Hawley Needs More Men --- Get Into the Game.

SOPHOMORES VICTORS IN FIERCE PUSHBALL SCRAP

Freshmen Come Back In Third Division With Two Goals In First Three Minutes of Play

With a visible loss of clothing, the bloodless battle staged on Iowa field was one of the fiercest pushball contests ever pulled off here. The sophomores won the first two divisions by the tune of 2 to 0, while the freshmen came out of a short third period with two goals to their credit. The first two conflicts were contested by twenty men from each class. These two battles were full of fight on the part of the sophomores and they were pushed to their limit by the plucky yearlings.

The third period was one-sided. The freshmen succeeded in pushing the big sphere across the goal twice in the first three minutes of play. They outnumbered the second year men by four to one. The sophomores had the freshmen bested in the science of the game but the vastness of the freshmen crowd was too much for the brains of the upperclassmen to overcome.

The first two contests lasted for ten minutes each with a ten minute intermission. The third period was called at the end of the second goal by the freshmen as the officials thought that that period would be a repetition of points in rapid succession by the freshmen. The sophomores easily had the advantage of the game in that they understood all points at question. They fought the first two periods with a spirit of "do or die" and at the end of each had the ball well in the freshmen's territory.

The excitement of the game and the contest of the battle were free from any injuries of serious nature. A few boys received minor scratches and bruises but there was nothing of the slightest nature to mar the pleasure of the afternoon.

The officials of the afternoon were "Dad" Schroeder and Nelson A. Kellogg. Schroeder was time keeper and starter and Kellogg was the official umpire to see that no underhand tactics were employed by either side. The field had been fenced off on the north side of the grounds and all onlookers were kept back of the track and the fence. This helped matters greatly and did away with many objectionable features of former contests. Mr. Kellogg deserves much credit for seeing that the grounds were properly fenced and policed to prevent the recurrence of these former ungentlemanly tactics.

ENGINEERS WILL ENTERTAIN MEN

Enthusiastic Reception to Be Given In the Engineering Building This Evening

This evening from seven to nine o'clock something more is to be doing in the engineering building. This time it is the annual reception of the faculty and upper classmen to the freshmen and new men on the teaching force of the college.

Time was when they held the reception in the students' room. It was pretty crowded with the cider barrels and the pretzel piles and the throng of students weaving in and out. But now they have to use the whole second floor of the applied science building. There are 213 engineers these days—an increase of about 33 1-3 per cent over last year—and they need increased room.

The receiving line will be formed in the dean's office and following a general period of getting acquainted special refreshments will be served. After the refreshments several toasts will be offered.

Dean Raymond, Dean of Men Ensign, and President Bowman will head the list of speakers. Members of the engineering faculty and several students of the upper classes will also talk.

SIGMA DELTA CHI

There will be a meeting of Sigma Delta Chi on Thursday evening. All members are requested to be present as there is important business to transact.

The members will meet in The Daily Iowan office at 7:00 sharp.

VOLUNTEER BAND

The student volunteer band will meet Wednesday at 5:00 for a half hour discussion under "Dad" Elliot. Close hall.

JOINT RECEPTION

The Irving-Erodelphian joint reception will be held next Thursday evening at Close hall. All new students are cordially invited to attend.

ZET RECEPTION

Zetagathian literary society will give a stag reception to all new men interested in literary society work Friday evening.

STUDENT DIRECTORY WILL BE OUT SOON

PLANS BEING MADE TO PUT OUT LIST OF STUDENTS SOME TIME NEXT WEEK

All Students Should Leave Addresses As Soon As Possible to Insure Correctness—University to Publish Booklet.

The students' directory will probably be out sometime next week. The university has taken over the publication of book this year and the matter will be compiled by the registrar's office and the publishing will be done through usual channels as the bulletins are.

To make the book as valuable as possible it is desired that the names of all students and all members of the faculties be included. October 2 is set as the last date when students can make changes in the data given at the time of registration.

An attempt was made to secure local addresses of all students at the time of registration but in some cases the persons had not as yet secured a permanent residence. All students who did not give addresses at that time or who have changed their addresses since should call at the registrar's office or telephone it making the correction.

The older students know the importance of this publication and have doubtless supplied the information. The registrar's office urges all new students to comply with the request at once so that the book may be complete in every way.

