PICTURE OF FREMONT SQUAD WILL BE GIVEN THIS EVENING

From Working Together in Good Shape—Stronesia Work in Preparation for Cornellian—Not Ground Stopped Practice on Field

Fremont's men had their pictures taken yesterday but the ground didn't do as much else. The north end of the field was used for the workout, the gridiron being wet, and the coaches wishing to keep it in good condition.

The team worked at blocking with the making dummy and charged uncer more or less back on the practice in a light east wind. Gau-

mills at full and Carberry at end showed up well, Garrett running through the freeline for

line gains. Fran Chance, until recently

under Minnesota's coach, and former manager of the Denver West machine, and Major

Nelson, former Harvard star, were

among the varsity squad.

UNION CAMPAIGN
The Iowa Union is secure, as one of the most important student organizations in the university, organized permanently last spring and is in good running order before the end of the academic year, the Iowa Union opened this year with every room in its Union building occupied, and with the tables well filled.

The membership of the Union notably increased with the opening of the academic year, but after the first rush ended, the membership subscriptions became less and less.

The union hals in the hands of the university student is self-evident. We believe that those who have not yet joined, have failed to do so through neglect. Do not be another day pass before joining the one organization in the university that has for its object the democracy of the university and the welfare of the student, regardless of class or status.

UNION MEMBERSHIP
IN BOOMING NOW
All of the story or more men who are out soliciting members for the Iowa Union have not yet turned in reports, more than 194 new members have already been secured. These two hundred members have voluntarily joined. No estimate can yet be made concerning the number of new members added thus far in the campaign.

From Union headquarters come the report that the membership campaign is being pushed with success. A definite time has been set for the continuation to report that number, but before the week-end some definite figures will be given out.

It is expected that a number of new members will be secured Friday night, when the first dance is held. All members of the Union will be admitted to the floor upon presentation of their membership ticket. Tickets to the dance will cost fifty cents, as those who attend the dance will save half of their membership price by joining the Union before the dance.

The first social event of the Iowa Union promises to be a big affair. The students are looking forward to this social gathering as an exceptionally enjoyable time. It will be the first opportunity for the students of the aggregate to get together under the auspices of the Iowa Union. Bartley Hall promises that the tango band will be better than ever and that everyone will have a good time.

Homecoming at the City's Capacity
This Year—Problem of Housing Volumes

The question of providing rooms for the alumni who will be here at the time of the third annual home- coming, and at the time that Iowa plays Minnesota, is already becoming one of great importance. Instruc- tions must be sent in a, round breaking crowd at this time. In order to ac- commodate the visitors the alumni association has asked that all Iowa City residents who have rooms that can be used from October 21 to 24, send a card to the address of the Freshman Ticket Office.

TEACHER'S AGENCY
OPENS BRANCH HERE
H. H. Blanchard Is Manager of Iowa
City Branch of Northwestern
Agency.

The Northwestern Teacher's Ag-
cy, of Boone, Idaho, has recently
opened a branch office at the V. M.
C. A. building, under the direction of
Mr. H. H. Blanchard, student man-
ager. It is expected that a large
number of students and teachers will
take advantage of the opportunity
to conform themselves with this agency,
on account of the increased advan-
tages offered by the schools of the
western states in both salary and
opportunities for new fields.

The Panama Exposition is also an-
other drawing card for the western
students, as many who expect to take
a trip west will locate positions be-
fore starting.

Mr. Blanchard is emphatically qual-
ified to handle the interests of the new
agency as he is personally acquaint-
ated with the management of the
agency and he has had considerable
experience in teaching in both Idaho
and Iowa.

An Explanation of Our Ticket

WE BELIEVE THAT THE PROGRESS OF THE UNIVERSITY, BOTH IN ENROLLMENT AND IN SPIRIT, DEMANDS A GREATER AND MORE REPRESENTATIVE 'HAWKEYE.' WE BELIEVE THAT THE OLD SYSTEM OF EDITORS IS INADEQUATE TO PRODUCE A BOOK THAT IS TRULY GREATER AND MORE REPRESENTATIVE. WE BELIEVE THAT THE 'HAWKEYE' IS TOO LARGE A PROPOSITION FOR TWO MEN, BURDENED AS THEY ARE BY CLASS WORK, TO HANDLE. WE PROPOSE TO MEET THIS TOO APPARENT CONTINGENCY FACE TO FACE. WE BELIEVE THAT THREE MEN ARE DEMANDED BY THE SIZE OF THE TASK BEFORE THE CLASS OF 1917. TRUSTING THAT THE CLASS EXPECTS AND DEMANDS A LARGER AND GREATER EK ANNUAL, WE PLEDGE OUR UTMOST EFFORTS TO SATISFY THESE DEMANDS AND EXPECTATIONS.

PLATFORM OF FRESHMEN SQUARE DEAL TICKET
Strictly Representative and Independent

Freshmen, this is your ticket. It was formed at a Class Caucus and is truly representative, democratic and progressive in nature.

Don't think, Freshmen, that any of the above candidates were anxious to have their names put on this ticket because of the insignificant office they are running for. They consented with the greatest enthusiasm only after representatives of over fifty members of the Class urged and demanded they become candidates.

They declared before accepting the nomination they did not care to run if partisanship or petty politics should divide the Class. But all should work to the best regulated Class S. U. I. ever graduated—one the freest from petty jealousies and ambitions.

The candidates pledge themselves to a straightforward business-like administration of all Class activities. They pledge themselves to the biggest and best Freshman party ever given in the history of S. U. I.

Mr. Davis pledges himself to appoint a Freshman Party committee with the understanding that all surplus over and above social expenses shall be turned over to the Class Treasury to start a fund for the purpose of erecting a suitable memorial for the Class when seniors. Or if the Class so move with a two-thirds majority, to use same for legitimate purpose.

Freshmen, if you believe in a square deal, if you want the best organized and most efficient, but capable Class officers—vote this ticket Friday.

Let the Freshmen hold their own election this year. Let us crush any machine candidates that may be put forth.

We do not engage in petty arguments, but:

The Class wants their invitations early;
THE INVITATIONS WILL BE AVAILABLE BY MAY 15th.
The Class wants the appointments made early;
ALL COMMITTEES WILL BE APPOINTED BY CHRISTMAS TIME
The Class wants a Memorial;
THE CLASS WILL HAVE A MEMORABLE CLASS MEMORIAL
The Class wants a clean, honest administration;

The Class wants every dollar accounted for;

The Class wants a representative ticket;
EVERY CANDIDATE ON THIS TICKET HAS WORKED FOR THE BEST
INTERESTS OF THE CLASS FOR THE LAST FOUR YEARS
This ticket was put in the field because the class wanted it.
We have no other idea than to carry out the above provisions fairly and
squarely with every member of the class.
