SIGMA DELTA CHI HOLDS INITIATION

These New Taught Mysteries of Na-

tional Journalism For-

ternity

Three women were taught the mys-
teries of Sigma Delta Chi, the honor-

ary journalism organization of the university, yesterday morning as the junior member of the class ini-

Sears.

Three women were elected to the fraternity this spring. It was the first election held by the

society this year.

After the initiation the election of officers was held for the coming year. W. R. Hubert was elected
director; G. R. Grassleder was made vice president, L. N. Hildreth, secretary, and Hamilton Johnson, treasurer.

Baseball for the Season of

1914

( BY HAL SHERIDAN

(Written for the United Press) New York, April 25—Already there is a lot of talk in baseball cir-

cles about changes in the rules and playing place and season method seasons which may be in-
gurated in 1914. The accident to one in the exhibition game with Brooklyn two days before the real

opening, and injuries to Wagner and Paskert, of Pittsburgh on the eve of the opening, and together with various other accidents to players base line, have made managers think. They are wondering, if the ground wouldn't be better to make the candle stick. They frankly admit that heavy training

expenses have made some clubs doubt about them, with many league managers or club owners in the opposite club breathing their heads that if it would make a game by "losing the champ," the real 

wonder is that of these accidents don't occur. Then, too, managers have been too

ready to take chances to fill exhibition engagements regardless of weather conditions. Witness the Brooklyn-Detroit series in the earlier stages of the series was ushered in by a right flat of

them! Imagine what the temperature on such a day that the players were on the

other's saltar arm, unless, perhaps, the pitcher balls from Greenfield.

The sight is that exhibition games are big business, and that the money used in obtaining them may be

proportions of the win-at-any-price type. And it's a big question whether such chances might be taken in

the matter of a rain delay. Joe Di magazine they may be taken advantage of by

as the logical next oppor

tunity for the championship. Ritch

JUNIOR GIRLS WILL ENTERTAIN SENIORS

WOMEN'S MIXER TO BE HELD AT
CITY PARK ON AFTERNOON
OF MAY 6

Unique Plan Worked Out to Feature
Event—Fair in Hands of Offices
of Junior Society.—Each Junior to
Take Favorite Senior.

The Junior girls of the university have planned a big mixer for upper
class women to be held at the city
park on Thursday, May 6, the event
to take the form of a big picnic
and wienie roast. The affair is in
the hands of the offices of the jun-
or society and all junior girls are
urged to participate. A unique fea-
ture of this mixer will be the scratch
list which Miss Lotte Warren will
have in her possession from Tues-
day, April 30, until the time of the
event.

This complete list will contain the
names of all the senior girls from
which each junior is to make her
choice of a guest. On the afternoon
of the picnic Miss Ann Rock will
be on hand with a committee of en-
tertainment and "sales" to meet the
girls as they arrive.

Permanence of Personality
The final section of the series on
"Life after Death" is to be given by
Rev. W. L. Wajers at the Congrega-
tional church Sunday evening.
The subject to be delivered will be "The Permanence of Personality".

A summary of the great arguments for immortality will be presented. This concise statement of the thought of the best minds on this important problem should prove of great value to all who hear it.

Personally Conducted Tour
"On Horseback Through Pains-
town," at the Methodist church Tues-
day evening, April 25th, by Rev.
Sylvester E. Bills. This most inter-
esting entertainment will be illus-
trated by 75 handsome and hands-
omen pictures. Tickets, 50 cents.

Irving Oliver, medicine, $5, spent
the latter part of the week in Cedar
Rapids visiting friends.
