**STYLISH SUITS AT SAVINGS PRICES**

That's the story in a nutshell. You want good up to date clothes. You are willing to pay a moderate price, all they are worth, but you don't want to pay five or ten dollars extra for the name of the makers.

Lang ago, Charles Felden, saw the possibilities of building up a big business on that principle. He sells standard clothes made by responsible makers, and he doesn't ask you anything extra for the name.

That a successful clothing business can be conducted along just those lines is proven every day by the marked increase in business done by the Central Clothing House.

The same saying is given the customer in all lines of Gents' Furnishings, whether you buy a suit, an overcoat, a necktie or any article from the furnishing line.

Our stock is complete in every particular. Come in. We know we can please you.
