DODSON'S HOME TRACK MEET
TOWNSEND'S STUDIO
"High-jinks" at college commencement

ONE thing about college men is that they seldom get over it; they may be staid, dignified, conservative business men at home, but when they get "out with the boys" they're just "fellows," and they act like it.

Another thing about college men is that they dress pretty well, in college and afterward; and it's quite an interesting fact that a good many of them wear Hart Schaffner & Marx clothes. It's a perfectly natural development; a mark of educated judgment. Such clothes pay the wearer dividends of good style, good service, good fit.

We have sizes for all figures; big men or small, short men or tall, fat men and all; $18, $20, $25, $30.
