HAWKEYE TRACK TEAM TO CHICAGO SATURDAY

FINAL MEET OF WESTERN CONFERENCE TO BE HELD ON "MARSHALL FIELD"

Tyler Øring To Witness Ankle-Garretson and Killeen To Escort Weight Events-Much Expected From Them.

The last crowning effort on the part of the Hawkeye track team will be made next Saturday, at Chicago when the annual Western conference is held on Marshall Field, with the university of Chicago as the host. Under the able direction of Coach Jack Watson, the track season has been one great success crowned by the prize won when the season opened. At the present time, Capt. Parsons, Shrader, Bowen, Garretson, McCallister and Burgess compose the squad which will represent the state university at the conference meet. Despite the fact that the team has been one of great success considered the Hawkeyes will make little change in the personnel of the squad. An excellent record may be expected to continue the season. Bowen, a veteran, figures prominently in the distance events, while Shrader, a powerful sprinter, is expected to hold his own in the sprints.

PANDEAN PLAYER CLAIMED BY CUPID

Miss Katherine Cook of the Panedan Players Succeeeded To The Little God

What further damage will the H. U. Dan Cup do? His present claimant Katherine A. Cook, the leading lady of "The Road to Yesterday," will be captured by any other members of the cast. The repertory of this play Thurs-day evening at the Englert Theatre has aroused the varisty gymn. Miss Cook's engagement was announced last week.

PANDEAN PLAYERS WILL REPEAT POPULAR PLAY

"ROAD TO YESTERDAY" TO BE GIVEN UNDER THE MANAGEMENT OF IOWA CITY CLUB

Full House Predicted Because of Former Popularity of Play and Weather-Friday Rehearsals

To make up for the absence of the Hawkeye track team, the Panedan players will present "Road to Yesterday" this Friday at 6 o'clock in the Englert Theatre. The repertory of this production by the Panedan players of the university has been a big hit in the city, and attendance of the crowd will be greater than ever this Friday night. The acting is pronounced by all the players to be one of the best presented plays of the year. At least one rehearsal is to be given this week to make up for the absence of the Hawkeye players, which has been one of the leading characters in the production. The play will be continued over the next hour.

ATHLETIC BOARD TO MAKE CHANGES

At the next meeting of the Board of control of athletics there will be a long list of actions as well as a number of articles of incorporation. Several other matters of importance will be taken up. Among the matters, will be the awarding of the freshmen numbers and base ball numbers. Following is the change in the articles of incorporation. I hereby give notice that the following meeting of the Board in control of athletics, 1 shall move to amend the articles of incorporation, by striking out article 3 and inserting thereof, the following:

"The board shall consist of five members appointed by the presidents of the staff of instruction of the said university to be appointed by the acting presidents of said universities, and shall consist of one each from those giving instruction in the following colleges: Liberal arts, law, allied sciences, medical curricula, and pharmacy."

The following headline: Football, baseball, track, basketball.

The Director of Athletics appointed by the State Board of Education.

ATTENDANCE AT UNIVERSITY CAMPUS

The all-university campus service, which will be held this evening under the direction of the N. H. M. and Y. M. C. A., will be the last service of the year for those two societies. A big booster meeting at which the university men and women will be told how to win their school during the summer months was thought to be the best way of closing the year's work. Dean Raymond will speak on "Boosting for Iowa during summer vacation," the meeting will be held on campus in the front of the library building." Miss Margaret M. Robe, the president of the Y. W. C. A., next year, will preside at the meeting. Robert Fullerton will give a talk on "Physical Education" and one should come and learn how to boost his alma mater during the vacation months.

FRESHMAN ATHLETES APPEAR LAST TIME

SPECTACULAR TRACK EVENTS FEATURE LAST MEET OF YEARLING AMATEURS

Dutton and Bowe Did Not Compete

At the Third Annual University Games, held in Iowa, Fort-Howe Has Covered In High Jump 5 Feet 10 Inches.

The Hawkeye track athletes competed in their last informal meet of the season yesterday afternoon on Iowa field, and some great marks resulted to show their developments during the spring's work. This concludes their efforts for the year, and class numbers will be awarded to the most consistent performers by the Athletic board on the recommendations of Freshman Coach Floyd Thomas.

The most spectacular race in the afternoon was the 100-yard dash, in which the speedy Kieler broke the tape in ten seconds flat. Gas and Schodde also tied for second place. Gas later won the 200-yard dash in 21.2 with Speegler a close second. He used Snyder out of first place in the 440.2. Dul- ban and Howe did not compete yesterday, but their previous marks this season show they will be track athletes of the first class. Dutton has hurled the discus 113 feet, while Howe has cleared the high jump at 5 feet 10 inches. Summaries for yesterday's events follow:

100-yard dash-Kieler, first; Ge- nn, second; Speegler, second. Time 11.6 seconds.

220-yard dash-Geen, first; Speegler, second; Adams, third. Time, 21.5.

440-yard dash-Howe, first; Sawyer, second. Time, 50.2.

220-yard low hurdles-Parker, first; Johnson, second. Time, 23.2.

Mile run-Fisher, first; Bresnaw, second. Time 4:39.2.

Discus—Grubbs, distance 161 ft.

ON ADVERTISING

Iowa was the first state to organize a state association of advertising clubs for the promotion of honesty and efficiency in advertising.

Advertising is "the educational force in the greatest era of commercialism the world has ever known."

The United States alone spent between 190 and 1904 million of dollars every year of which is spent with "the fundamental thought of teaching these things, the propagating of which is to the interest and profit of those who pay the bills."

The Associated Advertising Clubs of Iowa has for its one purpose the promotion of that "which is to the interest and profit of those who pay the bills."

The 8th annual convention of this association will be held in Iowa City October 22 to 24 inclusive of the dates of the University of Iowa homecoming.

Instead of asking for contributions to entertain this convention the men are asking for the patronage of the city to a good play—possibly the best amateur offering that has ever been placed in the Englert theatre next Thursday evening.

The administration frankly admit it is not a great production every placed before the Iowa City public. They do say, however, that it is a clean wholesome play well produced by a capable cast which has had splendid coaching.

By attending this play you will help yourself, and you will aid better business. Best of all, you will assist in placing Iowa City on the map as a real live, wholesome, respectable convention city.

HOBBS WRITES THEMES

While Confined To Bed

E. C. Robbins, L. A. '10, who for the past two years has been working for his doctor’s degree at Columbia and has accomplished a feat which perhaps few persons will ever equal. Since last January he has been confined to his bed with spinal trouble and only within the past few weeks has he been able to sit up for a short time. Yet during this time Mr. Robbins has completed a study regarding the Order of Eurydice Confraternity which will soon be published in the Columbia University Studies.

Mr. Robbins received his master’s degree from Iowa in 1912 after making a study of the prize of trade union in Cedar Rapids in connection with his studies in labor problems. This work at Columbia was then continuation of his studies of labor organizations. Mr. Robbins, however, with all of this effort will be unable to take his degree this month as he had expected. Although he had completed his studies in bed he is unable to be up for a long enough time to take the examinations and said will have to wait until such time as his doctors will allow him to undertake the examinations.
