The Pharmacy-Chemist Club Entertain

The Pharmacy-Chemist club entailed its friends in a dance at Majestic Hall last Saturday evening.

A committee of six women selected the decorations, and the decoration which exists here. Perhaps no American actor club was founded only a year ago, the members of the conference seem satisfied with the results.

"A Plot for Unity"

Wherever the spirit of sectionalism prevails there can be no real unity. Our fathers understood this, and it might become the greatest power on the earth. The energies of the student body at this institution have been released of their efficiency because they have been divided. The students of the various departments have banded and do not attempt to become a winning team by following one another, and the inevitable result has followed. A great pride has grown up among them and little for our alma mater.

Until we throw aside the depart-mental unions and unite into classes of but one institution, the State University of Iowa, we will lag in the year of the college of other states.

FOOTBALL KILLED SHOWS DECREASE

Number of Killed: Smallest Since 1901—Only Ten

Die

The past football season has been one of the most fortunate in recent years, the death roll being only ten as against seven in 1901. Nearly two hundred were injured, sprains and strains taking prominent part in the list of injured. It will be seen by comparison that the new rules have been successful in keeping down the death list, although the injured seems to have increased somewhat. The following table will give some idea of the fatalities and injuries:

Killed in 1912: 7; Injured: 184. Fractured legs and ankles: 73; Sprained ankles: 71; Kicked in head: 6; Fractured shoulders: 14; Major dislocations: 17; Fractured ribs: 8; Broken nose: 13; Broken jaw: 1; Fractured collar bones: 4; Fractured skull: 1; Minor spine, wrist, and muscle bruises: 262.

Picture Exhibitions

A collection of two hundred water colors, colored engravings, and other pictures, loaned by A. W. Elliott & Co. of France, will be on exhibition in the art gallery of the new physio building, Dec. 10 to 14. This collection comprises reproductions of famous paintings from all over the world and includes some of the best engravings produced in the country. The gallery will be open from 9 to 1 and 6 to 8 in the afternoon and from 7 to 10 in the evening, and a nominal admission fee of ten cents will be charged. Orders for any of the pictures will be taken and smaller prices will be on sale from ten cents up.---Adv.
