IOWA AGAIN HEADS THE DEBATE CIRCUIT

TOTAL OF TEN WON AND SIX LOST—MINNESOTA SECOND WITH NINE WON

This is Last Year of League But Will Probably Be Renewed—Nebraska, Illinois and Wisconsin Follow With in order with eight, seven and six

Iowa once more leads the Central Debate Circuit, with a total of ten debates won, and only six lost. Minnesota is second with nine, and Nebraska, Illinois and Wisconsin follow in order with eight, sevent and six debates each.

Wisconsin and Nebraska won both their two debates, Illinois and Minnesota lost theirs, and Iowa lost one and won the other. Wisconsin took all six decisions, Nebraska five out of a possible six, Iowa got two, and Illinois and Minnesota one each.

This is the last year of the league, but it is hoped to renew it, as it has proved quite satisfactory to all the members, and there is every prospect of continuing it.

Y. W. C. A. PLANS TREE FOR HOSPITAL PATIENTS

Success of Enterprise Depends Entirely Upon Voluntary Contributions

The extension committee of the Y. W. C. A. is planning a Christmas tree for the patients at the university hospital. This treat for the patients depends entirely upon voluntary contributions. Gifts of any kind will be appreciated by the association. Please bring your gifts to Close hall before Thursday noon, December 18, 1913.

S. A. E. defeated Phi Psi in a bowling match last night at the Brunswick alleys by a margin of 174 pins in three games. The winners scored 2360 pins, while the losers counted 2186.

RALLY

The hour of 11:00 o'clock this morning will be devoted to the county club rally. All classes will be suspended so that the students may attend this meeting in the natural science auditorium. Every student in the university is expected to be present.

DREAMS

EXTENSION SERVICE TO BE DISCUSSED

How Can Extension Service Benefit Graduate and Former Student?

"How Can the New Extension Division Benefit the Graduate and Former Student?" is one of the subjects for discussion at the county club gatherings to be held throughout the state during the "S. U. I. Reunion Fortnight."

A brief outline of the new Extension Division has been prepared for distribution at the County Club Rally to be held this morning at 11 o'clock in the natural science auditorium.

The new university Extension Division was organized for the purpose of carrying the university to the people of the state.

The Extension Division now announces activities in:

The Field of Educational Service

The Field of 'Public' Health and Hygiene

The Field of Political, Economic, and Social Welfare

The Field of Correspondence Study

Within these fields certain bureaus have been organized and are engaged in extension work. The Bureau of Public Administration will collect and disseminate information about municipal, township and county administration. The Bureau of Municipal Information is collecting and disseminating information on the many phases of city, town and village life in Iowa. It serves municipal officials, organizations of various kinds,

The regular meeting of the A. I. E. E. will be held this evening in room 21, of the Physics building at 7:30 sharp. J. H. Carmichael will speak on "The dam proposition which they have to deal with at Monticello, Iowa."

IOWA MEN AT NATIONAL MEETING OF SCIENTISTS

PROFESSORS NUTTING, KAY, MAC BRIDE AND STEWART ARE SCHEDULED

MacBride Official Representative of University—Paper by Professor Shimek to Be Read—Iowa Men Also Represent Sigma Xi.

Four university of Iowa professors will appear for the advancement of science at the sixty-fifth national convention to be held at Atlantic, Ga., Dec. 29 to Jan. 3.

Professor C. C. Nutting, head of the department of zoology, will give an illustrated lecture on deep sea animal life, while Professor G. W. Stewart, head of the department of physics, will give a report before the physics section on certain research work. His subject will be "Binaual Beats; the Character of Sound Conduction Between the Ears."

Professor George F. Kay, state geologist, and head of the department of geology and geography, while Professor Thomas H. Macbride, head of the department of botany, will speak before his departmental meeting. He will also be the official representative of the university. The paper on "Variation in Iowa Oaks," prepared by Professor Bohumil Shimek, of the department of botany, will be read at the convention, although Professor Shimek will be unable to attend.

The four Iowans will be representatives of Iowa chapter of Sigma Xi at the national convention of that fraternity held in connection with the sessions of the American association for the advancement of science.

BOARD AND CABINET MEET

The Advisory Board and the Y. M. C. A. Cabinet meet jointly tonight at the Y. M. office.

