STUDENTS ARE URGED TO USE JOKE BOXES

IOWA BASKET BOTTERS
PLAY TEACHERS TEAM

GAME STAGED AT ARMSBY THIS EVENING—HEDGES WILL OFFICATE

The editors of the Hawkeyes are now getting down to the real hard work of gathering the material for the humorous and artistic portion of the 1911 annual. Realizing that these departmen ts require much more cooperation of the members of the editorial board, they are now urging everyone to make use of the boxes placed in all the colleges in a different and unusual way. Buy joke pictures, verses, anything that will help make this book more entertaining and amusing to the Manager and the staffs. The management and the staffs are stationed for the receiving of all this material. Many a bright idea is lost on account of not being put down in black and white and it is because of this fact that editors wish the students to jot down anything which would make good reading or aid in enhancing the interest of the illustrative portion of the book.

Practically all the jokes on hand are in the boxes. There are a few remaining who have not attended to this matter and they will be notified by phone or mail of their deficiency.

JAMES GREGG SHERRER
JOHNS CHRISTMAS DAY

Freshman in College of Dentistry

Successes to Operate at

Hospital

James G. Sherrér of Clarcro, Iowa, a freshman in the college of dentistry died at the university hospital on Christmas day, after submitting to an operation.

Mr. Sherrér was twenty-six years old, and attended Iowa college at the Ragots for nearly two years. He entered the university last fall for the study of dental profession. He graduated from the Clarcro, Iowa, high school, and was a member of the Presbyterian church.

Sweaters Ordered

The "T" sweaters and freshmen sweaters will arrive about February 1 and orders for the freshm an sweaters will be accepted. The sweaters are to be of the most expensive material, and will be made under the personal direction of the officers of the organization.

TABLE AND CHAIRS FOR RANNEY ART LIBRARY
For the convenience of those who wish to make use of the art books in the Ranney memorial library, a long library table and saw chairs have been installed. The addition of a number of works on painting, sculpture, architecture, and music have made the collection a valuable reference art library for class work and general reading.

Y. M. C. A. MID-WEEK MEETING
POSTPONED FOR GAME
The regular mid-week meeting of the Y. M. C. A. will be held tomorrow evening instead of this evening. This is done to allow the men to attend the basket ball game. The meeting tomorrow evening will be called at seven. Reports of the Kansas City convention will be given by men who were there. The committee of Two Hundred will meet directly after this meeting.

HAWKEYE STAFF NOTICE
The Hawkeye editorial staff will have their photos taken Saturday at Towne's at 2:15 sharp.

The editors and managers of the college will have their photo taken Saturday at Towne's at 2:15 sharp.

WHY?
Programs for a university social affair will be distributed tomorrow at a local place of business.
In the past this place has been used for football games and grand social affairs for formal parties. We find no fault with the university or with those who have always used these places for their work. They have only followed on what was started by some one years ago. It would be an easy matter to fix a place in some university building for such a purpose. Hawkeyes have been sold from a window in the janitor's office of the liberal arts building. Y. W. C. A. calendars have been sold in the various university buildings.

Close Hall was erected for the use of the students of the University. Why not build this building or part of it be utilized on such occasions? There is always some one there. Programs for social affairs always need a couple of students about to do the distributing.

Close Hall is warm and there are plenty of chairs.

PROFESSOR BUSH GIVES LECTURES ON EUROPE
Professor H. B. Bush, head of the department of Romance Languages, has announced a series of illustrated lectures on Portugal and northern Spain, Southern France, and Central and Northern France. While Professor Bush was in Europe last summer he made a very large collection of pictures in these various countries, showing many interesting places and objects.

These lectures will be given on Thursdays starting tomorrow. The lectures will start at 4:30 in the physics lecture room.

DIAL ROOM—Two Mo.

IOWA NOT TO PLAY WITH MINNESOTA

Manager Kellogg. In Interview Says No Game Will be Played With Gophers

Reports emanating from the University of Minnesota declare that Iowa is scheduled to hook up with the Gophers in football on October 24, 1914, however, is not the case. Manager Kellogg has been conducting some negotiations with Minnesota authorities relative to a game with the Minneapolis institution but has notified them that was not a suitable date upon which to resume hostilities between the two schools.

Chicago is slated to clash with the Hawkeyes on October 17 and the Illinois manager does not see the way clear to schedule Chicago and Minnesota for succeeding Saturdays. October 24 or November 7 will be acceptable to the management, as in October 24 he says there is nothing doing.

CLOSE THE TRACK
Superintendent Fred has taken advantage of the idleness of the athletic field to cover the remaining track with tidiers in order to put it in condition for use next spring. It is necessary to keep the track level and smooth at all times in order to develop speedy teams.

