KLY BILL AMENDED
PASSED BY HOUSE

HOUSE RES VOTE OF 87 TO 10
PASSES ADJOURNED EDUCATIONAL
BILLS

No Changes to be Made—Domestic Science to be Established Here;
Seven Men Can Promote Change in Curriculum.

By Cooper Reynolds
Des Moines, Feb. 26—(Special to the Daily Iowan)—The Kly bill was amended and passed by a vote of 87 to 10 in the house of representatives. At present, that domestic instruction shall grow, as they were last September, with the fact that domestic science shall be started at the university. The reported bill provides that changes cannot be made in the curriculum of any of the nine members of the board. The bill was amended to insure its passage through the senate, which body would not have granted a favorable report of the board. The future of the three state institutions hangs upon the kind of man which our governor shall appoint to fill the impending vacancies in the board.

Des Moines, Feb. 26—The new resolution is in effect and by language practically the same as Dunn’s resolution which was voted down, as strongly yesterday, but it provided that seven members instead of six shall be necessary to discontinue or discontinue the course of study.

The friends of the state schools were feeling hopeful over the outcome of the fight in the house. In the House Chamber was again as a more doubtful but the overwhelming vote by which the house passed the bill this morning would undoubtedly have a large effect upon the sentiment in the senate. The matter will not come up in the senate until after the session which began today, but it is believed that the senate will accept the action of the house and that the radii changes ordered by the board will not be carried into effect.

NOTICE TO TEAM MEN
All men who expect to get out the doff of doing as this track spring are requested to meet in Manager Kelling’s office at the armory Friday afternoon at 4:10 sharp.

G. U. COMMITTEE DOES MUCH WORK

Committee Will Have Charge of Play
Presented by Dramatic Club

The Greater Universities committee will have charge of the play presented by the University Dramatic club. This was the conclusion reached last evening at the regular weekly meeting of the committee. The play selected by the dramatic club is “Going Some” written by Sabin. This will be given at the Kingsley theater on March 15th. The Greater Universities committee will have complete charge of the production. The dinner held again at the armory and mass and novel features will be introduced during the evening.

PROFESSOR MERRY MEETS ALL THE EXPECTATIONS

Reading of Macbeth Is First of Series of Reviews—Next Number in April

With an exceptionally good crowd is attendance, Professor Merry made his second hit last night in his review on Macbeth. Throughout the recital, the speaker had the attention of everyone with his clear interpretation of many of the most difficult scenes in the play. The dagger scene, the scene of Macbeth’s castle walls, the scene in the forest and Macbeth, and the scene where Banquo’s ghost appears, were among the most impressive of the selections rendered.

Professor Merry has a pleasing manner, a conversational style in the work, and he is a very proficient reader. He helps to keep the audience alive. All those who heard last night will be eager to hear him in the future, and hope for an early opportunity of hearing him again.

This is only the first of a series of recitals, which will be made an annual feature of the department of speech. The next number of the series will occur some time in April, the exact date to be announced in the near future.

IMPORTANT NOTICE

Captains and lieutenants of the band regiment will meet at 7:00 o’clock for Haywood picture at 7:15. Be in uniform and no prompt.

GREAT PLANS MADE FOR SPRING FESTIVAL

FAMOUS ORCHESTRA TO BE ENGAGED—PLAYS NEW UNDER WAY

Iowa City Business Men to Finance Proposed—Iowa Symphony Society—Plays will Open for Talent—Rehearsals Begin in Ours.

Final arrangements are being made for the spring festival which will be held under the auspices of the school of music. This festival is an annual affair and is held in the university armory.

The members of the musical council in charge of the festival have not, as usual, engaged an orchestra, although several famous companies have been under consideration. For the last two years the Minnesota Symphony Orchestra has appeared on the program. It has met with great success both times. It is the hope of those in charge of the University and Iowa City Musical Society that the membership of the society can be increased to two hundred and fifty members. With this increased membership they hope to present the same band of the University and Iowa City Musical Society.

NAMAKA-TOYE MADE GREAT HIT

Beautiful Prima Donna Received With Furnishings

From the Holopny (Mass.) Evening Telegram:

“A large number of Holopny women went to Springfield last evening to attend the concert at Crown hall. The symphony orchestra at Court square theatre. The principal feature of the evening was the appearance of the charming prima donna, Namaka-Toye, who is in reality Miss Nanka daughter of Judge Banks of Los Angeles.

