TO THE NEW YEAR

With all our New Year's resolutions made, and kept? After two glorious weeks of bonding the state university of Iowa. With only three weeks between now and the second examination, we are settling down for one of the most porous years of our lives. To sum up, the past year has brought, happiness, success, and pleasure the thoughts of which are as beautiful visions which are glimpsing a new inspiration in their lives. To others, sorrow, its clarity has invaded their lives, sorrow has waxed upon them, pleasures and happiness to them has seemed a crowning sorrow. To still others the past year has been but an empty phantom preceding another. The membership

is expected turned out. The membership

stood for a good crowd at a meeting last night. Twenty seven slides were shown and favorably received. Oral Quartet is responsible for this novel item.

Another to Come

The last of the banquets will be held at Cedar Rapids on Wednesday. The banquet will be at the State Bank. The membership is expected turned out. The membership

stood for a good crowd at a meeting last night. Twenty seven slides were shown and favorably received. Oral Quartet is responsible for this novel item.

TWO STATE S. U. C. CLUBS

HOLD BIG BOOSTER MEETINGS

Meeting held at Seattle with Great Success—Minnesota Club meets Soon.

The S. U. C. club of the state of Washington held a big meeting on December 21 at Seattle. Sixty-five alumns and former students from that state attended, a large delegation coming from Tacoma.

The banquet was held at the Hotel Washington Annex at 6:30 o'clock. The gathering was strictly formal and was enlivened by Iowa songs and yells. Here a large number of laterals sisters were very effectively represented.

His persons responded to the toast: "When I was There," Professor T. H. Mcclure closed the program with the toast of the University. It was in connection that the latter's libel views were used.

At Minneapolis the Minnesota S. U. C. club will hold a big banquet on the 14th of January. These are a large number of university alumns in Minnesota and many of them live in the Twin Cities.