Y. M. AND Y. W. C. A. CHRISTMAS SOCIAL

Unusually Good Program Planned for Joint Meeting and Social Wednesday Night

A joint Christmas meeting of the Y. M. and Y. W. C. A. will be held on Wednesday night at Close hall. In order to have the meeting over by 7:30 for the basketball game, the meetnig will be called for 6:50 o'clock.

An unusually good program of music and reading has been arranged by the joint committee headed by Jeannette Royal and John Brooks. A cello solo will be given by Mr. Bellamy. Miss Marie Bump will sing, and also Glen O. Pierrel. Miss Norma Harrison will repeat by request her Christmas reading of last year. It is hoped that this unusually good program will attract a large attendance.

NEW MEN ON PHILO TEAM

On account of the resignation of O. G. Prichard and Guy G. Gabrielson from the Philomathean championship team, Don Rogers and Ray Clearman have been appointed in their places. They together with John T. Frederick will debate the Irving team in the preliminary debate.

The transferance of Clearman made necessary a change in the sophomore team. George E. Gill, the alternate, goes on the team. The two other members are Ralph Stribe and Neil Adamson.

"I" MEN TO MEET

There will be a meeting of the ening at 5:30 o'clock in the Senate "I" and "AUI" men Thursday evchamber of the Old Capitol building. Important business is to be brought up and all wearers of the letter should be present.

ARTISTIC READING

The women's artistic reading contest which is to be held this afternoon in the natural science auditorium, is open to the public and should be attended by all who are interested in this work. This is something new for the women here at Iowa and should be supported. There are many interesting lines of activity here but this particular one appeals to the higher interests of the university student. Interesting and instructive, artistic reading gives those interested, an inexhaustible field of endeavor.

UNION MEMBERSHIP

Never before in the history of the university have the students supported an activity as they have supported the Iowa Union. This significant fact was further substantiated yesterday. Yesterday was union day. Every loyal man of the university joined if he could possibly afford it. As a result hundreds of new members were taken in. Whole classes came to the front, and joined.

This loyal support of a worthy institution is significant of the spirit of the university at the present time. The student body here has always stood for the best things in life. They have always supported laudable undertakings. We now have a place where the men of the university can congregate, meeting on equal terms. No fraternity, society, or class ties will mar the democratic spirit of this institution. The Iowan union is an institution for all men, of the university. It is a place where fellowship will be the the watchword.

WHY IS A COLLEGE PAPER?

Those who have ever had anything to do with the publishing of a college paper, know of the many unpleasant things which are forced upon the editor in chief and the business manager as well as the members of the staff. One thing after another comes upon us until ,kicks, threats and long hours are taken as a joke. In fact the management of the college paper soon feels that there is something seriously wrong if a day passes without a ripp. "Why is a college paper? is a question which the Hill News has answered in a unique, interesting and forceful way:

"In colleges and universities today the college paper is the one institution which cannot be killed. It may be on the verge of bankruptcy, its promoter may be expelled from school, and the editor may have to run to preserve his life, and yet the old paper still come out on time. The students may not subscribe for it, the advertiser may refuse to give longer to charity and the paper may be the object of universal ridicule, but there is always some fellow who will work all night, flunk in calsses, and give his last cent to keep the paper alive.

"Of course college papers have their fat years like other institutions. Their editors do not always need a shave, the business manager is occasionally seen in a new suit, and frequently a body of students will be induced to subscribe quite generally. Sometimes the college paper is even in good repute. Its poetry is endured for a season with no show of violence, its swollen ideas concerning its own importance are charitably accepted, and its stories of big athletic prospects, increased enrollments, and brainy faculties are received for the truth.

"Perhaps the reason for the longevity of the college paper is that it has acquired everything that could withstand a aboost. If there are only five faculty members and fifty students at the president's reception the paper will write of 'a great throng of happy guests' and when the school's team are defeated in every game there is no athlete but who is referred to as worthy of a piece on the all-star aggregation.

