YEARLY SHOWING UP AGAINST VASTARY TEAM

TEAM AND JIMMIE AT MASS MEETING

SEND OFF GIVEN FOR NORTH WRESTLING GAME AT 7:00 TONIGHT THIS EVENING

Jimmie Barry Will Be Present--Grode Club Will Sing--Hawkeye Club Wants All to Know Iowa Songs.

The Hawkeye club has departed from the straight path and from the signs of conventionality and promise to have a roaring mass meeting this evening at seve. According to facts received from parties in charge the meeting will be known as "Jimmie's Mass Meeting." Jimmie Barry, the uniform guardian of Iowa field will on hand and will assist in the carrying of the grading warriers.

Another thing will be attempted this evening. The men's club this will be present and will sing a few songs. These songs will be of several kinds including Iowa songs. The members of the Hawkeye club see a deficiency in the singing ability of the Iowa roosters and have decided to give them a training in singing as well as wrestling.

Talks will be given by various members of the team, coaching staff and other university men. The program will be directed by Jimmie Barry who always boosts Iowa and her football team. It is of the utmost importance that the student body turn out in large numbers to protect theIowa troops.

CLOSHE HALL SCENE--Y. W. C. A. FESTIVITIES

Enjoyable Music and Planning Toward Program are Features of the Annual Banquet

The recognition service of Y. W. C. A. at Close hall last night was one of the most beautiful and impressive ceremonies ever held at the University of Iowa. The new members were informally met by the older girls and received into the association. A very pretty and impressive ceremony was one of the features.

Following this ceremony came the banquet in Irving hall at 7 o'clock. This was attended by over two hundred girls of the association. An old member brought in a new one. Those who gave the toast sat at a separate table on the platform across the center of the room and the other three tables were occupied by the other members of the association. Lenore Ryan was toast mistress. The toast, taken from the subjects of pictures, was as follows:

"The Statius"--Marie Pickering,
"The Poet"--H.W. Pratt of Hopkins--Rockwood,
"The Arts of Innocence"--Jeanette Magee,
"The Ship at Sea"--Addie Harrington--Miss Allie King,
"A Taste of the Blues"--Bertha Elizabeth,
"The Tapestry Weavers"--Miss Louise Bari.

These toaststers were provided as a means of advertising the big event of the evening and the new fashions of the season. This toast was the first to be given.

The color scheme was dark blue and white. The older girls were dressecl with stripes of blue crepe paper, with autumn leaves scattered over it. At each place a candle was placed. The boys' high school club although the wires were cut a few hours off the press.

I. A. FRESHERM ARE PLANNING A BIG DAY

Will Probably Stage Pageant Before Halves of Games--Other Things Planned

The liberal arts freshmen are making elaborate preparations for the stunt which they are to stage between the halves of the Ames game.

A meeting mass meeting was held last evening in the liberal arts auditorium and arrangements were made to take care of and consider ideas which may be proposed. These ideas are to be formulated by the members of the class themselves, and if they are retained an emphasis will be placed on the fact that there is something going on which will be for the best interests of the university and they are making every effort to help along with the work.

Arrangements are being made for a variety program at the University union on November 1st. It is now planned to have the constitution of the organization completed before the meeting. The program will be determined at the dinner. It is probable that the situation will take place at tire same time. In order that more time will be available for the consideration of the questions there will be kept both by one formal speech, instead of a long program.

STUDENT DIRECTORY TO APPEAR IN SHORT TIME

Every Effort Is Being Made to Have Perfect Book--Many More Students

Work is progressing on the student directory. At the present time much of the information has been supplied and Professor Hopkins hopes to have it in the press soon if the weather holds. Next week there are several hundred more students this year than last and the tabulating of the information takes much time.

The work is being done thoroughlly in order that there will be as few mistakes as possible. Many of the students have been given in giving the desired information and this has also made the work of the compilers somewhat more difficult.

BOLD WEEKLY LUNCHEONS

Just as soon as the new Jefferson hotel is opened the University of Iowa will hold weekly lunchrooms. It is anticipated that these weekly meals will prove a good test to the new location. They will hold their initial session on November 22.

