MEN ON SIDE HILL GIVE RECEIPT

ENGINEERS HOLD ANNUAL RECEPTION FOR PATRONYING MEMBERS AND PRESENTATION.

NEW TELL OF VARIOUS EXPERIENCES DURING SENIOR YEAR, ENSNARES ELECTRICAL TUNA TO BETTA PI.

Loose Reception given new students and freshmen by the older faculty members and students of the class of 1916. An announcement for the same was well attended and one of the most successful ever held. The receiving line formed about 1:15 o'clock was followed by the assembly of the entire company in the students' room of the engineering building, where a series of two variations were given, followed by refreshments and general merriment.

Prof. E. J. Larned of the structural engineering department presided. The first speakers were musical, and the students were requested to remain in order to hear these. Suitable arrangements had been made for Friday evening, this being the day of the reception, and the assembly was well attended and one of the most successful ever held. The receiving line formed about 1:15 o'clock was followed by the assembly of the entire company in the students' room of the engineering building, where a series of two variations were given, followed by refreshments and general merriment.

President Wilson's proclamation in which he called on all the people of the United States, on Sunday, October 4, to pray for peace in Europe, is as follows:

By the President of the United States of America. A Proclamation.

Whereas great nations of the world have taken up arms against one another and war now draws millions of men into battle whom the counsel of statesmen have not been able to save from the terrible sacrifices and.

Whereas in this as in all things it is our privileges and duty to seek counsel and succor of Almighty God, humbling ourselves before Him, confessing our weakness and our lack of any wisdom equal to those things, and.

Whereas it is the especial wish and longing of the people of the United States, in prayer and counsel and all friendliness, to serve the cause of prayers.

Therefore, I, Woodrow Wilson, President of the United States of America, do designate Sunday, the fourth day of October next, a day of prayer and supplication, and do request all God fearing persons to repair on that day to their places of worship, there to unite their petitions to Almighty God, that overruling the counsel of men, setting aside the truths they cannot or will not acknowledge on the names now in the throes of conflict, in His mercy and goodness showing a way where men can see none. He restrains His children抱着 peace again and re-

store once more that corned among men and nations without which there can be neither happiness nor true friendship, nor any wholesome fruit of toil or thought in the world, praying also to this end that He forgive us our sins, our igno

rences of His holy will, our willfulness, and many errors, and lead us in the paths of obedience to places of vision and to thoughts and commands that pique and make wise.

In which we hope to have hereof set my hand and cause the seal of the United States to be affixed:

By the President:

WILLIAM JENNINGS BRYAN
Secretary of State.

A NOVEL DEMONSTRATION.

Introducing "Curtis" in Iowa's football fans in the windows of Bloom-Mayer Clothing store was a demonstration held immediately af

ther the football game yesterday, that created considerable attention.

Mr. Jack Fleming of Chicago to

ger with a youth named "Curtis," demonstrated a new invention in "Clothes for Fall."

A large poster extending the enti

tire length of the window labeled "Look at your clothes—they are cut wrong" attracted the attention of all household "godless fans".

FIRST DRESS-TUESDAY.

Tuesday, October 6, will be the de

finitive of the year. All men who

drilled last year in Company A and

will be in Company this fall, and

who has a pair of shoes in a com

pany. All last year's men will be

expected to appear in uniform.

FOR RENT—Modern front room.

No. 4 Bloom Terrace, Tel. Black

117.

FOR SALE—Military uniforms, and one year, cheap, on St. Paul Black 319.

THE WAR will take your Cripples

If they are hopeless we will
tell you so—if we won't, we'll
ship them up right and deliver them
wherever in town on the same
day. If you want to bring them in and wait, we'll have
something for you to wear and read. We're for shoes, econo-

omy, new or old. When we

half-size a shoe you can't tell
it's been half soled; it's really

whole soled for half-size price.

Everything else in our repair
department is of the same high
grade, the best in the city.

Have your repairing done
here. Quickness is one of the advantages of our repair de

partment.

(Continued from Page One)

elections to Tau Beta Pi, the honor society engineering society. The highest suspense this year is Mr. Monds, who has the singular record of receiving one-B plus grade and the real all A’s in his two years work in the classes. This is the recent scholar ship thus far. The other elections to the Beta Pi were Gallaher, A. Smith, and R. S. Parrs from the senior class. Besides announc ing the Beta Pi elections Dean Raymond also offered some friendly advice to the freshmen, and made some general remarks on the coming year’s work.

President Brandon fittingly closed the speechmaking with a tribute to engineering as a profession. His remarks were replete with interest to all those present.
