**WOMEN'S LEAGUE TO GIVE DINNER**

**VARSTY DINNER TO BE HELD THIS MONTH**

In order to aid the engineers and those who forecast their own work, the Women's league will give dinner in the basement of the Methodist church tomorrow evening from 7-9. This is the first attempt of the league to secure funds to put it on its feet and has the sympathy of the majority of students in the university. The committee in charge of the dinner promises a good square deal to the participants of tickets. Arrangements have been made to seat the hundreds and the tables will be limited to that number.

The dinner will be held in the armory, and those wishing to go to the dinner, should notify the ladies at the armory so that there will be no conflict. The tickets are $1.00 each at the door. It is hoped by them that every woman of the university will take an interest in the affairs of the league and will help the good cause along.

**PHI DELTA THETA**

**BANQUET AT JEFFERSON**

Local Chapter of Phi Delta Theta Celebrated Annual Founder's Day At Jefferson Hotel

The local chapter of Phi Delta Theta celebrated its 20th anniversary of its founding at the State University of Iowa, by a banquet at the Jefferson Hotel. Those present included every original founder of the chapter, many of them are living, but the rest present were guests. At the head table which followed the banquet, Mr. T. B. Goodfellow, a former member of the chapter, called upon the following men for thanks, Prof. W. B. Grant, Prof. J. H. Wood, Prof. Basil, Prof. R. H. Wood, Prof. George Ball, and Prof. M. Orrin. The decorations were in argent, jade, the carolier, the flowers, the food, and the wine were decorated with the present.

**FROWN VARSITY STAR**

**TO NORTHWESTERN UNIVERSITY**

P. O. West Lake Leavenworth to Join the Tacoma Team of the Northwest League

**LAUNCE LECTURE WEDNESDAY**

The lecture by Prof. Gordon S. Lang was very interesting in its relation to the current events.

**SIGMA SIGMA PHI TO ENTERTAIN DEBUTANTS**

**SIGMA SIGMA PHI TO ENTERTAIN DEBUTANTS**

**JOKE BOX TO REMAIN TILL END OF WEEK**

All Humorous Material for the Joke eye Jobber has been turned in by Friday.

Work on the 1918 Hawkeyes is within a week of completion. Busy of working up the joke section. The joke box which is placed in the university library will remain there until the work is completed. The raw material has been marked and the material used. There will be no more contributions of this kind for the season.

All the fraternalities, sororities, and other organizations that have not yet seen to the naming of the new section. Were writing the Hawkeyes, and the ready that is a matter which it is accompanying them. Are urged to do so at once. All this material is to be sent in next week, and we shall next week be required to admit this matter to a person to avoid pos.

**PHARMACY COLLEGE GETS VICE-PRESIDENT**

Each College is now in the process of electing a President. The new College of Pharmacy will have a new President, Charles M. A. Moller, who will be inaugurated early next year.

**STUDENT ORGANIZATION**

The student organization will meet at the armory on the evening of Tuesday, March 11. The fact that there is no Greater Union this year has given much to the desire that this might not be a university dinner this year. It is, however, to be represented in the society. It is, however, taken as a matter which to accompany them. Are urged to do so at once. All this material is to be sent in next week, and we shall next week be required to admit this matter to a person to avoid pos.

IOWA SHOOTS WELL AGAINST EASTERNERS

Nine hundred and sixty was the total of the score hung up by the Iowa riflemen in their match with the Massachusetts “Tech” shooters this week. The contestants have shown some very good scores this year, but it is expected that the locals will be able to top the score of the New Englanders. The individuals and teams scores are as follows:

Summary Tota.
Verne W. Weems ... $4 95 193
Raymond L. Jaeger 95 193
Paul G. Ingham 94 193
James L. Chapman 92 191
Arthur J. Arrancone 94 190
Total .......... 675 969

