WOMEN’S LEAGUE GETS 
BIG BOOST FIRST DAY

OVER HUNDRED WOMEN COME 
YESTERDAY AFTERNOON— 
WELL SATISFIED

Definite Plans Made for First Mixer 
To be Held on Feb. 25—Open to 
All Men and Women of University

Many More New Members Today

The membership constitution in the Women’s League began well yester-
day in spite of the bad weather and the characteristic questionable condi-
tions of the average crowd. The hun-
dreds of new members who crowded into the rec room yesterday were not 
entitled to such an impressive turn-out as the one securing so much satisfac-
tion. For now that the league is to have a real, substantial existence it will be 
able to begin its real work. Plans are already under way to enlist the 
help of many more new members.

DR. BOSE IS NOW IN WASHINGTON D. C.

Has Not Met Classes This Week—Working in Interest of Countries.

Dr. Sudhindra Bose has not been able to meet his classes in "Oriental Politics and Civilisation" and "Sino-Indian and Colonial Government," this week, owing to his presence in Washington, where he has gone in connection with the proposed visit of the Indian delegation to the United States.

Dr. Bose is the head of a delegation of Hindus representing the Pacific Coast Defence League. During the week he has been in Congress with Secretary of State, William Jennings Bryan, Senator Austin Symons, Senator Arthur C. Scoring Rice, Secretary of Labor, William B. Wilson. Owing to a conference at the White House with President Wilson, he is not expected to return until early next week.

C. F. U. NOTICE

There will be a meeting of the C. F. U. society at the K. K. hall Saturday afternoon at 4.30. All members are urged to be present.

HAWKEYE FIVE
DOWN TEACHERS

Iowa Five Wins First Game of the
Trip Defeating the State Normal
Team 27 to 14.

The Iowa basketball team won the
first game of the Northern invasion
defeating the Black Normal Five
in their own bra by a score of 27
to 14. Iowa won a single point de-
cision over the pedestrians at the
annual Allstate game. It was the
night's contest was. It is hoped, a
fair criterion of the teams' advance-
ment since then. Reports from
Cedar Falls state that the Negro
five put up as good a battle as they
did here but were no match for the
machine like team work and basket
shooting ability of the locals.

Last night the squad met the
hunky Minnesota five who also lost
the decision by a narrow margin
on the Iowa floor some time ago.

Tomorrow night the Hawkeyes
clash with the speedy Carleton col-
lege team in what is reported to be
the hardest fought game of the trip.

CLOSE OF REGISTRATION
Registration for the second sem-
ester closes in all colleges at noon
on Saturday, February 14th, as pre-
viously announced. After that date
students registering will be required
to pay the usual penalty of $5 for
each day of delay.

Mrs. W. W. Bailey and daughter
Fay are in the city visiting Mrs.
Bailey son Arthur who is a student
in the college of medicine.

CHANGE IS MADE IN
GIVING OUT GRADeS

Students to Get Report of Grades
By Mail—No Form Regis-
trar's Office

The registrar's office has inaugu-
rated a change in the method of giving
out the grades of students in profes-
sional colleges. Hereafter the stu-
dents have come to the office for
personal inquiries concerning class
standing. Not infrequently the same
student would come six or eight
times, writing out his report by num-
ber, as the various professors find
the results of the semester's work.
This year no grades will be given
out at the office, but as soon as the
reports of any college are ready,—the
students will be sent a full state-
ment—or as felt a statement as the
time of the faculty concerned per-
mits.

It is believed that this method of
giving out the grades will be accept-
able to the students as each will
have a complete written report which
he can file for future reference.

[^1]: CHANGE IN FOOTBALL RULES OF 1914

Foot ball rules for 1914 will in-
duce no radical changes according
to the decision of the National Rules
Committee which met recently in
New York. There are several minor
alterations but none which will ma-
terially affect the mode of playing.
One of the more important of the
changes is that in regard to the ejec-
tion from the game of a man who
roughs a passer or the receiver of a
forward pass. Formerly the offici-
ing player was sent from the game
at once, but under the new code the
referee uses his own discretion
in judging the man. The privilege of
kicking after a touchdown has been
eliminated and hereafter the team
must put the ball into play upon its
own territory. Coaches will be barred from the sides lines, as well as substitu-
tions.
