HAWKEYE SQUAD WINS IN OPENING CONTEST

Coach Kent's Proteges Defeat Mike Hyland's Leander Clark Bunch in First Great Battle of Season Last Night

Iowa officially pried the lid off the local basketball season, last night, at the Armory, when Coach Kent's proteges copped a victory from Mike Hyland's Leander Clark bunch by a 24 to 13 count. Although the game was hard fought from start to finish, it was remarkably free from roughness, only a small number of personal fouls being called on either team. If it had not been for the hard luck of the Hawkeye basket shooters in ringing counters, the score would have been much larger, as the team work of the locals, although leaving much to be desired was much better than that displayed by their opponents. The Hawkeyes well earned their points, for the Toledo bunch hung on to the last whistle. Jacobson starred for Iowa while Ward put up the best game for the visitors.

The game, as a practice contest, was satisfactory to the coaches. Most of the promising candidates for the local quintette received a tryout last night and from the showings some sort of a line on the local lads was gained.

Last night's contest was opened with scant ceremony. About a minute after hostilities had commenced Ward of Leander Clark rang in the first counter for his team. A few seconds later, Jacobson knotted the score by a great throw and followed a second later with another stellar shot. Von Lackum followed suit with a marker and Fields made the count 9 to 2. Parsons added another for good measure. From this time on the game was sewed up and the local rooters, relieved from worry gave themselves over to the enjoyment of much accidental comedy pulled by members of both teams. The gun ended the first half with the score 13 to 5. Scoring in the second half continued in about the same proportions. This period was marked by the appearance of Capt. Ray Gardner who played his usual good game.

Line-up:

Iowa	Leander Clark
Von Lackum	RF Barnes
Fields	LF Ward
Schulte	C Dickensheets
Jacobsen	RG Muirhead
Parsons	LG Ladd

Summary:—Baskets, Von Lackum, Fields 3, Schulte 2, Jacobsen 3, Parsons, Gardner, Trexel. Leander Clarke, Ward 4, Barnes 2.

Free Throws:—Iowa, Fields 2, Leander Clarke, Ward 2.

Substitutions:—Iowa, Gardner for Von Lackum, Chesebro for Schulte. Donnelly for Parsons, Wills for Jacobsen, Trexel for Fields. Leander Clarke, Greene for Muirhead for Ladd for Dickensheets.

Referee—Hedges of Dartmouth. Time of Halves, 15 min.

SONGSTERS TO TAKE THEIR ANNUAL TOUR

To Make Trip Under Management of C. F. Kurtz of Economics Department—Will Visit Several of the Largest Cities of the State

On December 29, the University Glee club will start on its annual tour through the state under the management of Mr. C. F. Kurtz of the economics department. The tour will last until January 3 when the last program will be rendered at Dubuque. The two reels that were taken of the university will be carried on the trip and will be shown in the cities at which the club stops. Alumni reunions will also be held in the various cities visited by the university boys in order to promote the county club movement.

It is an interesting fact that this is the first time in the annals of the organization that only the larger cities will be visited. The cities on the list are Davenport, Muscatine, Clinton, Cedar Rapids, Waterloo and Dubuque. This is the first time in the history of the school that the Glee club will appear in the city of Dubuque.

Carl Brueckner, one of Iowa's football stars will entertain the audience with a series of monologues. Mr. Brueckner is a very able reader and will add much to the enjoyability of the program. The two reels of moving pictures representing university activities that were taken last spring and this fall will be taken by the club and shown in the different cities visited.

In addition to this reunions will be held in various cities for the benefit of the alumni and prospective students of the university. It is the request of Manager Kurtz that those

Executive Committee.

Alfred Noyes, January 22.

STUDENT VOLUNTEERS GO TO KANSAS CITY

University Delegation Will Leave December 30—Bryan to Be Among the Speakers

Seventy-five students, faculty members, and graduates of the university of Iowa will attend the seventh international convention of the student volunteer movement at Kansas City, Mo., December 31 to January 4.

