FLORENCE LAWRENCE "Queen of the Movies"

Appearing for the first time since her return from Europe, in the Picture Supreme "The Closed Door"

In Two Parts

Florence Lawrence has come back. Not only has she come back, but stronger and better than when she deserted the Screen. Her year's rest from work shows in the opening scenes. Here is the old time enthusiasm, the snap and go which we now see have in the past placed Lawrence in a class by herself. This is not a picture like her. If you personally like your Woman sedate, dignified, you will fall in love with her new tom-bowery-ways just the same. The long-time Screen favorite is fortunate indeed in the story in the interpretation of which she makes her reentrance to the hearts of picture lovers. Throughout the two reels the picture holds. The first one interests and entertains, and at times amuses, but the second grips.

You owe it to yourself and family to see This Picture

CROSS COUNTRY SQUAD TRAVELS OVER COURSE.

Ground Gatters are Rapidly Forming Into Shape for Conference Title

Captain Finner led the cross country squad the full length of the course yesterday evening. The speed is being increased daily to prepare for the try-outs soon. Although many of the men showed some stiffness but a few of them were kept off. Finner was in the best of running trim in Jones and Mack as close seconds. An over abundant supply of pop and seltzer was the cause of the stiffness in the majority of the men, but consistent practice and careful training will eradicate this inequality. The confines of the air yesterday was an added stimulus to workout. As steady consistent workout always wins Captain Finner emphasized the necessity of every man turning out each night. The try-outs will be held on the three consecutive Saturdays beginning October 12th.
