different for its students this week-end. Miss Coop, a visiting student of the college, was entertained with friends at Omaha. Monday evening, the Epworth League cabinet met at the home of Miss E. M. Warrington. The session was conducted by Miss Forrest, A. M. '12.

Miss Coop spent the balance of her vacation visiting with friends at Omaha.

Mrs. A. M. Strong, Maine, Cooper spent the holiday vacation visiting at her parents in Illinois. She entertained at her home in Iowa City over the week-end.

Richard Emmerson, D. S. '12, spent his vacation in Chicago at the home of his brother.

Earl Hoffman, L. A. '12, visited friends at St. Vernon over Thanksgiving.

Orchestra Notice

The orchestra rehearsal for this week will be held Wednesday evening at 7:00 at the normal science building.

Shineck to Speak at Des Moines

Prof. Shineck will deliver an address at Des Moines before the Iowa State Horticultural Society. The lecture will be given December 10-12 in state convention. "What Shall We Do with Our Silver Bluffs," is the subject of his address.

IOWA PHYSICS PROFESSORS ATTEND PHYSICS MEETING

Professor Stewart, Sing, Brown, and Dodge on Chicago Program

Each of these men gave a report upon research work carried on in their departments.

Mr. Stewart reported upon a method of obtaining a known relative sound intensity; Mr. Sing reported upon the effect of drawing upon the elastic properties of platinum iridium wire; Mr. Brown reported upon the production of sodium and the production of light-sensitive selenium; and Mr. Dodge reported upon the effect of temperature and current upon the elastic properties of copper wire.