IOWA'S FIVES HERE THIS WEEK

EIGHT HIGH SCHOOL TEAMS TO COMPETE HERE FRIDAY FOR STATE CHAMPIONSHIP

Following the elimination contests of last Saturday, eight of the finest high school basketball teams in the state will be here Friday and Saturday of this week to compete for the championship laurels. At Grinnell, Davenport, last year’s champions, and Grinnell were victorious; at the Drake gymnasium, College Springs and Carver took first and second places; at Cedar Falls, Cedar Rapids and Clinton survived, and Sioux City and Ft. Dodge will represent the northwest section, having been returned winners on the Ames floor. The tourney will start Friday afternoon and Friday evening. There will be at least six contests each half of the day and that means some great basketball of the highest order. The matches will be shown here at the movie theater.

THE CASTLE

The chemistry laboratory is in use this week and no one remembers when such a thing occurred before. And the chem. lbs. are to put on some interesting things, too, according to Prof. J. X. Prout, whose students will have charge of the affair.

In Mr. Dodge’s laboratory the junior engineers have fixed up all sorts of odd things. Among other things, the smallest power plant in the world will be shown in operation. Also they’ve got real light, cigars and blow gun powder by simply painting a forefinger at the things. A genuine (11) electric chair—the same sort they use on criminals—will be ready for use and if anybody wants to shuffle off this mortal coil he will have a chance.

The wheelers will be turning in the steam laboratories and in the shops. They have some lovely little models rushed down to the shops and these will be showing off their good points. Most of them were made by students. A variety of other tools and machine parts have been made by the engineers during the past six months, and these, too, will be on exhibition.

In the engineering building itself and in some of the laboratories regular classes will be in session, the idea being to show engineers at work and the sort of product they turn out. Uniformed guides will be provided at the engineering building to show visitors over the entire exhibit.

IOWA INSTRUCTORS RANKED AMONG NATIONAL SHOOTERS

The names of two members of the State University of Iowa faculty are found in the list of Iowa trap shooters for the year 1912 which were given out last week. In the list of 428 contestants Prof. H. C. Horner of the law college was 175th with an average of 350 and Prof. R. J. Lambert of the engineering college ranked 334th with an average of 364. Six other Iowa City men were among the 428 amateur contestants who participated.

SCHOLASTIC FIVES
OPEN TO VISITORS TODAY

The first number on the engineers’ list of activities will appear this afternoon. It will consist of a big exhibit of all things engineering. The engineers have held exhibits before. But this time they allege that they’re not previous affairs beat a mile.” Even the chemistry laboratory is in use this week and no one remembers when such a thing occurred before. And the chem. labs. are to put on some interesting things, too, according to Prof. J. X. Prout, whose students will have charge of the affair.

In Mr. Dodge’s laboratory the junior engineers have fixed up all sorts of odd things. Among other things, the smallest power plant in the world will be shown in operation. SOPHOMORES WILL COMPETE TONIGHT

Eight Men Entered for Annual Sophomore Oratorical Contest by Egan Price

The preparations have all been completed for the annual Sophomore Oratorical Contest to be held in the Liberal auditorium tonight at 8 o'clock. Many of the best of the sophomore speakers and orators will take part, and the competition for first place will be an unusual hot one. The prize for the winner of $25 is offered by George Egan of Sioux Falls. A B. S. former 90 student, Mr. Egan also bears the entire expense of the advertising, etc., so that the admission to the contest is absolutely free. This is the only one of the foregoing contests which is run on the basis and on this account an exceptionally large crowd is expected.

The judges for the contest are: Professor H. E. Illisow, Professor C. L. Wassam and Professor Likel.

Order That Iowan Now!

A Special Edition of the Iowan will be issued Thursday, March 19th, devoted to the Engineer's celebration. And that

ENGINEER'S EDITION

Will be worth sending home to your friends. No other university in the country has a celebration like the Engineers put on each year.

Send It To Your Friends
Show Them What a Little Pep is Like

In order that the management may know what demand to expect orders for the Iowan should be placed in advance. The rate will be

6 Copies 25 Cents

Orders should be left at the Iowan office or in the engineering library.
