The speaker told how he thought religion was a sham, that men who guess anything into it were ready and convenient means. He urged the importance of seeing the life of a war, and his life to help the people of the Yukon. Although a graduate of John Hopkins, and a man of exceptional talent, he chose to live among the people of the Yukon. After leaving the place he almost from one night to the closing gate, he was not able to reach the place of a cross that he passed. He was among the last and that he had never seen a war, but then thought of the fact that if he ever reached the valley again, he would study the flora. The university wrestling club held its first meeting of the year yesterday afternoon. Officers were elected and other important business was transacted.

The officers elected are as follows: President, Fred F. Ballard of Iowa City; captain, weight class champion of the past two years. Vice president, A. G. Gros of Storm Lake, lightweight champion of last year. Secretary-treasurer, O. Hobbot of Grand Grove, a runner-up for the weight class champion of last year.

The club is composed of Tom Trevor, former president and heavyweight champion for the past two years; and A. G. Gros, to be the intramural and intercollegiate physical director. These classes will meet every Tuesday evening at 8:15. These classes will be open to all students every Saturday afternoon at 2:30.

From the present outlook the university letterman will be awarded to the winners of intercollegiate championships and the numeral will be awarded to the freshmen.

The first class will meet Tuesday evening, December 15 at 8:15. All those interested in wrestling are cordially invited to be present and learn further concerning the opportunities offered to this branch of athletics. No dues will be charged for membership. Anyone desiring to become members of the club will report to A. G. Gros, O. Hobbot, H. E. Beck, L. A. Myers, P. E. Ballard, R. Schroeder, physical directors, and also to at least two intercollegiate tournaments this year, one with Nebraska at Iowa City; the other with Ames at Ames. There is no obligation for a third with some university.

The contenders for the tournament will be the winners in the same classes of the home tournaments which will be held at the armory some time in January.

The winners of the six weights at home will be given medals or some other suitable tokens designating their ability in the same game.

A collection of about two hundred carbon photographs, colored engravings and other prints loaned by A. E. Gilbert of Iowa City, will be on exhibition in the art gallery of the new physics building, December 16 to 18. This collection comprises reproductions of famous paintings from all over the world and includes some of the best colored engravings produced in the country.

The gallery will be open from 8 to 10 o'clock in the afternoon and from 7 to 10 in the evening and a nominal admission fee of ten cents will be charged for admission to the gallery. Any of the pictures will be taken and smaller prints will be for sale from ten cents up.