Y. M. C. A. THIS EVENING

A. J. Elliot, international secretary of the Y. M. C. A. will speak at the midweek meeting of the Y. M. C. A. this evening on "The College Quitter." G. O. Pierrel, the new association secretary, will preside. Guy V. Aldrich, state students secretary will also be present with Mr. Elliot. Special music has been provided. This is one of the big open meetings of the year and a cordial invitation is extended to all university men to be present.

IRVING RECEPTION

Irving institute will hold a reception and stag social for the new men of the university on Tuesday evening at eight o'clock. All new men are invited.

HAWKEYE NOTICE

All members of the Hawkeye club be at meeting in senate chamber, Old Capitol tonight at 7:30.

BANDMEN PICKED FOR COMING YEAR

Forty-Three Selected by Bandmaster Van Doren to Make Music for University

The band has been selected. Forty-three men have been given places on the cadet military band for the coming year by Bandmaster E. A. Van Doren. Tryouts have been going on ever since the beginning of school to select men in time for the football mass meetings.

The band will be out in full force as soon as called upon. They will make their first public appearance at the first meeting if held before the game Saturday. If not, they will be on hand to serenade the Normalites.

A good band is considered one of the requisites of a good athletic year and the men have decided to do their part in helping Iowa turn out winning teams.

The following men will compose the organization for the ensuing collegiate year:

Cornets: W. H. McFarland, K. G. Lybarger, F. Kreemenak, E. Shreves, R. A. Nettleton, E. Sloat and R. A. Van Pelt.

Clarinets: M. V. Smid, G. M. Snyder, H. C. Ross, E. Smith, H. Weis, R. C. Geise, D. Reinwald, L. D. Jackson, W. W. Townsend, W. E. Voreck, and F. H. Gurney.

Piccolo: E. W. Howard.

Saxophones: R. W. Barstow and J. M. Jensen.

Horns: W. Lorenz, R. E. Tate, L. Minger and W. Connell.

Trombones: R. Hohmann, J. Pfiffner, P. Weller, O. Quist, E. W. Parks, and R. E. Albright.

Baritones: F. Wilson and L. L. Snyder.

Basses: F. M. Stokes, C. Huber, F. S. Yetter and A. D. Albright.

Drums: W. Cahill, A. Peterson, L. A. White and W. Yeager.

Drum Major: George Taylor.

RECEPTION TO FRESHMEN

Invitations are out for the Hep-Zet reception for freshmen. All first year students are invited. All may not have received invitations yet owing to the fact that the addresses of all are not yet known but the committee invites one and all to have a good time. The time is Wednesday evening at 8 o'clock and the place is Close hall.

ATHELNEY MEETING

There will be a meeting of Athelney Wednesday evening at 7 o'clock. Every member is urged to be present as important business is to be considered.

LIVE WIRES START STAR WORK AGAIN

HAWKEYE CLUB IS REVIVED LAST EVENING AND READY TO BOOST FOOTBALL

Pat Meloy is Elected President for Coming Year—Coach Hawley Tells of the Football Needs of the Season.

Do something for Iowa! That was the slogan adopted at the first meeting of the Hawkeye club last evening. A large number of live wires were out and started the ball rolling for the coming season. Pat Meloy was elected president of the organization and Dr. Fenton of the college of dentistry was elected secretary.

Coach Hawley was present and addressed the men on the needs of the football team. He says that there are several men in the university who should be out for football. Committees were appointed to get these men out, and any more that know the game. There is a dearth of material in certain parts of the squad and these must be filled before the week is over.

More men reported at the initial meeting last evening and it is the hope of Hawley and assistants to get more of the influential men of the university to attend these meetings. Another meeting will be held this evening at 7:30 in the Old Capitol when more plans will be formulated and started by the various sub-committees in charge.

GLEE CLUB ELECTS OFFICERS FOR YEAR

Swisher Heads Musical Organization —Director to Be Chosen Later

The university men's glee club started business for the year by electing officers last Monday evening. Following were the men chosen: President, A. I. Swisher; Vice-president, Joseph Bellamy; Secretary-treasurer, John T. Hanna; Librarian, Forest A. Richards.

The director for the club has not yet been chosen, but will probably be named within a few days. With the increased enrollment and the large number of possible good voices among the freshmen, prospects are encouraging for selecting a body of representative singers for the season of 1913-14.

JUNIOR COMMITTEE MEETING

The junior committee of the Y. W. C. A. will meet in the L. A. drawing-room at 12:45 Wednesday.