“Namaka-Toye, who is a very beautiful young woman, quite charming and thrilled her audience with her delightful singing. Her voice was wonderfully clear and sweet and a rarely beautiful time. It was a peculiar vibrating one which is so unlike as it is delightful and all her numbers were received with great enthusiasm. At last evening’s performance Namaka-Toye sang her way into public favor immediately, thrilling the audience into a tumult of applause and to the desire for another encore. In fact she fairly took her audience by storm and her appearance this evening may be deemed a veritable triumph.”

Wanted lovers and lovers of the beautiful can hear and see this charming artist here Thursday evening, when she appears in company with Mr. Idiau, the young Russian violinist.

NOTICE

The T. M. C. A. class in the Chinese Language, led by T. L. Will meet promptly tonight at seven o’clock in the secretary’s room at Crown hall.

COSMOPOLITAN CLUB NOTICE

There will be a social of the Cosmopolitan Club tonight at Crown hall at 7:15. After the social a short business meeting will be held.

FRIENDS OF UNIVERSIT Y PLEASED WITH WATSON

FAMOUS TRAINER OF ATHLETES WILL RECEIVE ENTHUSIASTIC WELCOME

Great Boost For Athletics—New Important Man—Will Take Charge of All Branches of Athletics—Has Remarkable Record Behind Him.

That the acquisition of John P. Watson as director of athletics at the State University of Iowa for a five year contract is meeting the approval of the many alumni of the old Gold throughout the west, is evidenced by the numerous letters which the athletic board has received with regard to the appointment of John P. Watson. Professor Watson, who has in the last few years, Iowa considerate himself fortunate in getting the services of such a man, is charged with the task of organizing the athletic department.

In a communication from E. R. Johnson, Iowa’s representative on the Intercollegiate Conference Athletic association, Mr. Johnson says: “I am very glad, indeed, to hear that we have secured the services of Jack Watson. It will certainly mean that Iowa will take a much higher position in track athletics in a few years. I was simply overjoyed to hear you tell your heartiest congratulations in being able to get such an efficient man for this position.”

Bridgman, S. Labbe, of Salons’ Educational Exchange at Des Moines expresses himself as follows: “When I read in the Register and Leader this morning that you had secured Jack Watson’s signature to a five year contract, I was simply overjoyed to hear you tell your heartiest congratulations in being able to get such an efficient man for this position.”

**FINAL COMES FOR WRESTLING MATCHES**

**MEN WHO WILL BE CHAMPIONS OF UNIVERSITY IN MAY WORK TO BE CHAMPIONS TONIGHT**

Competition is Close in All Weights

—Time Limit to be Set—Chicago Conference Rules Coach—Now Frequently With Coach Referees.

There will be something dear at the university tonight when the finals for the champion of the university comes off. The contest will begin at 7:15 and will probably last about two hours. A large crowd of university men and women will probably attend these matches as wrestling has taken on an added spore of interest among the followers of sports here.

The matches will be according to the Chicago Conference Intercollegiate rules. According to these rules the matches will last twenty minutes or until one man has won two falls. If the falls are made in twenty minutes the match may not be decided an additional five minutes will be given.

The men will be required to wear gymnastic suits and tights in the contests tonight. The referee will decide the winners of the matches.

In the backlist weight wrestling and boxing the contestants. Larson and Hoffman compete in the middle weight while the feather weight and heavy weight contestants will be chosen in time for the matches to sight.

Numerals to Wrestlers

The question has been raised of giving numerals to freshmen who are champions in their weights in wrestling. The men who are upper class men will be allowed to compete for the "T" and it has been suggested that numerals should be awarded to freshmen since they are the only intercollegiate competitors. The question of the freshmen will come up at the next meeting of the athletic board. In case the board decides in favor of the freshmen the first year men who are champions this year will receive the "I" numeral.

Two Big Matches

There will be two intercollegiate wrestling matches this year. Iowa will go to Ames March 8. The match here will be against Nebraska and will occur April 5.

**SPRING APPROACHING**

—Not only on the calendar but each day itself signals the coming of spring does not seem a reality because of the fine falling snow—visit to John H. Taft & Co.'s shop will at least remind you of its near approach.

The pleasure derived from being first in the wearing of new Spring Suits amounts to keen delight with most all of the University Girls. It will be your loss if you fail to look over our collection of
