BREEZES FROM GENOVA
AT Y. W. C. A. THIS EVENING
Girls Will Tell of Lake Geneva Conference at Regular Mid-Week Meeting.

"Breezes from Genoaa" will be the topic at the regular Y. W. C. A. meeting this evening. This will be a very interesting one, as eight girls who were at Lake Geneva last summer will be there two short months later. They will give their impressions of the conference. The girls who will speak are: Ruth Gunderson, Emma Blythe, Marcella Browning, Anna Habermeil, Verna Marshall, Elise Braisted, Elizabeth Bennett, and Clare Barns. All girls are cordially invited to attend.

WORTH EXTRA THINKING
Kinetics hundred and eighty-five students in 1911, 2145 in 1912, and 2823 in 1913. These figures make for good teaching. The university is "going," which means that scholarship and good fellowship and athletics are "going," too. If students and faculty keep on feeling as they do today, the figures for 1916 will not be less than 2000.

In numbers is not all of our progress. A spirit of freedom without lawlessness and a spirit of oneness all over the university have also made as much advance as the registration figures. Here is in essence a suggestion which The Iowan would make.—University sentiment generally is against smoking on the campus. Especially is it against smoking about entrances of buildings. Offenders are comparatively few and not out of respect for the many, the few should do some serious thinking and do it at once. The right sort of thoughtfulness on such subjects is the thing which will bring about a genuine system of student self-government in the university.

SALE OF TICKETS POOR.
Manager Kellogg reports that the sale of year tickets has reached but nine hundred this year and that the board is very desirous of running the number up to one thousand. Practically every student in the colleges of dentistry and engineering have purchased tickets while on the other hand the sales in liberal arts is very slack.

The price has been reduced to $4.75 and will not be further reduced during the fall. For this reason it is advantageous to every one who has not already provided himself with a year ticket to do so at once as the number of games is constantly decreasing. Every student should support athletics at Iowa. The way to support the teams is to buy a ticket now. Buy one today.

UNIVERSITY LIBRARY RECEIVES
COPIES OF DRAMATICAL
REVIEW EACH WEEK

Bulletin Is Published by Committee
In Chicago—Critiques All New
Plays Worth of Note—Author
Will Be Mentioned.

The university library is now re-
ceiving the bulletin of thePlaying
Committee of the Dramatic Union
of Chicago. It is the purpose of
this committee to report good
plays, this official statement of
the dramatic union being entirely
independent of any critical influ-
ence. The fact that a bulletin is
sent out on a play indicates that
because of its artistic merit or the
timely and vital nature of its appeal
the committee deems it worthy of
support.

Any information of interest,
guarding the author of the play is
given. The theatre in which the
play is presented is noted with ad-
ditional information as to earlier performances
and actors. There is also a short
synopsis, describing the theme or
plot, and the character of appeal.
Particular note is also made of the
actions in the performance in which
the bulletin is calling attention.

The latest number of this bulletin
will be posted in the bulletin box
outside of the main entrance in
the reading room of the library.
All who are keeping abreast of the
times on the subject of modern
plays will be especially interested in
these official, unbiased statements in re-
gard to new plays and their perfor-
manccs. The new reports of plays will
be posted every week in the univer-
sity library.

Students of the college of agri-
culture at Missouri won ninety per
cent of the prizes in judging con-
tests at the state fair last week. The
head of cattle were exhibited by the
university, every one of which won
a first prize and three were cham-
ions of their breed and one was
grand champion of the fair.