"In the early days of higher education college papers appeared intermittently once or twice a year; then the publication stalked forth in monthly form with long stories and treatises, later the advertisers were induced to pay for weekly issues; and now any large university should be able to pub'ish a morning and an evening daily. Whatever becomes of the college paper of future years, even though it continues to rustle its pages in the faces of many non-subscribers, it will never lose any of its vigor until all things collegiate pass away."

and individuals with information pertaining to municipal government. The Bureau of Social Welfare promotes social welfare work by giving special attention to problems connected with charities, churches, clubs and social development. The Bureau of Debating and Public Speaking will stimulate an interest in important political and social bulletins. This bureau will also have charge of the Iowa High School Debating League. A bureau will soon be organized which will aid the teachers of the state. At present this work is cared for by the College of Education and the Secretary of the Division. Another buearu will be the Bureau of Public Health.

The Extension Division hopes to offer some courses in correspondence study in the next semester. At present these are being cared for under the plan of projected registration, provided the person taking the work has already done some work in residence; otherwise outlines of reading are suggested.

It has been suggested that the alumni gatherings during the "S. U. I. Reunion Fortnight" discuss the subject, "How Can the New Extension Division benefit the Graduates and Former Students?" It has also been suggested that the club discuss the new Iowa Union movement and its relation to the alumni.

Resolutions have been passed by the Kansas state board of health forbidding the Lawrence Water company to furnish water for domestic purpose. They say it is unsanitary and dangerous to the health of the Lawrence citizens and students.

WRESTLERS SHOWING UP IN GOOD SHAPE

DIRECTOR SCHRODER LOOKS FORWARD TO SUCCESSFUL YEAR—LARGE SQUAD

Team to Get Two Trips to Nebraska —Ames to Come Here for Dual Meeting — to Start Heavy Work Right After Christmas Vacation

Wrestling at Iowa is gradually breaking into the limelight. Director Schroeder has a promising squad of men working regularly these days. Several old men are back on the mat which gives an impetus to the work. Ames and Nebraska will be met this year in dual meets, the dates for these meets have not been arranged.

President Hobbett, of the welterweight class, has his squad well organized already. Up to this time there has been no regular practice scheduled, except for the freshmen and beginners. These practices come on Saturday at 9:30 in the morning and at 4:30 in the evening. The vasrity have been working out three times a week. Immediately after the vacation the work will commence in earnest. Every day the men will work out under the supervision of Director Schroeder. A lot of work is necessary before the men are in shape for the big matches of the season.

Gran, Hemmingson, Meyers, Hindt and several freshmen are making good in the light weight class. Several of these men have had considerable experience on the mat, which gives a big boost to the work from the start. Several men are working out in the feather-weight class. Of these men Smith is doing some good work. Hobbett and Cockshoot are two veterans in the welterweight class who are coming to the front rapidly. They will make the artists from other colleges set up and take notice. Several other men are showing up in this weight. In the middle weight class Hoffman, who sprung a surprise on the Iowa rooters at the Nebraska meet last year, will not be able to get out for strenuous work this winter, owing to a recent operation. However, Gilliland, and several other men in the class are getting rapidly into shape. H. E. Webb, a former middleweight champion is back in the university and will likely get out for this work. He will be a valuable asset to the squad. Barron and Gould are two representatives of the heavy weight class who will be able to hold their own against any other college men in the game. Several freshmen are out who will loom up big for the work next year.

The dual meet with Nebraska will be held at Lincoln and the Western Intercollegiate wrestling tournament will be held at the Nebraska Capital. This means that there will probably be two trips for the team. The meet with Ames will be held here on the Armory floor.

The Athletic board will award the "AIU" to the freshmen who win their respective weights and the Varsity "I" will be awarded to the men who win the places in the dual meets, and the Western Intercollegiate tournament.

MAKES EXTENSIVE PLANS FOR GYMNASTIC MEET

AT LEAST FIVE TEAMS TO COMPETE FOR HONORS ON LOCAL ARMORY FLOOR

Normal School Said to Have Strong Team—Local Gymnasts Doing Some Good Work—Tournament Will Probably be held on March 7

Director Schroeder is making plans for the coming state gymnastic meet which is to be held there, about March 7, 1914. The date March 7, has been chosen but not definitely decided. At least five teams will be represented. Invitations have been sent to the State Teachers' college, Cornell, Grinnell, Luther college, Simpson and Ames. Representatives from the various institutions will meet here some time before the holidays to make out the system of exercises.

The Iowa team is getting well under way in its work. Director Schroeder is well pleased with the showing thus far. Four of last year's men are back. Their last year's experience has made them valuable assets to the team. Besides the four veterans there are several other men who are out for the first time this year. They are making good rapidly and will give the veteran a scrap for places before the season is ended. Iowa's prospects are only fair from the present standpoint. In order to cope with some of the teams which will be here March 7, the Iowa team will have to do a lot of hard work.

