COACH MERRY AND NATIONAL TEAM GO

LEFT THIS MORNING FOR MINNEAPOLIS WHERE THEY MEET THE Gophers

If Iowa loses Minnesota Grid Champi­ onship of Central Debating League it is certain to lose the championship of the state. The school has selected schools of the state.

Coach Merry left six o'clock this morning for Minneapolis with the team that will upload the inaugu­ ral side of the question against the Gophers tomorrow night.

The team who will debate in the Minne­ polis territory is composed of Fred R. Rhine of Williamsville, Frank Schumm of Iowa City, and J. Howard Anderson of West Liberty, lead­ ers of the three of those institutions. All will have experience in forensic work both in high school and the university.

Rhine is a senior in the college of liberal arts and a freshman. An active member of Liberal Institute he led the sophomores debating team two years ago and last year debated on the irving championship team. He participated in the freshman physical education, won first place in the track in 1915, and last year represented Iowa in the contest of the north­ ern oriental league.

He is a member of Liberal in­ stitute, Delta Chi, Delta Sigma Rho, the honorary forensics, the intercollegiate tennis and fris, and T. M. C. A. president of the debate team when president of the junior class.

Eydel is a graduate of Iowa City high school where he was president of debate. He is a member of Delta Sigma Rho, the journalism end, and chairman of the radio society last year. S. A. C. is a senior in the college of liberal arts. He debated in the national champion­ ship team as one of the two freshmen.

He was alternates in the intercollegiate­ state team that debated with Neb­ raska.

Anderson, the leader of the team, is pres­ ident of Iris Liberal Institute and of the Pirealis League, a member of Liberal Institute and the Y - M - C - A. They are a senior in the college of liberal arts. He debated in the national championship team in 1915 and 1916. He will not be present for the debate.

No word has been received by Pro­ fessor Merry regarding the Minnesota debate and no time has been set for the meet­ ing. It is possible, however, that there has been a meeting and no word has as yet been received. The chances are good that the meeting has not taken place.

Ten years ago Iowa defeated Minne­ apolis in the debate on the closed shop question, and Iowans readers are hoping that the team which de­ feated today will repeat that result.

PLANS BEING MADE FOR "MIXER"

New Club Will Be Conducted Same as Previous Club

Next Saturday afternoon at 2:00 o'clock in Physical Science Schol­ ar's Office there will be a meeting of the 1912 Forensic League.

This meeting will be for the purpose of organizing a boxing club which will be similar to the boxing club which has been organized in the past three years. After the boxing club is organ­ ized it is the intention to carry it on from year to year and make it as strong as possible. There will be medals given to the winners of the tour­ nament which will be held at the end of every year.

The plan is to con­ duct the training A a thoroughly scientific manner and the work will be done for points.

This is an opportunity for the men who are interested in a sort of exercise to carry on and are currently requested to be present Saturday afternoon at the time and place noticed above.

HARTEY HIGH SCHOOL GETS LATE NIGHT LECTURE

Fifty Slides Featuring University Activities Will Be Shown

Next Tuesday evening at Hartley, Iowa the first of a series of eastern slide lectures will be de­ livered in the Hartley high school of the state will be given by the superintendent of that city. These lectures are open to the public but especially designed to strengthen the bonds of the high school and the university.

Fifty slides have been pre­ pared by university editor Weller, from the reports of the trip of representa­tion. Manuscript has been prepared by Mr. Harwood, head of the university publicity bureau.

These slides illustrate pictorially every phase of university life. There are pictures of football games, of the drum call, of the university buildings, of the laboratories of the hospital, of the glee club, of the university. In fact a most interesting series of pictures has been gotten together.

The lecture will be given in the high school auditorium, and will be of great benefit to the students who have not visited any of the great western universities.

The athletic student planned for the "mixer" are attracting considerable interest. The six round boxing ex­ hibition for points are being looked forward to, while the match between Ballard and Grace, two of the prominent students, will be of great interest to the students who have not visited any of the great western universities.

With the many strangers and the Music, Art and Drama, the lecture will be of great benefit to the students who have not visited any of the great western universities.

GIRLS' BASKETBALL SEASON NOW OPEN
MUCH INTEREST TAKEN—PRIZES FOR FIRST-CLASS TEAMS THIS YEAR
Practice is held every Wednesday from 3:30 to 5:30. Prize Cup is offered to winner of Inter-Class Games.

Classy work in basketball may be seen every Wednesday afternoon at the gymnasium between the hours of 3:30 and 5:15 o'clock when the girls of the university are getting ready for their inter-class struggle which will be held at 4 o'clock in January. The only trouble at present is the lack of room, for the small floor is more than crowded all of the time, and the girls are forced to take turns in practicing. The crowded condition, however, does not daunt their enthusiasm for the women of each class are determined to carry off the beautiful cup which is offered to the winning team.

At the present time Miss Whitehead is planning to give a course in the application of the rules of basketball in actual practice, to the girls who are expecting to teach and especially to those young women who are training themselves to become physical teachers. This is giving the work of a normal course but it is not by those in authority that the course will be very practical.

Just as soon as the basketball season is over, the indoor basketball season will open. Already plans are being laid for a series of inter-class games. As in hockey games, which are now over and the basketball games which will be pulled off soon, the freshmen will play the sophomores and the juniors will play the seniors, then the winning team will play for the championship. As in the other games there will be a cup offered to the winning team. When the indoor basketball season is ended, it will again be warm enough for the tennis court.

Bohemian Club
Regular meeting of the Bohemian club will be held in the new physics hall on Friday evening, December 13. Dr. C. P. Howard will read a paper on "The Progress of Medicine during the Last Decade". The public is cordially invited.
