UNION TO MAKE
MANY IMPROVEMENTS

STUDENTS AND ALUMNI RALLYING FOR MOTHER 1101 UNIVERSITY

Kitchen and Dining Room to Be Made Entirely Modern—Football Team to Have Training Tables—Three On All Floors

Numerous repairs, alterations, and changes are to be made on the 1101 Union. The dining room will be entirely re-faced and the cooking arrangements modernized. The idea is to make the room better equipped to accommodate the students.

The kitchen is to be entirely remodeled to bring it up to the standard of modern hotels. Under the direction of Mrs. Metzgar, who is to have charge of the dining room, every system of cooking will be improved. It is to be the best possible perfection a kitchen could be.

The job will be finished in its appointments and sanitary order in the next week or so. It is assured that it will be able to serve two hundred students quickly and efficiently.

The main dining room is to be furnished in its second story, and present plans are to add a small dining room which may be used by private parties and probably the house will be the brightest dining room in town.

They will have the "singing table" about which centers so much tradition and respect in the eastern schools, and which will add much to the efficiency of the football team.

Showers are to be put in both rooms, and may be used by members or members of the union or guests. It is expected to control water to the enthusiastic and interest of the campus.

Zeigathians Win in Championship Debate

(Continued from page 1) -

In his main argument, the Mayor of Indiana stated that his city had much to offer, with its rich history and beautiful landscapes. He emphasized the importance of maintaining a balanced economy and investing in education and infrastructure. The audience was impressed by his delivery and the clarity of his arguments. The debate was a success, and both sides were given equal time to present their cases.

The next debate will be held on Thursday, at 7:00 p.m., in the main auditorium. Both teams are excited for the upcoming match and are working hard to prepare for it. We encourage all students and community members to attend and support their favorite team.