A private pullman will carry the S. U. I. delegation to Des Moines, where a special train will be formed Tuesday, December 30, to take the students from this state to the convention. The convention opens on Wednesday afternoon, December 31. John M. Mott, who will speak at the university of Iowa next spring, is to be the presiding officer at this convention. It is expected that 5,000 delegates from all over the world will be present. W. J. Bryan will be among the speakers.

The Iowa delegation will visit Fort Leavenworth, Wednesday morning, December 31, and will hold a series of noon day luncheons during the convention.

Among those who will go are the following: President John G. Bowman, Prof. G. F. Kay, Prof. G. W. Stewart, Prof. R. B. Wylie, Dr. Mary K. Heard, H. Y. Williams, G. O. Pierrel, Louise Barr, Iowa City; F. R. Menagh, Denison; H. L. Von Lackum, Dysart; L. H. Mounts, Moravia; L. P. Penningroth, Tipton; Adrian Foley, Sanborn; R. L. Kimball, Iowa City; A. K. Baldwin, Iowa City; A. H. Gunderson, Rolfe; I. J. Barron, Correctionville; Neil Adamson, Numa; H. W. Raymond, Cedar Rapids; David Albright, Danville; A. Krakow, Dubuque; H. L. Sieg, Iowa City; T. L. Ling, Paul Tang and D. Huong, China; A. K. Watanabe, Japan; A. V. Mather, Springdale; H. A. Walcott, Belmond; L. Byington, Iowa City; George Hilliard, Vinton; J. W. Brooks, Hedrick; Carl Jordan, Burlington; G. G. Gabrielson, Sioux City; Paul Heisey, North Liberty; Ray Clearman, Oxford; Don Rogers, Fort Dodge; Earl Grissel, Cedar Rapids; L. A. Kennel and H. E. Anderson, Arlington; Jeanette Magowan, Caroline Newcomb, Macetta Brown-ing and Eloise Brainerd, Iowa City;

PROGRAM ISSUED FOR COSMOPOLITAN MEETING

RECEPTIONS, DINNERS AND BUSINESS SESSIONS NOW ALL ARRANGED FOR CONVENTION

Governor Clarke, President Bowman and A. K. Watanabe to Give Addresses of Welcome—Delegates From Thirty-Four Schools Attend.

The complete official program for the seventh annual convention of the Association of Cosmopolitan clubs to be held here December 26-29 was announced by National President T. L. Ling yesterday. Besides the business sessions, the receptions, dinners and speeches by prominent men will occupy every minute of the three day's meeting.

From all indications this first convention to be held west of the Mississippi river will be the most successful in the history of the association. Every effort is being made to entertain the visitors royally and all communications received indicate a hearty cooperation on the part of all the chapters toward making this a record convention.

About a hundred delegates, and visitors from thirty-four colleges and universities will attend. Not only will the regular chapters be represented, but schools seeking charters will also send representatives. For the first time visitors from a Canadian university will meet with delegates from the United States. The University of Toronto will be represented by men from the newly organized club there. A large delegation of visitors is also expected from the small colleges of Iowa and from Ames, the only other school in the state having a charter.

(Continued on page four)

Edna Westfall, Carroll; Eleanor Eakins, Crystal City, Texas; Darlien Ivers, Red Oak; Leona Reeves, Des Moines; Murilla Goodenow, Wall Lake; Marjory Dyas, Bellevue; Unda Hamren, Kansas City; Marion Hale, Columbus Junction; Erba Burdick, Metolius, Oregon; Elsie Snively, Oxford; Ruth Gunderson, Rolfe; and Ina Sherrebeck, Cedar Rapids.

The Iowa party will return Monday, January 5.

THE SPIRIT OF CHRISTMAS

One week from today will be Christmas. To the freshman this is probably a long looked for event since to many it will be the first time that he has been home. To the upper classman, on the other hand, the holiday vacation has slipped around before he had hardly time to think of it.

To the student Christmas is a time of double joy. Besides the usual joy of the holiday season there is the added pleasure of going home and seeing family and friends after a three months' absence. The season means much to all and it goes without saying that it is thoroughly enjoyed.

