IMPROMPTU SPEAKING CONTEST TONIGHT

WOMAN'S FORENSIC LEAGUE TO HOLD ENTERTAINMENT SPEAKING CONTEST THIS EVENING

The first entertainments speaking contest ever given in the university will be held tonight in the natural science auditorium under the auspices of the women's forensic league. The plan of the contest is that subjects shall be chosen from the list appended below and will be spoken upon for not more than ten minutes. The contest is open to all members of the university and already have faculties indicated their intentions of participating, including some of the most noted young women in the university for ardent and polished speaking. There is no preliminary registration until the evening just before the performances.

An attempt has been made in selection of the subjects to make the range as possible, giving opportunity for talking ranging from humor to politics and women's rights. It is expected that there will be many interesting presentations of the different subjects and it is hoped that there will be a large crowd in attendance. There is no charge of admission to this contest.

The subjects follow:

- James Adams as a critic.
- Woodrow Wilson as a representative of America.
- Woman as politics.
- The education of American women.
- Recitation of immigration.
- Modern methods of combating tuberculosis.
- The winning cause at Iowa.
- The women's edition of the Iowa Queen.
- Soothing American air.
- The women of the state university to the commonwealth.
- The place of the W. V. C. A. in college life.

PANDEAN PLAYERS ELECT OFFICERS FOR THE YEAR

At a meeting of the Pandean Players held last night in the liberal arts building the following officers were chosen for the coming year:

- President: Lucy Gunkley
- Vice-President: May Brinkman
- Secretary: Lester Mastreger
- Treasurer and Business Manager: Carl Bross

Several plans for the annual production were discussed last night, but the final decision will be made Friday evening.

OUTLOOK CLUB MEET

The Outlook club met last night in the home of Miss. Minnie Hinkle. Professor Robert King read a paper on "The High School Boy."
A Splendid Business Opportunity

Sen.ator James H. Jamison, President and General Manager of The Western Michigan Student Loan Company announces, for the business of their late predecessor, Andrew Denison, is within our very grasp.

AGGIES DOWNED
BY IOWA FIVE

Hawkeyes Win from Ames 22 to 10
In Fast Content—Nevius Star of
the Game

The Iowa five defeated Ames in the
Aggie game Tuesday afternoon
by a score of 22 to 10. The game
was fast and furious, the Hawkeyes
rushing in at a whirlwind rate in the
first half, at the end of which Iowa
had a seven-point lead. In the last
period the Old Gold Warriors let
down a little when substitutions af
fected the team work somewhat and
the Ags cracked up a few points

IOWA SHOOTS WELL
AGAINST PURDUE

Local Riff lees Hang Up Good Score
Against Indiana School—
Two New Men On Team

With two new men in the line-up,
the Iowa team this week again hung
up a very creditable score, 195. The
match shot yesterday was against Purdue, and it is thought unlikely
that the Hoosier school will be able to equal this. G. W. Dowell
leads the list this week with a total
of 195. Kahn is a second-year man
on the team, but he has before had
suffered from illnesses in match shoot­ing
and has seldom been able to
do a very high place on the team in
his matches, particularly in matches that since he has now overcome his
ills, some high scores may be ex
pected from him. H. Kuhlman, fresh­man is third in the first team
ranking, and will do a place on the ro
ll of honor for the first time.

The Aggies score was dropped by
two of the most dependable shots, were able to
make the first team, Arness turning in
the lowest score he has shot in
a match for four years, 195. The
two defeated.

The detailed score follows:

First team—

B. P. Rondeau, Tot. 394
W. W. Kahn . . . . 97 97
R. L. Jaeger . . . . 99 99
H. Kuhlman . . . . 98 98
J. L. Chapman . . . . 94 94
J. A. Oldaker . . . . 97 97
G. W. Dowell . . . 475 491

Second team—

B. P. Rondeau, Tot. 394
P. G. Ingham . . . . 92 92
Fred Boerner . . . . 97 97
A. K. Arness . . . . 93 93
W. V. Adams . . . . 98 98
J. E. Dilloo . . . . 86 92

497 475 526

The ten man score is exceptionally
strong this week, being close to 996.
In last week’s match against the
Mass. Aggies, the local team was
defeated, 973 to 966. Although
Iowa’s score was a strong one, a vic
ory was not predicted as the Aggies
have been up to some remark
able scores all season. The Michigan
Aggies now lead the league with a
clean slate. Massachusetts Aggies
were met once again in the hands of
Michigan, and Iowa and Minnesota
are tied for third with two defeats.

This winter has been

IN MANY YEARS

When December and January are
considered in succession only two
 winters in the past fifty years have
been warmer than the present," said
Professor A. G. Borth of the univer
sity of Iowa, yesterday. "These were
in December and January ‘71-72 and
’72-73.

