COMIC OPERA IS WELL RECEIVED BY APPLAUDING AUDIENCE AT LOCAL THEATRE

Professor Lenox and Maxell1read as able toil had been the leading cho- ris' parts upheld by Nicky Meyer as the renounced Bauscher, Charlotte Loevand as the captain's daughter, Josephine, and Margarette Bell as Hebe.

Special secuity for the production was prepared by Harry S. Gerhart, who was stage manager for the produc-

Four sets were held on the corner desk and bridge of a British man-on-ship for part of the 19th century. This was painted in a red and black color by Professor Gerhart, giving the audience a glimpse of an era one can see from the stage.

Much work was done by the chores who had a large part to play in the success of the production. The singers, costs, and seats of the lord high admiral made up the ladies chores while the sailors took the men's parts.

The orchestra rehearsed the music for the occasion.

A well built hotel greets the open chairs and the audience mañana reached the fourth floor and saw the room, and was the only �4 being generally commented upon.

The orchestra's well known strains were heard throughout the hotel.

The opera was staged under the direction of Professor Gustav Schel- dir while Blue Nuna Barlina di-

ected the stage action. Professor C. H. Wellor is also entitled to much credit for handing the work to the orchestra for his effec-

**COMPOUN CLUB MEETS**

The first regular meeting of the Compoun club was held last night in the engineering building. An enthusiastic bunch of last year's members were present with many ideas and suggestions for the advancement of social and technical activities in the college. Committees were appointed to carry out the different activities of the organization.

Among other actions taken at the meeting last evening was the adoption of a special resolution favoring the moving of the engineering library from the hall of natural science to the engineering building. The club extends a special invitation to freshmen and others interested in technical work to attend the meetings, which are held every Thursday night.

**DELEGATES TO PICNIC**

**HIGH SCHOOL BASKET BALL TEAM ANNOUNCES SCHEDULE**

Local Scholastic Basket Ball Team Has Great Outlook for Present Season

Principal Meurdy of the Iowa City high school has announced a tentative schedule for the scholastic basketball games for this winter. Two games with Delaware have not been secured for certain but there is little question but what they will take place. The schedule will be added later on and the schedule on the whole is an excellent one, affording the local team an opportunity of developing its present and the coming season.

The local five is fast running its first shape and the present team would seem to indicate that Iowa City high will have one of the best teams seen on the gymnasium floor in a long time.

The schedule follows:

Jan. 16—Davenport, there.
Jan. 21—Cedar Rapids, here.
Feb. 3—Cedar Rapids, there.
Feb. 11—Davenport, here.
March 7—Clinton, here.

PRESIDENT BOWMAN GIVES
AN HONORARY DEGREE
There is a persistent rumor around the campus that the university has conferred the honorary degree of L. L. D. upon President Bowman. The report has not been confirmed from the president's office, but there is no doubt to the authenticity of the statement.

ALL CHURCH MIKE
Almost every Protestant student in the university will be at the Methodist church tomorrow evening at the big unusual social. The fast is an annual get-together and is in the nature of a Christmas celebration for the students of the different denominations before they leave for the holiday recess. This includes not only the members of the Young People societies of the Methodist, Presbyterian, Congregational, Christian, Baptist, and Lutheran churches but their friends as well. They will be there single and double, to enjoy good food and to have a ball. The spirit of the Christmas festivity is especially invited. It will begin promptly at 6 o'clock; admission is free and a prize will be given to the one bringing the cheapest present.

A full line of gym and basket being shown at interest and sale.

Basketball (beginning) — 2:30 Wednesday.
Basketball (advanced) — 1:30 Wednesday.
Regular practice will be held once a week in a gymnasium.

The teams have been picked, a practice schedule will be arranged to meet the demands of the students. This is the first time that the planning has been done by arranging practice hours in the evening.

The freshmen succeeded in answering the most points in the handball swimming meet at the university of Illinois last week.

LIST OF ENTRANCE SUBJECTS INCREASED
It was decided at the last faculty meeting to add two subjects to the list of entrance requirements. Hereafter on-half unit will be allowed for another, for music or art, and geography. While only a few schools give courses of high school grades in these branches these are among the most large cities and maintain a high standard of instruction.

ALPHA XI DELTA INITIATES
Alpha Xi Delta initiated at the chapter house on North Johnson Street Saturday when the following girls became members of that sorority: Helen H. Lottin, Laurence M. Coover, Iowa City; Merle N. Smith, Tampico, Ill.; Florence McCullough, Iowa City; Elizabeth Springer, Wapello, and Lucille McWhorter, Iowa City. Gladys Scherlin of Dubuque has been pledged.

Leila and Raymond Beaucer of Reinbeck are pledged to Delta Chi. Gladys Scherlin of Dubuque is pledged to Alpha Xi Delta.

Company captains at Sedgewick will be required to escort a lady to the military ball, while duty it will be to act as escort for the "company which the captain commands."

The office also extends until the spring when she will present the captain with the salute which the men of his company give him. It has been suggested that applications for the position be submitted at the office of the commandant with a picture of the applicant and the name of the company.
INTERSCHOLASTIC GYM MEET TO BE HELD HERE

Formerly Held at Cedar Falls—Four Schools Were Represented Last Year

This year Iowa will have the interscholastic gymnastic meet which was formerly held at the State Normal School. The representatives will most probably meet here some time in January to decide the form of exercises to be held. There will be at least five schools participating this year.

For the last three years the event has been held at Cedar Falls but it is the decision of Professor A. G. Smith to bring it here. The title has not been definitely set but it is very likely that the event will occur in March. Last year the Iowa team after only one month of preparation took several hours with the quality of material that has already turned out for practice and with the much longer time at the disposal of the teams. This year Iowa's chances are very good considering the schools participating last year were State Normal, Luther, Grinnell, and Iowa. Cornell and Skidmore will probably be added this year. Panton, Herman, Bourke and Garber comprise the team which will represent the university at the meet.

SOPHONENS WILL ATTEND NO DANCERS AT PARTY

These in charge of the freshman party are leaving special effort upon the entertainment which they will provide for the members of the class who do not desire to attend a special committee has been appointed to make arrangements for amusement for the non-dancers. The members of that committee are: Herbert Bublitz, Assistant Dean; A. W. White, Alpha Sigma; G. F. Janzen, Beta Alpha; and W. H. Nott, Gamma Sigma.