To each member of the student body, individually and collectively, the Iowan wishes the merriest kind of a Christmas and a happy New Year that will extend through the entire year. On the eve of this season a large part due to the students and faithful support given the paper in its work since the beginning of school. At this happy season we

take pleasure in giving you a God-speed and hope you will give us a good wish for the things we hope to accomplish in the future with your cooperation.

PROFESSOR HIGBEE WRITES ON FRESHMEN STUDENTS

In American Machinist Article Tells the Why of a Freshman Engineer

Some odd facts are brought to light in Prof. Higbee's article on the freshman engineer which appeared in a recent number of the American Machinist.

Each year written questions are passed out among the members of the freshman classes asking their various reasons for taking engineering. The students' answers are kept on file in Prof. Higbee's department and form some interesting statistics.

This year it was found, according to Prof. Higbee's report in American Machinist, that thirty-three per cent of the freshman class decided to take up engineering because they felt they had an inclination and aptitude for that kind of work. Twenty-seven per cent stated that they had elected engineering on the advice of friends. Previous experience in the work in subordinate positions had influenced eighteen per cent toward the course, and as might be expected these last had a somewhat better conception of what they were undertaking than some of the others. Sixteen per cent said that a liking for such subjects as mathematics and physics had led them to try engineering.

A feature of the whole investigation was the diversity of reasons brought to light as to why a freshman engineer becomes a freshman engineer. Liking for the work, previous experience, mathematics and physics, and the advice of friends form a variety of influences and indicate the strongest magnets which draw high school students into engineering work.

students who live in the cities visited by the club show their appreciation of the work done by the club by turning out for the reunions and for the entertainments.

The club this year is undoubtedly the best that has ever represented Old Gold in the realm of vocal music. The main idea of the trip is to advertise the university and no one interested has any idea of making anything above expenses. According to Manager Kurtz who has had considerable business experience, the present club is the best of its kind in the state and he predicts a most successful trip.

INTERSCHOLASTIC GYM MEET SET FOR MARCH 7

Representatives to Meet Here December 31—Many New Men Trying Out for Team

March 7 is the date decided upon for the interscholastic gymnasium meet. There will be five or six schools participating in the contest which will be held on the Iowa floor. Director Schroeder has made arrangements for a meeting of the representatives of the different schools, that will enter teams in the meet, to be held here December 31. The purpose of the meeting is to arrange the rules and the stunts to be pulled off. There will be one exercise by all the men of each team and two or more original exercises by the whole team or by parts of it according to the wish of the trainer or leader. The teams will be judged according to the form displayed in the set exercises and the originality of the optional exercises.

The men trying out for the Iowa team this year are Herman, Soucek,

Fanton and Gearhart, of last year's team, and Kriz, Emmons, C. Jordan, R. Jordan and Cross. In the selection of the team only the best men will be chosen regardless of former experience and ranking. Last year with only one month of preparation the Iowa team took second place in the state and it is hoped that with the length of time put in this year that the team will be able to take first.

With the slogan "Fifty cents for the Settlement" and the introduction of several new features at the annual Settlement dance, the University of Chicago secured this year the largest attendance in its history for the charity event last Saturday night in Bartlett gymnasium. Tickets began on Tuesday and amounted to \$780.00. The net proceeds \$700.00 will be given to the University of Chicago settlement "back of the guards".

The Michigan Junior hop still rests in the balance. A draft for reinstatement, the provisions of which have not been made public, has been presented to the Senate Council, which body has turned it over to the Senate without action. It is thought that the dance will be resumed in some form at least, but the attitude of the faculty cannot be ascertained.

Preliminary troyouts for the principal parts in the Michigan union opera have been held, and according

to reports, the material this year is better than ever. There are in all about seventeen such parts and the competition is very keen for those places.

Special rules for the regulation of dances have been submitted to the faculty committee by a student committee appointed for the purpose. These rules provide for the hours, nature of music and dancing chaperones, etc. Traditional dances of societies are given exemption from the time limit. These resolutions have met with the approval of the various persons interested, but have not been formally accepted by the faculty.

Charles Stevens, a janitor at Michigan is heir to one-third of an estate of \$60,000 bequeathed him by his uncle.

