HAWKEYES SHUT OUT THE GOPHERS IN WARM CLASH

Game was Featured by Brilliant Playing on Both Sides—Laucks Almost Air-
-ing Final Score 3-0

For the second time in two weeks, yesterday afternoon, Pritchard Laucks had Minnesota on his staff and with the assistance of his mates performed a seat job of astounding to the tune of 3-0. Laucks was master of the situation at all times, limiting the entire Minnesotan crullers to three boxes and forcing nine of the Ninjas to vainly breathe their other in their attempts to connect safely with the point zero. The Minnesota play was air-tight holding support and opportune batting when Hawkeyes hopped the basemen, were the misfiring boys of the result, but Buckers, the premier of the Minnesota club men, did not prove to be much of a puzzle to the local hitsmiths and the lads was also inclined to be unyielding, shot himself out of some tight holes.

Neither side was able to do much in the first two frames. In the first stanza, the position was mighty cloudy and nothing was on the ball. The position was mighty cloudy and nothing was on the ball.

Seven innings brought the score totals in the second half of the third, leading.

Mike Anderson, the freshest of the freshmen, and L. A. Young, with this additional strength hope to come out on top in the next battle with the northern.

CAPTAIN

HAWKES SHOT OUT

GOOPHERS IN WARM BATTLE

(Continued from page one)

During these frames before the masterly twirling of Laucks, Iowa lost an excellent chance to score in the sixth. Snyder bunted to left and Laucks was safe when he ran through the pill off Town's mitt. Hauth scored both base runners on a catch in his sacrifice. Bacon whipped and Steverding's long drive was smothered by Mundy.

In the Minnesota seventh, Dunnum made his team's second hit when he singled over second. Pennington popped out to Jacobsen. Laucks struck the Minnesota rally when he threw to Hauth caught Dunnum at the sock. A miniature pandemonium breaks forth from the visitors' bench, as a result of Umpire Batchelder's decision declaring Dunnum out. The Minnocks howled long and loud for the removal of "Batch" from his umpiring duties and asked that someone else be substituted to officiate during the remainder of the game. They argued that "Batch" had allowed Laucks in ball in the first base play and al- lowed that he was otherwise incompetent. After about five minutes of lawn-bout wrangling, Batchelder pulled off his whistle and threatened to forfeit the game to Iowa if the diamond was not cleared of visiting players in three minutes. This procedure had its desired effect and the hostilities, (diamond) was resumed. Firsch was safe on Jacobsen's overthrow and continued to second. On an attempt to catch him mapping the ball rolled to center, the runner gained third. All danger was averted when Mundy flew out to deep short.

No more scoring ensued, however, upon either side, although opportunities were not absent. After two were down in the Iowa seventh, Hanson doubled to left and asked that someone other than the first baBe play and allowed on Iowa field this year.