Rumor has it that Cedar Falls has one of the best teams in the history of the school. Last year they had no difficulty in beating out Iowa. They are expecting to have it easier this year. However, the Iowa men are determined that there will be no repitition of the results last year and are going after the laurels. Nothing more than an occasional word or line gives an insight as to what the other gymnatic teams are doing. However. it is understood that they are preparing for big things when they meet on the Armory floor next spring.

The university of Michigan has appointed a board of advisers whose duty it is to acquaint foreign students with university environment.

According to the plans of the electrical engineering department at Minnesota, a wireless station may be installed on the campus.

The ladies of the Presbyterian church will hold their annual Bazaar Tuesday afternoon at 2:00 o'clock A turkey supper will be held Wednesday evening at 5:30. 50c.

CHRISTMAS GREETINGS

Our nice trade during the past week—especially on Saturday last—convinces us that the people of Iowa City and vicinity are fast "finding us out" in our new location in the Hotel Jefferson building. We want wearers of shoes to call and see our new store. It is certainly worth seeing, and we will gladly show you what a first class shoe store looks like.

In this connection we wish to remind you that we have an elegant line of Christmas footwear of all kinds which should appeal to everyone at this time of year.

And last, but by no means least, we desire to call the attention of the ladies to our new shining parlor for ladies and children exclusively.

Our store will be open evenings until Christmas. 12-16

Minnesota's all-American quarterback, John F. McGovern, has declined an offer from the university of Indiana to coach their football team next fall, stating that it would conflict with his law practice.

Jose Elliot, a Filipino at Indiana is making his entire college expenses as well as sending money for the partial support of his widowed mother.

A petition from Indiana's senior class of 1862 requesting that the examinations be held at an earlier date in order that they might attend exercises at DePauw has recently been found.

At Illinois the annual sorority and individual "roast" contest has begun and a list of handsome prizes are offered. Roasts consist of original jokes and lyrics to be included in the Illio.

Northwestern has scheduled a swimming meet with the Illinois Athletic club of Chicago some of whose members hold world's record in the Olympic games.

President Bryan of Indiana has donated the royalties from his new book, "He Knew What Was in Man," to go toward a loan fund for the benefit of deserving students.

GYMNASIUM WORK IS TO START AFTER VACRTION

DIRECTOR SCHROEDER FACING PROBLEM OF ACCOMMODATING SIX HUNDRED MEN

***Classes to Be Divided Covering Week*—Installation of New Lockers to Add Much Comfort—New Hot Water Tanks Please Students**

Owing to the increased attendance here, Director Schroeder is having to cope with limited room in getting his gymnasium classes arranged. Immediately after the mid-year vacation, the work in the Armory will begin in earnest. There will be over six hundred men using the floor. This large number will be divided into classes covering an entire week.

Several changes are planned during the vacation time, the most important of which is the installation of 150 new lockers. These new lockers will be placed in the present band room. The band will find more spacious and better quarters in the electrical building back of the Old Capitol building.

At the present time there are about five hundred men installed in three hundred lockers. This means that there are two men to each locker. This congested condition will be greatly relived when the new lockers are put in. The new lockers are of the large size and will accommodate two men easily.

The installation of new shower baths last year has relieved this part of the congestion, this year. Thus far there has been no trouble at all. The new hot water tanks have supplied plenty of hot water at all times which has made the work of this year much more pleasant.

It is planned to install new shower baths upstairs for the faculty men. These baths have ben downstairs in the crowded part of the gymnasium and the move will add greatly to the convenience of the faculty members as well as the students.

ARTISTIC READING CONTEST

As a result of the preliminary contest in artistic reading, held Saturday afternoon at 2:00 o'clock, the following persons will enter the final trials which will be held this evening at 8:00 in the natural science auditorium:

Alice Loos—Independent
Emily Grubb—Independent
Myrtle Tudor—Octave Thanet
Coey Custer—Whitby
Bess Vandenburgh—Octave Thanet
Elsie Snavely—Octave Thanet

The judges for this contest will be Prof. Eastman, Mrs. Shambaugh, and Professor Trowbridge. No admission will be charged. The public is cordially invited.