"The mean temperature for De
cember 62.5 °F and January ‘71
was something over 22 degrees,"
continued Prof. Smith, who keeps the
weather records in this city, and
NOTED PHYSICIAN
TALKS TO MEDICIN

Dr. C. H. Hilliard, Noted Anatomist, gave an interesting lecture yesterday when Dr. C. H. Hilliard spoke on anatomy. Dr. Hilliard is probably the only anatomist in the world who illustrates his lectures by experiments on his own body. During his lecture Dr. Hilliard throws the various bones of his body out of joint lecturing on them while in this position. In speaking of the arterial system he calls the veins and arteries in his own body to be enlarged showing the pulsation of the blood.

TO TALK ON MOVIES

The regular meeting of the motion picture club will be held in the physics lecture room Friday evening at 7:45 o'clock. Professors A. H. Ford will read a paper on the subject "Projection Lanterns and Their Manipulation." The speaker will outline the optics of the projection lantern, describe the various kinds of illuminations used for the manipulation of images and business of various kinds. The projection of opaque objects and moving pictures will be discussed. The public is cordially invited.

FORD TO SPEAK AT BACONIAN

The regular meeting of the Bac­onian club will be held in the phy­sic lecture room Friday evening at 7:45 o'clock. Professor A. H. Ford will read a paper on the subject "Projection Lanterns and Their Manipulation." The speaker will outline the optics of the projection lantern, describe the various kinds of illuminations used and give practical suggestions for the manipulation of lamps and lanterns of various kinds. The projection of opaque objects and moving pictures will be discussed. The public is cordially invited.

Delta Tau Delta will initiate Mon­day night.

C. F. Murphy is confined to his room with a severe attack of cold trouble.

Miss Louise Kynan, L. A., 15, of Win­chester is the guest of the Tri Delta this week.

Sigma Alpha Epsilon will give a dance-dinner at the Hotel Jefferson and Company 1st anniversary Friday even­ing.

D. G. Hunter will leave today for Chicago to attend an annual conven­tion of the Delta Tau Delta fraternity.

Max O'Brien returned yesterday from Des Moines where he attended a wedding.

Walter Penagro, who received his liberal arts degree at the mid­year convocation leaves today for Chicago where he will accept a position.

H. H. Haywood will leave for a short business trip to Marion.

Jack Schwind, M. D., will be at his home for the past few days his parents, Mr. and Mrs. J. W. Schwind of Dubuque.

New Tangs Pumps of Stewarts.

IOWA UNION IS NOW
AN INCORPORATED BODY

The Iowa Union is now an incor­porated organization having filed its articles of incorporation with the county recorder of Johnson county last week. Charles Meloy is named president of the corporation and the governing power is placed in the hands of a body of eight directors. The aims and purposes as set forth in the articles are that it is a fra­ternal organization to promote val­uable spirit.

CARL FLEISCH ENTERTAINED

Carl Fleisch, the young Hungarian violinist who gave a recital at the external scientific association was ent­ertained after the performance Wednesday night at the home of Prof. Odo Riesel. Mr. Riesel was formerly a pupil of Mr. Fleisch, and the evening was very pleasantly spent with old times reminiscences.

TO LECTURE AT AMES

Professor Charles Roundy Wilson, the head of the German Department lectured today (Thursday) at Ames, and tomorrow at Moul­dridge College, an university research instructor.

The Mission Study Club of South America will meet this afternoon at 4:30 in the Tower Room at Class Hall.

OTHER COLLEGES

J. W. Fisher, the first student en­rolled in the university of Kansas, visited his Alma Mater last week. Kansas university opened in 1866. Mr. and Mrs. Fisher had a very pleasant visit of Lawrence and the students gave them quite an ovation.

Men at the university of Minnesota will go on athletic board of councilors.

The glee and mandolin club of the university of Michigan will give a grand opera recital tonight.

Plans are being drawn for a new gymnasium for Apartment university. It is to be completed by 1893.

Walter Peter Steffen, captain of the Maroon football team in 1908, will coach athletes at the Cornell Institute of Technology, the coming year.

The invitational club of the university of Colorado will make three trips covering most of the state of Colo­rado this coming spring.

The university dramatic club of the university of Nebraska will present "How the Wise Was Won" at the act's conversation next Tuesday. Im­mediately after the conversation a mas meeting will be held.

Students at McGill university, in Montreal, Canada, are making plans for the second skating party of the season. All lady students connected with McGill university are invited. All men of the second and third years together with the faculty are expected to attend in a body.

A study is being made at the univer­sitY of Illinois to determine why so many fresher's fail. High schools are being examined to see if students become bettered to take up college work.

Over a billion dollars are spent ann­ually by the college of the U. S. for athletic purposes. These figures were given by Dr. Wimpert, physical director of the Ohio State university.

Triptides were recently held at Purdue in pick the wrestling team which will represent Purdue against Illinois tomorrow.
