Iowa Union Launches Campaign

FOR ONE THOUSAND MEMBERS

Men of University Start Out to Do Things—May Take Entire Building—State Wide Campaign Urged

The Iowa Union is to make an at- tempt to raise funds for the repair of the entire Brunswiek, bakery, boarding room, barber shop, and club rooms upstairs, and to this end the largest meeting of members yet held took place last ev- ening in the natural science auditor- ium.

The board of directors met yester- day noon at the Hotel Jefferson and took action to start a drive and business men of the city speak to them upon the advisability of this step. All present were thoroughly in favor of the plan and the chairman of the finance committee said the proportion was offered the directors it was decided that if the necessary financial backing could be secured the work would be proceeded with.

At the meeting last evening Presi- dent Meloy reported that the board had looked for rooms, that they had tried the old buildings which have been used by the former Iowa uni- versity, and that it was felt that it was desirable in many respects. At last the present building was talked of, and those present desired to offer this ad- vantage for the present, al- though in a short time they may not be all suitable. At the same time they found, that the Brunswick barber shop, billiard room, and bowling alley was offered for sale, that it is the custom at the university when a house is rented, to rent it as a residence to the present owners who wish to get it or on their hands. Of course certain condi- tions were to be met in order to pur- chase the structure, but at present it may be had. As soon as they find a house which they think can be done over, they will make a note that can be heard over the entire student body.

As a committee is to be announced to-day that will prepare for a mixer and smoker that will be held in the club rooms some time next week, Wednesday night if possible. Every student in the university is invited to be present and become acquainted with the idea of the Iowa Union.

It was made known that a booth has been engaged in every city of this state, and that the students in every city have been asked to buy certain numbers of tickets, and that the proceeds will be used for the advancement of the union.

The committee has been directed to make a statement that will be printed in the Iowa News and the Iowa Daily.
