ASSOCIATED STUDENTS HOLD FIRST MEETING

The Associated Students of the University held the first meeting of the year last evening. The old time pep talk was much in evidence, and from all the ideas on foot, one could guess that it is going to make more of a show this season than on the landscape over than before.

A committee of three, consisting of Dr. J. L. Erck, chairman, and Messrs. Harkins and Nystedt, of the men's head football and basketball teams, have been appointed to investigate the possibility of securing a stream of football and basketball games at the University.

We are wondering if there is a structuralism in the usually un-noted the littered appearance of the campus. Band hills, old papers, clean, noisy places are particularly not in. Any person who has a sense of tidiness or an eye for order should be careful about throwing away wash paper. We realize that this is the time when hand-hills are being heaped out to the student body nearly every hour of the day. We notice many students taking this hill, not all, but a great number, and these thoughtlessly casting aside. It would show thoughtfulness to carry the hand hills home and throw there in the waste basket and keep them in the places provided by the city.

CROSS COUNTRY MEN
SHOWING UP WELL

Trinities for Texas to be held Sat-

ing Great Interest

Under the systematic drilling of
Watson and the able guidance of
Capt. Summer the cross country
team is making a splendid showing.

Greater interest is being taken in
cross country this year than ever
especially by the freshmen who are
showing up exceptionally well.

Of the old men, Capt. Summer,
Brucken, Maher, Jones, Mek, Lew-
is, Hilt, and Stoule are out again
to better shape than ever. Summer,
last year's star, bids fair to retain
his well earned trophies as well as
his present dignity of captain of the
team.

not however affect Capt. Summer's
confidence and the team, inhibited
his optimism, is putting forth its
best efforts in the hope of coming
back with a goodly number of first

FLORENCE LAWRENCE

Queen of the Movies

Appearing for the first time since her return from Europe, in the Picture Supreme

"The Closed Door"

Florence Lawrence has come back. Not only has she come back, but stronger and better than when she deserted the Screen. Her year’s rest from work shows in the
opening scenes. Here is the old time enthusiasm, the snap and go which we now see have in the past placed Miss Lawrence in a class by herself. There’s no one just like
her. If you personally like your Women sedate, dignified, you will fail in love with her near ten-year-away ways just the same. The long-time Screen favorite is fortunate indeed in the story, in the interpretation of which she makes her re-entrance to the hearts of pic-
ture lovers. Throughout the two reels the picture holds. The first one interests and
entertains, and at times amuses, but the second grips.