Give the Daily Iowan your support. We will in return support you.

MEN GET OUT

Where are the men who should be on the varsity line to give it the weight to stand against the other Big Nine teams? They are in the university but they are not on the football field learning from Coach Hawley and his assistants how to roll up a score against Chicago on the 18th.

Hawley has sent out a call for more men. These men should come out. They should come out at once. Iowa is going up against a strong schedule. When the team is defeated the student body knocks the team and the very men that should be out fighting for their alma mater are the hardest knockers in some cases.

The men should get out at once. Every day means a weaker team for Iowa. Every day that you big men put off coming out, you fall just that much from getting into the kind of condition that you might have been if you had come out earlier. You see the point. Get out this afternoon.

ABOUT LITERARY SOCIETIES

This week the literary societies are entertaining the freshmen. Each society is giving a reception for the new men and women. All students interested in literary society work ought to join a literary society. There are four ladies' societies and three for the men.

The last reception will occur on Friday evening and during this week all societies will lay their claims before the new students.

fore the new students. All students should see each of the societies and think the matter over carefully before joining any one. They should remember that to join once is to join for the rest of their college life.

FRATERNITIES AND SORORITIES

In order that The Daily Iowan may truly represent each organization, we are asking every fraternity and sorority in the university to appoint one of its members to take charge of this work. Within the next two or three days The Daily Iowan will endeavor to get the names of the persons appointed to represent each organization. Please co-operate with us.

PSYCHOLOGY COURSE

PROVING POPULAR

270 Taking Elementary Course—Advanced Work Attracting Many

The success and popularity of the course in psychology offered here is best shown by the large increase in the number taking the course this year. Already there are 270 students enrolled for the elementary course, which indicates an increase of nearly one hundred already. It is anticipated that before the registration is completed the course will show three hundred. Two-thirds of this number taking the elementary work are sophomores.

Owing to the graduation of a large number of graduate students there is a dearth of assistants in this department. At present the work of handling the large number of elementary students is falling upon the shoulders of Prof. Seashore and Dr. Williams. The advanced work in psychology is attracting a good many students. The laboratory course is well filled.

GILBERT IN HARPER'S

OTHER COLLEGES

Missouri is going to reserve roped-off spaces for those who wish to watch the games from their automobiles.

Word has been given out from the university of Oklahoma that there are a hundred more students enrolled here than last year.

The success of the first "Varsity welcome" at Wisconsin university, which was attended by about 4000 students will probably go to make the institution an annual event.

David R. Boyd, president of the university of New Mexico, and former president of Oklahoma university visited during a visit to the university

that he saw a vast improvement there.

The archeological museum of the university of Colorado has just received a valuable collection of relics from the ruins of the cave dwellers of Colorado. Among the remains is a skull which appears to have been cut by a battle-ax.

At the university of Colorado plans have been completed for alumni day, which is to be October 11. The meeting of the alumni senate will be held in the morning, and in the afternoon there is to be a football game between the varsity and the alumni stars. In the evening the regular dinner will be held, but this year it has been planned to substitute vaudeville stunts in place of the usual toasts.

HAWLEY WANTS MEN TO FILL THE LINE

URGENT CALL SENT OUT FOR
TWO HUNDRED POUNDERS
TO HOLD OPPOSING BACKS

Varsity Scored on Freshman Last Evening Who Are Weak So Far—
Good Tackling Done by Linemen On Yearlings.

WANTED: About four men weighing in the neighborhood of 190 to 200 pounds to fill positions on the 1913 football eleven. Apply in person to Coach Hawley any day this week. Featherweights save shoe leather.

A most urgent call has gone forth from the Hawkeye coaching headquarters for more men, big men, men possessing muscle and brawn. The Hawkeye line as at present constituted is too light to withstand the terrific line plunges of some of the conference backs. The coaches have been aware of this state of affairs since the opening of the season and it is with a view of remedying the present unsatisfactory conditions that this call is issued.

A fast and furious scrimmage was waged by the football prospects yesterday. Coach Hawley called forth his first and second teams into action against the freshmen and the scrap for the doubtful positions on the varsity was one worth viewing. The varsity had no trouble and scored with wild abandon. This, however, must not be taken as evidence that the Hawkeyes are in mid-season form, but rather as an indication of weakness upon the part of the 1917 representatives. Upon the other hand the freshmen also formed the scoring habit, the yearlings placing the oval behind the varsity goal posts on two separate occasions.

