MEASURE MEN FOR MILITARY SUITS

GOVERNMENT MEASUREMENT WORKS FOR STUDENTS ON NEW SUITS

Will Have Different Color and Different Quality of Military Suits This Year—Two Days Given for Procuring Suits.

Military failures, representing the M. C. Lilly company, will this morning commence the work of measuring new students for uniform suits for the coming year.

The work will open at 9 o'clock this morning at the office of Continental Thieves. The students, both men and women, being measured, will be required to deposit $1.00 with Secretary Shores, which will be returned when suit is received. All results must be presented at the office of Lieutenant Thieves where application for uniforms are made.

Measuring will consist of coat, trousers, hat, leggings and belt and cord. The suits this year will be made of the United States standard olive drab wool cloth. The change is being made in the color of the uniforms this year because this grade is far more serviceable, and, according to the government, recommends this cloth for all general service.

The suits will arrive in Iowa City about November 11. The new chemistry building, as the old physics hall, is finished and will be opened about the first of December. The new building is larger than the old, and will be more modern in appearance.

First Meeting of Hawkeye Editors Held This Week

Four New Editors Announced

First Meeting of Hawkeye Editors Held This Week

TWENTY MEN AND WOMEN WERE ANNOUNCED

Meeting for the first time this week, the Hawkeye editors, their associates and assistants gathered in the Hawkeye offices Tuesday evening to lay out the preliminary work for the publication of the 1911 Hawkeye.

The Hawkeye staff this year will be larger and more complete than any ever before. Each department will have its separate editor, as well as the college, fraternity, women's, and management plans to issue a book much larger and much broader than any published previously.

The feature of the evening was the formal call put in by 12 of the girls who cooked in the room meeting for the Y. W. C. A. campaign, which is sponsored by the college. The regular union meeting, as well as the Y. W. C. A. meeting, will take place Wednesday evening.

The girls who did not go heard all about the work of the girls who did, and were organized.

It was decided that a society of cheerleaders would be organized, to be called the cheerleaders, and the work and the lectures, as well as the tax.

The club will publish once a week, and will be available at the office of the Manager of the University Union, 1911 East Washington Avenue.

Your Chance to see the Ames Game

IOWA UNION WILL GIVE BANTRY FOR NEW LAY, LADIES

Mass meeting to give a boost to the lay, ladies for the Minnesota game will be held Thursday night.

THREE EDITOR SYSTEM INstitUTED THIS YEAR

The Y. M. C. A. campaign, which is progressing rapidly at present, will be conducted by the students.

The students have arranged a three editor system, with the hope that this will be more effective than the regular system. The campaign will be conducted by Assistant Editors, who will be in charge of the work, and the regular editors will be in charge of the office.

The campaign will be conducted by Assistant Editors, who will be in charge of the work, and the regular editors will be in charge of the office.

VILLAGE LEADERS TO GET NEW GLOVERS

(Cast from Page One)

(Continued from Page One)

The year has passed upon their ability to work together, and it is stated that the time of the memorial will be used in the course of the same material, to be placed on the pedestal of the statue.

The class numbers will be carved in the base of the pedestal of the class of 1917. A central walk will be built from the central walk to the bench. It is the plan of the class to plant a private hedge around the bench which will add to the attractiveness of the memorial.

BANNISTER WILL SPEAK
Robert J. Bannister, graduate of De Moines law school at the university in 1917, will speak at the annual U. S. I. banquet on November 4. Mr. Bannister is vice-president of the University association and is an active member of the Republican party.

Under a new plan the different teams of the University of Indiana and the DePauw University will hold a number of debates throughout the state of Indiana next spring. This will accentuate the need of nearly three times as many men as were used formerly. So decisions will be made and much discussion will be held under the auspices of some high school in different parts of the state.

HAYWEEKE EDITORS ARE ANNOUNCED
(Continued from Page One)

(Continued from Page One)

A pure white American marble bench, a bronze sun-dial upon a pedestal of the same material, to be placed between the central walk and the science building, will constitute the memorial of the class of 1917. As one of the students said, the announcement was made late yesterday by W. R. Hart, Jr., a member of the class committee named to select the memorial.

The committee consisting of C. R. Fishburn, J. A. Morre, W. R. Hart, Jr., and R. E. Van Lueken, class treasurer, have spent considerable time in selecting the memorial, and they believe that it has been chosen something that will stand the test of time.

The position chosen for the memorial is believed to lie best upon the campus. It is one of the oldest sections of the campus, the new physics building and the natural science building can be had on hand from the bench.

The class numbers will be carved in the base of the pedestal of the class of 1917. A central walk will be built from the central walk to the bench. It is the plan of the class to plant a private hedge around the bench, which will add to the attractiveness of the memorial.

Wednesday, October 21

NATURAL SCIENCE AUDITORIUM

M. WINTER'S, 8 South Clinton Street

STUDENT GIRL IS

COMPOSER OF SONG

Miss Beaver Wrote Song Which is

Winning Success in the East

Miss F. J. Beaver of Carrier Hall, a

student in the liberal arts college

here, is the composer of a song en-

tered, "When I Think of Them," which

is now winning success on

Broadway, and which has just been

brought west in several of the mu-

ical houses of Chicago.

The song has been published by

the John T. Hall company, of New

York City, and the first copies of

the music have arrived in Iowa City.

The music and words are both the

work of Miss Beaver and are of a

quality which promises to place the

composition among the most

popular music of the day.

The copies which have arrived

here during the coming week, and

probably reach the music stores

hereafter.