Professor Benjamin Shambaugh of the Department of Political Science will attend a meeting of the American Historical society during the holidays at Charleston, S. C. He will take part in a conference of the State Historical societies.

4 p. m.—N. S. auditorium.
Address by Dr. G. W. Nasmyth, director of the International Bureau of Students. "The Unity of the World."
8 p. m.—N. S. auditorium.
Address by Dr. E. A. Steiner of Grinnell.

Monday, December 29

8:30 a. m. to 12 m.
Business meeting.
12:30—Luncheon, Iowa City Commercial club.
2:30—Business meeting.
8 p. m.—Annual banquet, Jefferson Hotel.

NOTICE

All those students who desire to catch the Milwaukee train that leaves Cedar Rapids Saturday morning at 6:20 should place their names on the sheet on the main bulletin board before 11 o'clock today. If twenty names are affixed a special car can be chartered over the interurban to leave here at 4:50 a. m. and reach Cedar Rapids in time to catch the 6:20 train. The interurban company requires a guarantee of twenty one-way fares in order to put on the special car. The names must be on the sheet before eleven o'clock this morning in order to give time to make the necessary arrangements.

The Buyer's Enthusiasm Will Equal That of the Sellers---

You as a Buyer will be equally as enthusiastic as we are as sellers, when you see the great assortment of suits and overcoats we selected for your benefit from Hart Schaffner & Marx wholesale overstock.

The generous patronage of early buyers made this additional buying on our part a necessity, and when we bought, we bought to the advantage of the buying public of this community as well as our own.

When you see the beautiful assortment of suits made up from clothes of the finest texture produced in America and abroad, in advanced styles, many silk-lined, you will easily recognize them as values ranging

from \$27.50 to \$35.00. The volume of business we will do on this particular purchase makes it possible for us to place them on sale at these prices \$19.00 and \$24.00.

Bear this in mind we are building this business of ours on value. Our guarantee as to satisfaction reads no better than the guarantee of the common street fakir; *but our idea of living up to our guarantee is different*---that's the point for you to think about.

These suits we are selling now must give the man who buys one just as much satisfaction as if he had paid the full price.

Sooner or later you'll be a customer of ours.

ALFRED NOYES TO READ OWN POEM

Contract Now Closed For His Appearance at the University on January 22

The contract for the appearance of Alfred Noyes, the well known English poet, at the university of Iowa January 22 has just been closed with his New York manager. He has been secured only after months of effort and is the first of a series of noted literary men whom the Atheney literary club is intending to bring to Iowa City from time to time.

Mr. Noyes is probably the most famous man of letters so far brought to the university. He is by far the most popular English poet and has the unique distinction of having his works both critically and popularly approved.

He is also known to be a good reader, and will be asked to read selections from his own works in preference to giving one of his lectures.

It is interesting to note that the poet's wife is an American lady. The United States was, in fact, the first country which he visited outside of his native land. On his first tour last year he was everywhere received with enthusiasm and on this year's visit he has many engagements to speak at the most noted educational institutions of the country.

Alfred Noyes, January 22.

OTHER COLLEGES

Declaring that it is undesirable at this time to schedule games with other than Western conference football teams, the Board of Physical Culture and Athletics at the University of Chicago has declined to play Harvard University at Cambridge in 1914. There is little possibility of a reconsideration. The opinion of Director Stagg, who is absent from the city, is not known. In a letter written from Pinehurst, N. C., he mentioned the proposed intercollegiate contest but did not express himself strongly either way.

Two demonstrations of the correct manner of dancing the tango, Hesitation waltz, and other modern dances were held in Kent theater this week as part of the program of student regulation being pursued at the University of Chicago. Miss Mary Wood Hinman, coach of dancing in the Blackfriars play of former years, declared that modern dances encountered opposition because improperly learned and then immodestly reproduced in the ball room. Miss Marion Talbot, Dean of Women stated that the subject of dancing had been left in the hands of the students for twenty-one years and that the faculty would continue its policy of non-interference in this case if the students show that they recognize their responsibility.

Chancellor Strong of Kansas is being considered for President of the university of Washington but he says that it must be a very lucrative offer if he accepts.