In the absence of Garrison, who was a trifle under the weather, Penningroth appeared at right half back where he gave a stellar exhibition. Gross was given a trial at quarter and electrified the rooters frequently by his open field running and dodging tactics. As a matter of fact, the entire back field gave evidence to the rooters that it will play a big part in the victory of the eleven this season.

The coaches were much pleased last evening with the work of the linemen as regards charging and tackling. Many times the freshmen runners were nailed in their tracks for a loss. It is upon these two points that the first line of defense has hitherto proved below standard and the improvement in form is pleasing to both rooters and coaches.

**STEINDEL TRIO
NOW ON PROGRAM**

Dean Raymond Obtains Noted Musicians for Y. M. C. A. Entertainment Course

Prof. W. G. Raymond, dean of the college of applied science has booked the Steindel Trio for an entertainment here for the Y. M. C. A. musicals.

The newly announced trio includes Brun Steindel, who is the famous violin cellist of the Theodore Thomas orchestra, an organization known all over the world; Albin Steindel, violinist and accompanist, and Mr. Kirk Towns, baritone, will be heard in the natural science hall, Thursday evening an open date. Mr. Raymond an open date and Mr. Raymond was asked to include them in the Y. M. C. A. series. The series being already completed, Mr. Raymond decided to engage their artists for an extra number. Exchange checks, good for 25 cents will be added to the regular season tickets to the Y. M. C. A. course which will be issued in a few days.

The course as a whole this year is promised to be the strongest yet given. It includes the famous American baritone, Charles W. Clarke, Christine Miller, contralto and Frances Alda, prima donna soprano of the Metropolitan opera house, assisted by Gutina Casini cellist.

The advisory board feels that it has secured the strongest series that it has yet given and is anticipating the largest audiences it has ever had.

Y. W. C. A. MEETING

Wednesday evening from seven to eight the regular Young Woman's Christian association meeting will be held in Irving hall at Close hall.

The program will be a very interesting one and all the women of the university are urged to attend. Miss Barr will give a short talk and she has chosen the very interesting topic "The Bugle Call" as her subject. There will also be music by the chorus choir and a solo, "The Cares of Yesterday" by Edna Novak.

New Suits, Coats, Dresses Hundreds of the fashionable models are right here for you now. We are away ahead on Sales; there is a reason---
The Quality, the Assortment— Goods at Saving Prices!

JUNIOR DENTS ELECT

The junior dental class held a spirited election and the following officers for the coming year were chosen: President, George Wandell, Pine City, Minn.; Vice-president, F. J. Hospers, Orange City; Secretary, P. L. Garzee, Winona; Treasurer, S. T. May, Willow Lake, S. D.; Class representative, Lloyd Osborne, Valley Junction; Hawkeye editor, Harry Fields, Marathon; Hawkeye manager, Walter Cardell, Perry.

STAFF AND CIRCLE INITIATES

Initiation ceremonies for the members of the Staff and Circle, the senior girls honorary society, were held last Thursday evening at Currier hall. Miss Klingenhagen entertained the new members at dinner after which they were initiated. Those who entered the society were: Ruth Gundersen, Eloise Brainerd, Macetta Browning, Beulah Elliot, Elsie Snavely, Buda Keller, Doris Lake, Blanche Bishop, Carolyn Newcomb, Pearl Martin, Esther Paulus, and Lucile Warner.

CHORAL SOCIETY REHEARSAL

The first rehearsal of the choral society on the music of the opera Pinafore in the school of music last night was gratifying in every particular. About sixty were present, and all took hold of the score and sang enthusiastically the splendid lyrics. The men responded remarkably well to the first call for volunteers, and as there are many men's choruses, they are given a good opportunity to stand out in the ensemble numbers. A few more places are open to both men and women, and it is thought that they will be filled by next time. Next rehearsal will be Tuesday evening, Oct. 7.

PANDEAN PLAYERS' TRYOUT

At a meeting Monday evening the Pandean Players made preliminary arrangements for the annual tryout which will occur soon in the natural science auditorium. The date has not been set, but the event will take place in the near future. However a meeting of those deciding to try out will be held in room 14 L. A. next Monday afternoon at 4:30 to receive instructions.

There are vacancies for quite a few this year. The membership is decided upon merit so that everyone has an equal chance to get in. The success of the play which this dramatic club put on last year gives assurance of something equally promising this season.

A Wireless to You
