SUMMER SESSION SCHOOL OF MUSIC

To Be Held During the Six Weeks Beginning June 11 Professor Schottel Director

The annual summer session of the university school of music will be held during the six weeks beginning June 16, 1913. This period will coincide with the dates of the summer session of the other departments of the university, and a favora-
ble opportunity to do some work in music is therefore offered to those who are doing work in the uni-

versity.

The summer session in general has become an important educational institution and the general trend with the standard institution of learning, has been to make it in some way even more comprehensive than the regular year's work, since the pro-
tress of such sessions, from the general trend of their own state, demands an exceptional curriculum. In conformity with this the uni-

versity school of music is offering a summer school schedule to meet the needs of several classes of students.

First, those who wish to continue their regular study during the sum-

mer in order to complete their work in an earlier date.

Second, professional musicians who wish to do special study during the summer months in order to fit themselves for better work in their own duties.

Third, students who during the regular year can find time to do as much study and who wish to begin.

COMMENCEMENT
OF SCHOOL OF MUSIC
Students Promised For Work Accomplished in Senior Graduating Recital

The second graduating recital of the organ school of music took
place last Friday night at the auditorium. A small but very appro­
avi ez audience was present. Miss
Elizabeth McElroy of Miltford, Iowa, was the graduate and the main
share of the program fell to her lot. She played the organ Sonata of
Griegs polonaise by Chopin, Liszt's
Silver

Miss Mary Kifer easily won the
women's tennis championship of the
university in the finals played last
Friday for the university courts.
