Organ Recital

This afternoon at the Methodist Church at 4:00 o'clock Mrs. Preston Jones will give an organ recital assisted by Mr. Hourly Gilliland, who will read Rosetti's Eleven Duets, also to music by Paul Bliss. This will be the second in the series of recitals by Mrs. Gilliland under the auspices of the Presbyterian Women's Aid Society.

The Price of Tickets Will Be 50 Cents.

Students and Faculty Members to Receive Tickets by Mail Monday—Great Demand.

Owing to the extraordinary demand for tickets to the John H. Rott Lecture series, the local association has limited the number to be given out, and has had to refuse many requests from all over the state already. Each student and faculty member will receive his ticket by mail Monday. Tickets will also be issued to business and professional men of the city who have been interested in the support of T. M. G. A. work. Tickets from campus authorities and others will be charged to fifty cents in number, the association secretary and four other delegates. Professor H. W. Brown, chairman of the committee, will have charge of the distribution of tickets. These tickets will almost certainly be useful to the associations in preparing for the beginning of the lectures, April 24, and ending Monday night, the 26th. Reserved seats will be held until five minutes before the beginning of the lecture, then the doors will be thrown open to the public and closed when the house is filled.

There will be just one measuring open to the general public, to which tickets will not be necessary for admission. This will be the opening lecture of the series and is bound to be the most in demand of any this afternoon.

Mr. Whitefield, doctor adviser to the public committee, will have charge of the distribution of tickets. These tickets will almost certainly be useful to the associations in preparing for the beginning of the lectures, April 24, and ending Monday night, the 26th. Reserved seats will be held until five minutes before the beginning of the lecture, then the doors will be thrown open to the public and closed when the house is filled.

Tickets for Mott Lectures Limited.

Booster

Because the athletic association's charge a nominal admission price to the Dartmouth- Iowa baseball game this week is no reason why the students should not support the team. The admission price will not charge this price unless it needed the money for the betterment of the athletic situation.

We realize that yesterday was the first day after the vacation and many were getting back into work after the short rest. However, it was a disappointment to the team. The seat was only filled to half the capacity in the baseball season. The team needs the backing of the student body. It deserves the backing of the student body. The team needs the backing of the student body.

The seats are 4,000 more. This afternoon, Tuesday, and Saturday afternoon. If the days are as fine and warm as yesterday was you will see three excellent games. Boost!

$1.00 Reward for return of large black Pomeranian pup. Leave at Iowa office.

For Sale—Modern cottage was for sale, just completed. Four rooms and bath, with oak floors and doors. Furnished in bath and all rooms, place, sleeping porch, electricity, pressure pumping system, furnace, one-half acre, wooded. Two minuets west of Capital St. J. Brant.

Alumni is Re-Elected

Sytt. J. D. Ralph, '16 of Tipton, Iowa, has been re-elected to the supervision of the school board. Ralph is the only one running in the city for the existing year at a substantial increase in salary. Mr. Ralph's work in the schools there has been so satisfactory that the board, unwilling to lose him, has made the added indebtedness to retain his services.

Clinton Alumni Hosts to Seniors

Give Off Old Costume for One When They Hope to Do More for Iowa

Entertain the seniors the Ladies of Alumni and Friends will give a costume party on "Exodus 870." Large Delegation Promised From Those Next Fall

Every day new developments come to light which make "3600 in September" look more and more probable. Likewise Iowa loyalty and spirit, the kind that does something for Iowa becomes more evident. Our present example of this is seen in the Clinton County who at Easter time gave up their campus haunted chapel and took instead the old chapel of Clinton and Lyons High schools to see the Iowa enginers in $15,000 a year. They, they thought, would surely interest more students in their Alma Mater and that they were corrected is proved by the enthusiasm of the crowd.

There was a large house, despite the fact that the performance was given on Good Friday. Many students were at home, and Clinton boasted of a large number of loyal alumni who were liberal in their patronage.

DRAKE RELAY RACES

ATTRACTING INTEREST

Colleges of Missouri Valley and Western Conference Represented

When the colleges and universities of the Missouri and Western Conference were to meet next Saturday in the Drake relay races there will be one of the warmest athletic events held for many years. This is the information which is coming from many different sources.

Once a year chance has been made so that the half-mile event will be run this year for the first time. Herefore there have often occurred accidents, because of the speed with which the men have to make the event. When running in and branching of the runners there is likely to be serious injuries from the excited people. This danger will be eliminated by the runners keeping in the lane.

Coach Jack Watson has been one of the ardent advocates of this system of running the half-mile race.

There is considerable interest in these races this spring. Despite the cold and unfavorable weather for training out of doors, there seems to be more than the average number of men out, averaging up the number of colleges and universities represented. Five universities of these western conferences will send teams to these races. They are:

- Iowa, Chicago, Wisconsin, Illinois and Northwestern, in the Missouri Valley, Missouri university, Kansas, Iowa and Drake, at least will be represented.

Miss Creamer of the home economics department is entertaining her duty free at Des Moines, Iowa. The county superintendents were entertained at a reception at Currier Hall yesterday afternoon.

Miss Cornelia Whatton spent a few days of vacation visiting in Clinton.

John L. Wink, L. A. ’74, of Waveland, is back home in Missouri hospital for the past two weeks, is improving and will soon be out.

Mr. Jean Mulhern of Keota is back home in North Dakota.

Robert M. Graham, L. A. ’17, is in the university hospital. He is being operated on by Drs. McPherson.

For the first time this year the whole Illinois university regiment drilled together last Monday.

Miss Lois Coleman, a christian college junior climbed 100 feet to the top of a water tower to substitute her class colors for those of the men.

HAWKEYE SHOP FIRST TWO GAMES TO Davenport SQUAD

(Continued from page 2)

Iowa broke into the run column again in the sixth stanza after DeYoung had replaced Hendricks in the center of the diamond. Laucks stepped toward center and Hauth walked. Hanson fouled out to Wilson. Hauth beat out an infield grounder to short filling the bases. Coach Kent sent Hanson to bat for Foster. Hanson was given free transportation which tipped in Laucks. Hamilton, batting for Gross, struck out, Blair’s base drive was grabbed by Wilson. Run, 2 hits, 0 errors.

In the seventh frame McCallan sent out to right. Brueckner was given a life on Beuer’s fumble. Laucks fouled in to Beuer. Hauth crashed one to third. Laucks was safe on error and Hauth went to third. Hauth struck out and everybody ran for a cold supper.