ON SALE MONDAY MORNING, JAN. 12
AT WIENEKE'S
WIFE OF COMMANDANT WILL BE INTRODUCED

MILITARY BALL WILL HAVE FESTIVE HONOR BESTOWED UPON IT FRIDAY EVENING

Decorating Scheme Has Been Worked Out—Will Be Entirely New to Formal Party Devotes at Iowa— Other Striking Features

Introducing Mrs. Phinney, wife of the commandant who arrived in the city with her little daughter a few days ago, will be one of the distinctive honors of the thirteenth annual military ball to be held Privy evening. Mrs. Phinney will appear in university social circles for the first time at the big event and her presence will be especially fitting on this occasion.

The decorating scheme of red, white and blue has been carefully worked out by the committee. The top of the armory will resemble one huge American flag so near as possible. Red, white and blue stripes will be run the entire length of the armory and from these will be dropped white stars. Flag decorations have also tactfully been eliminated because there was an error as Thursday in order to conform with the organization of the event.

Chances in Armor
Conform to New Rule

In order to conform with the new ruling the basketball court has been widened by nine feet and the banks will be made two feet wider. This widening of the court will bring the players nearer the audience so the spectators have become necessary to accomplish the enormous crowd. In order to abbreviate the danger arising from chasing frills across the line a railing taking the ball from the one causing it to go out of bounds has been made. Thus the danger to the spectators has practically been eliminated because there will no longer be any initiative chase the ball into the crowd.

Athletics Notice

Athletic will hold its regular meeting tonight. Important business on hand.

President.

FOUR PROTESTS ARE PLANNED MANY NOVEL FEATURES FOR THEIR MATERIALS

Plans for the freshman party are

fast rounding into shape and the event is scheduled to bring greetings from every source any members of the committee. Contrary to the desire of former years any member of any class or college can afford the function which the freshman class is preparing.

With the adoption of the new Freshman Party rule this year everything has been changed. This year every class will be invited to dance and even entries from other classes are included in this invitation. The new motto adopted by the class to have the Freshman Party the "Biggest Ever" seems to be developing with remarkable rapidity. One of the greatest rush of tickets since the party was established is expected. Only a limited number of tickets will be placed on sale at Purcell's and in the various colleges. The sale will open at 10 o'clock this morning. Freshmen in the various colleges will be provided with tickets and Purcell's will open the sale at the same time.

UNIVERSITY OF IOWA MAY TEACH HINDU GIRLS

HOMER SAYS THAT CHICAGO ORGANIZATION MAY BRING HINDU GIRLS TO AMERICA

Two Officers Elected From Iowa Chapter—Sudhindra Bose Made National President—Organization Is Growing

A large delegation of representative Hindu students met from December 26th to 31st at the second annual convention of the Hindu Association of the United States of America in the room of the west side Y. M. C. A., in Chicago. Several noted men and women of the city of Chicago spoke at the convention. The Chicago Woman's club, gave a banquet of substantial aid, through one of its representatives. It is the desire of the Women's club to bring two Hindu girls from India, and educate them in America at the expense of the club. Though not fully settled, it is rumoured that these two girls will come to the university of Iowa for their education.

The convention elected two young officers of the association from the Iowa chapter. Dr. Sudhindra Bose, of the department of political science, was re-elected national president; and S. Ahmed, a junior-secretary of the Hindu association. The association is a national educational organization with a branch in every centre of education in America. The strongest chapters of the organization are located in New York City, Cambridge, Mass.; Chicago, Ill.; Seattle, Wash.; Berkeley, Cal., and Iowa City.

The purpose of this association is to create and maintain a more friendly and sympathetic relation between American and India.

The members of the Hindu association believe that a practical step toward the realization of this object is to encourage the young

men and women of India to come to America for their education. That the enterprise meet with more success is shown, according to its officers, by the fact that a great number of inquiries about American educational institutions have been received by the association, that more than a dozen students have also come to this country under the direction of the past year. That a dozen more are preparing to start within a short time. Aside from regular business sessions, there were plenty of social entertainments provided. One of the most notable of these was the debut of the convention an entertainment the Soldiers Salute of Atlanta represented in the new Fair East.

The members of the Iowa idea offered an invitation to the in concert to hold its last regular meeting of the year.

FOLLOW THE SIGN OF THE ARROW

THE BIG RED ONE

Points to the entrance of a clothing store in Iowa City that has been given entire pages in the largest trade journals of America, and has been given credit for being the best equipped store west of the Mississippi River. It is Iowa City's finest store; a store that guarantees without reserve every article sold.

The Reason

For placing this Red Arrow is to indicate to YOU the place where nationally advertised, famous and guaranteed clothing and furnishings and work goods can be purchased for the next 15 days at prices lower than they were manufactured to retail for.

THE BIG RED ARROW BILL

— shows you how your clothes expense may be lowered for 1914