PHILO FRESHMAN TRYOUT

Philomathean freshman debate tryout this evening at 8 o'clock at the hall, also an important business meting. Every Philo is expected to be there.

The ladies of the Presbyterian church will hold their annual Bazaar Tuesday afternoon at 2:00 o'clock. A turkey supper will be held Wednesday evening at 5:30. 50c.

SUGGESTIONS GIVEN FOR COUNTY RALLIES

Memoranda Covers Different Steps to Be Taken in Promoting Organization

Duplicate copies to suggestion have been printed to be distributed among the students who attend the County Club Rally at 11 o'clock in the natural science auditorium.

The memorandum covers the different setps to be taken by the organizers in promoting the reunions over the state December 22 to January 5. Following are the suggestions:

Suggestions to Students who wish to aid in County club organization:

1. Arrange to have a meeting of the students from your county before you leave Iowa City, December 19.

2. At this meeting either make the temporary organizer permanent or elect another student to be the organizer for your county.

3. Insist that a date be set for a reunion whether to see the lantern slides or to give a reception or dinner—then do everything in your power to see that this event is given the maximum amount of preliminary publicity.

4. Read over the outline on the Extension Division and be ready to talk over this new branch of university work with the alumni and former students.

5. Urge that a constitution and by-laws be adopted by your county club an dthat the alumni student organization be made permanent.

6. If it is conveniently possible to do so invite the high school seniors to your reunion during the holidays.

7. Check up on your organizer to see that he files a printed report at the Alumni association offices, after the holidays, showing just what has been done in your county.

Copies will be distributed at the doors.

PUBLIC LECTURE ON ENGRAVING TONIGHT

A public lecture on the methods of manufacturing the various sorts of engraving such as etchings and half tones used in books, magazines and newspapers today will be given this evening under the auspices of the Ad Club in liberal arts building, room 105. The general subject of engraving is one of considerable general interest and this lecture is thrown open freely to the public. The lecture will begin at 8o'clock and will last less than an hour.

This is one of the series of lectures which are being given by the Ad club on the "Tools of Advertising." The expense of the lectures is being borne by the club and are made open to the public so that as many as possible may profit by them. Anyone who ever uses half tones or etchings in his advertising, and most people do, will find this lecture on engraving of material profit.

Stating that it was undesirable at this time to schedule a game outside of the Conference, Chicago has declined a football game with Harvard.

Women officers of the classes at Michigan intend to meet in January to submit proposals for a women's council.

Y. M. C. A. TO SEND FOUR GOSPEL TEAMS

Center Point, Rockford, Creston and Middleton to be Visited by University Men

Four gospel teams from the University of Iowa under the supervision of the university's Young Men's Christian association will go out over the state during the Christmas holidays.

Each team will contain six college men who will live during, the week of December 28—January 3, in the communities chosen for the meetings. This year the S. U. I. teams will go to Center Point, Rockford, Creston, and probably Middletown, Iowa.

The members of the teams who will participate in this religious work in the smaller cities and towns follow:

Center Point—G. E. Davis, leader, Iowa City; Ralph Albright, Danville, Benj. H. Frank, Lamoni; Lloyd R. Borland, Chicago; H. A. Wolcott, Belmond.

Rockford—H. H. Preston, leader, Battle Creek; John Stokes, Corning; Ralph Cockshoot, Wilton Junction; Carl Hoffman, Iowa City; Earl Grissell, Cedar Rapids; Isaac Rubenstein, Iowa City.

Creston—George Gee, leader, Monmouth; M. D. Winter, Truro; I. A. Rankin, Iowa City; E. J. Dewees, West Branch; Paul Nelson, Emmetsburg.

Middletown—A. V. Mather, leader, Springdale; A. G. Gran, Storm Lake; H. C. Cozine, Fairview; Tom Martin, Melrose; Carl Jordan, Burlington.

These teams hold religious meetings, visit homes, and do personal work among the men and boys of the community.

The policy of organizing gospel teams was started at the university three years ago. Last year teams were sent out both at Christmas and during the Easter vacation, there being a total of 54 University of Iowa students, engaged in this religious work in the smaller towns of the state.

The ladies of the Presbyterian church will hold their annual Bazaar Tuesday afternoon at 2:00 o'clock. A turkey supper will be held Wednesday evening at 5:30. 50c.