IOWA UNION COMMITTEE PUTTING IN GOOD WORK

ARRANGEMENTS MADE FOR IOWA UNION DINNER ON NOV. 1ST IN ARMORY

Piero Bongi, Riso, held to팻e lities in Argyle for All Members of University--Theatre to Be Opened This Evening

The work of the committee promoting the Iowa Union is going on without a hitch. The permanent committee appointed for membership in getting in every minute of their time the students liked it and it got an extra propension. Thus far there has been nothing but success for them. Many men have heard and thought of the subject are now making up the fact that there is something going on which will be for the best interests of the university and they are making every effort to help along with the work.

DEBATE LEAGUE FULL

For COMING SEASON

Exceptionally Good Showing Made By High Schools In Work This Fall

No more high schools will enter the high school debating leagues this year. So many schools from the northwest district especially, that it was impossible for the leagues to handle them and admission was therefore closed.

Enrollment for the year is forty schools, twelve more than for 1912, making an exceptionally good showing for the league, and prospects are good for a strong series of debates this season.

The booklet of the league has been issued, as was recently announced, and already numbers of imper to worth are being circulated.

SIGMA DELTA CHI

There will be a total meeting of the Sigma Delta Chi fraternity at the office of The Daily Iowan immediately after the football mass meeting this evening. Every member of the fraternity is present as this is an important matter to discuss.

YEARLININGS SHOWING UP
AGAINST VARSITY TEAM

(Continued from page 1)

A clash, the Purdue will have no trouble in winning its first victory of the conference race. Iowa cannot afford to play below the form exhibited in last Saturday's game if it is to meet the standards of Old Gold.

The Iowa system has been constantly limiting that no games for overindulgence can be made in the Camp of the Hawkeyes. Coach Hawkeye's team, which was wrecked in last Saturday's game if the kind of victory is to be perch on the standards of Old Gold.

The Iowa Men have been continually warning the Hawkeyes to play their best. The Hawkeyes, who lost to the Buckeyes 27-0, were much interested in the work and practice is expected over the story appearing in yesterday's edition of the Chicago Record. In the reports the Iowa Men are taking a great deal of interest in the game and practice is progressing in a highly satisfactory manner.

Directors Schoenfeld and Assistant Swaim are in charge of the lines.

IOWA NORTHERN GAME
BY TELEPHONE SATURDAY

Plays to be Repeated as Fast as They Occur and Staged in Auditorium

Following the usual custom, Manager Kelling has secured telephone communication with Northwestern Field and will send in the reports of the game with Northwestern Saturday.

The game will commence at 2:30 and the first reports will be received almost immediately.

This form of communication has proven very successful in the past and is very popular with the Hawkeye loyalists. Nearly two thousand students watched the game with Chicago as played on the chart in the Natural Science auditorium last Saturday and indications point to a still larger attendance next Saturday.

The precision with which the plays are received is regarded as nothing short of marvelous considering the distance—about two hundred and fifty miles—over which they are sent. The telephone is located behind the stage in the auditorium. The operator repeats the plays to a typewriter and they are then read to the assembled visitors.

Presidents of the University of Wisconsin took the train most from the Sophomore Saturday by the special of 4 to 4:40.

BASKETBALL SOON TO BE SCHEDULED

Good Material Being Shown Up In Daily Practice Games at Armory

Director Schneider expects to have the schedule of interdepartmental basketball games finished some time next week. Considerable interest has been shown in this phase of athletics in past years and all indications point to even greater enthusiasm this season. All games have been classically contested in the past and the winning team has always had a sure struggle to obtain first honors.

The gym is even now in a condition at which the activity every afternoon. Large numbers of men are taking their speed and skill by engaging in rough and tumble games in which the chief object seems to be to wear the ball from an opponent. Nevertheless great skill in throwing the ball, good speed, and nimbleness are being shown and the spirit of the different departments are rising accordingly. These practice games are preparing a good amount of material for the coming struggles in the department's games and also for the varsity squad next year.

Owing to an increased registration in all colleges, there will be more and better material from which to select the squads. The teams of different colleges have a chance to form the appearance of an easy one. He is very optimistic, however, and looks forward with pleasure to the winter games.

IOWA UNION COMMITTEE
PUTTING IN GOOD WORK

(Continued from page 1)

This will eliminate the possibility of carrying the event into the late hours of the night.

Just as with the arrangements to be made, it is planned to hold all university parties in the armory. The members of the Union will be charged with fifty cents in order that all expenses can be met. Minors and smokers will be held just as sure things are organized.

The committee is exerting effort to establish quarters in the old Iowa Union building just as soon as they can. Plans laid thus far seem to point at attracting a class rather than an individual. Under ordinary conditions individuals...
