Iowa's riflemen filed their match with the Washington University student body last week, making the erudite score of 945. Although this is two points below their score in the week previous it is thought that the figure will be large enough to easily surpass the far westerners.

Washington has not been shooting very well this year, and are undergoing something for the coming season.

The individual ranking of the men is:

A. F. A. Jenkins 167 171

G. W. Cain 159 169

Grand total 914 958

The team also shot a match with West Virginia during the vacation, and Professor P. H. Young, of West Virginia, was on the Iowa team.

He is a practical student of the line and his advice will be welcome to the Hawkeyes.

On Tuesday there will be a round-table session upon all subjects of educational interest, and each subject will be continued for the remainder of the convention.

The program will be of unusual interest to all teachers and contains many addresses by President H. H. Scovill, of Harvard, college, W. W. Withers, principal of the Teachers' college at St. Louis, Mo., and Dr. H. W. H. Kuykendall, judge of the Supreme Court of Iowa.

PREP SCHOOL FIVES COME FOR TOURNEY

State High School Board Of Control To Compete

Elderly Teams—Affair Covers Two Days—Teams Arrive Today

The state high school boys' match, which is to be held in the city of Iowa, has been arranged by the following teams: Des Moines, Jefferson, Ottumwa, Charles City, Sioux City, Clinton, Fort Dodge and Coralville.

The board is composed of G. E. Marshall of Davenport, Eugene Hibbard of Sioux City and W. H. Estabrook of Fort Dodge. This is the second incursion which has been conducted by the university of Iowa. The official body carefully considered all the teams and the state and the former winners in the field and the Iowa which the state is to make their final selection and only those teams which played a complete game during the entire season were chosen. There is little doubt but that their decision in discussing the problem is based on the following by the followers of the games throughout the state.

It looks like the first line boys will be shooting a few days in the state and only a few teams which played an out-door match are to be considered.

The games will be played in the following order:

Friday afternoon at 2 p.m. Davenport vs. Jefferson (1), Fort Madison vs. Ottumwa (1), West Virginia vs. Clinton (1).

Fort Dodge vs. Coralville (1). Friday evening 8 p.m. Winners of first series vs. winners of second (1). Winners of third series vs. winners of fourth (2).

Saturday afternoon at 2 p.m. (1) Losers of Friday night for third and fourth places.

The results of the games on Friday afternoon are causing much speculation, with the possibility of cracking Davenport, Ottumwa, Sioux City and Fort Dodge as the winners. Jefferson has put up a splendid brand of basketball under the tutelage of "Mike" Hyland but is hardly in a class with its opponents. Ottumwa should have little trouble in getting away with the game, though the long end of the score in the game will possibly be the determining factors in the outcome of the game.

Notice: The registration fee for the first and second places is 30 dollars.

BASEBALL TEAM IS DEVELOPING SLOWLY

PROSPECTS ARE BRIGHT FOR FAST TEAM—DAVENPORT
HERE FOR WEEK

Coach Lindaman Whipping Bu.

to Shape to Meet Tri-City Aggre-

tion—Pitching Staff Exceptionally

strong.

The prospects for a winning base-

ball team this season are looking bet-

ter every day. In the course of En-

terests, Coach Lindaman had about 30

ten candidates who remained in Iowa

City for the preliminary prac-

tice which was held indoors. With

adverse weather conditions prevail-

ing the past week, nothing definite
could be had on the ability of the

numerous aspirants who are trying for

the different positions on the team.

The Davenport Three-Eye League

will report bars on the 7th for a six

day engagement with the Hawkeyes. This

means that there are only ten days remaining to get in shape for the

season. The average man is always

looked forward too with inter-

est by the followers of the Old Gold,

a recent communiqué from

Manager_Olmer of the Tri-City ag-

gregation comes the information that

his club will be represented by a gat-

ely of veteran stars, together with an

abundance of recruit material.

Davenport was a close contender for

the pennant last year and a good

fielding nine is assured so that

the club appears on the local di-

mend.

While there are many recruits

looking daily in the city, ability displayed by them is

only mediocre. Iowa can consider itself

fortunate in having practically the

entire issue of 1912 to draw from for

the nine this season.

The pitching staff has many likely

youngsters who may deliver the goods,

when the opportunity is afforded.

Zimmer, the reliable standby

of last season, is determined to have

his best vitals and supplies together with

an o. u. u. unique for the adoption of this bill.

What's the price of a good suit of clothes?

TWENTY-FIVE dollars. You can buy our clothes for less than that--$20, $18; you can pay more than that--we have very fine clothes at $27.50, $30. But $25 is a good average price; most men who appreciate good quality and style in clothes, good tailoring and fit, are willing to pay as much as $25.

Hart Schaffner & Marx

suits at $25 will surprise you; particularly if you've patronized the so-called low-priced tailor; most particularly if you're getting what you think are made-to-measure clothes at $25 or less.

You'll get all-wool fabrics; trimmings, linings and other materials of a high grade; tailoring of a very high order—the things that make a suit worth, and keep, shape. You'll get the value of best style standards and originality of design; you'll get clothes that fit you well. And you'll gain, either in greater value at the price; or lower price at similar value.

Better see how true this is; $25 is a price you can afford, and you'll say so when you see the clothes. Better come and look at the new spring styles.
