Committee in Preparing Rooms at Present Times-Meeting of Members to Be Held at N. E. Auditorium This Evening

The Iowa Club has at last located suitable quarters and issued them for the use of its members. They are expected to be ready by the first of next month, and at least in time to have a social evening on Wednesday, December 17.

The rooms are located over the building on Iowa Avenue which is being erected for the Iowa Club, and have been cleaned and made up with many splendid features. They are large, being forty feet by one hundred, the ceiling a high two story, the walls paneled in oak, and the windows and doors of mahogany. There is a fine light, and the room is cooled by a ventilating and light and a convenient arrangement. It will be possible to have dining facilities, a reading room, living room, and so on, as many as may be needed, and these will accommodate the members for the present until better quarters can be obtained.

At a meeting of the board of directors the executive committee, and the students association, it was decided to rent these rooms.

The committee of Furrman, as chairman, R. E. Hinnant, D. D. Darling, and Farrell, was appointed on this committee.

Edward Pope and Don E. H. Allen will be in charge of the preparations.

OFFICERS ELECTED BY WRESTLING CLUB Hoblet Choice for President—Prove the Schedule Completed—More Men Wanted At a meeting of the wrestling club at which twenty-five members were present, Oscar Hoblet was elected president. Ralph Cockshott was made vice-president and Lou Glen was selected as secretary. A membership committee consisting of one man from each college was appointed by the president to take charge of all new members and prospective members. The purpose of the committee is to increase the membership of the club and successfully interest in wrestling. The men chosen were Hotel, pharmacy; Cockshott, law; Hardman, dentistry; Myers, engineering; and Gies, medicine. The hours of practice were set at Monday 5:15 to 6:00, Tuesday 7:15 to 8:15, Saturday 4:30 and Saturday morning at 9:30. The old rule that the officers must be chosen in the fall was changed to spring because of the fact that the men know each other better and are consequently better able to make a wise choice. The hours scheduled for practice apply only to those who desire to learn the art of wrestling. The candidates can appear at any time and sign Director Schroeder ready to help them. According to the rules, the members in the past all freshmen winning the championship of any of the different weights are entitled to a freshman championship on the varsity team will receive due recognition. Any one desiring to turn out for wrestling practice can do so by applying to Director Schroeder at his office in the armory.

Michigan is discussing the feasibility of discontinuing the course in embalming which is a part of the curriculum of the summer session at that institution. Only three students were enrolled in the course last summer.
