CHICAGO AND IOWA ON MARSHALL FIELD

FIRST REAL GAME OF SEASON FOR BOTH MAROONS AND HAWKEYES

Coach Hawley, Kent, Adams and Trainer Jack Watson will accompany the squad to Chicago for the Saturday afternoon game with the Illinois-Iowa football team.

The following is a special announcement from the football offices:

"Due to the fact that Field Fullam and Huntington, end, are hurt, the following looks like the probable lineup:

The following players will be put in for a chance at the end position: Requin, R. T. Albert, R. E. Whiting, 175."

In addition, there will be a change in the backfield."

The probable starting lineup for the game against the Illini will be:

Buckham--Gray, Brown, Deaths, Miller, L. H. B. Gray, 176."

In this game, the Illini will be expected to defeat the Hawkeyes by a score of 10 to 7."

The scene and action of the first act of the “Candy Shop” is laid in New York and revolves around the opening of a new store near the home of a well-to-do family. The store is located near a small place called Coney Island and finally there is a concluding scene in a Coney Island steam tunnel. A lot of hilarious situations, of stage, are a feature of the part played by the young star. Miss Stark is well known for her success in stage persons, full of laughter, in fifteen minutes.

**TENNIS TOURNAMENTS**

TO BE HELD THIS WEEK

- Event in Annual Full Tournament to be Held in Several Classes This Year

The Annual Full Tennis tournament of the university will be held next week. The drawings have already been made, and the qualifying rounds will be played on the new courts as soon as the weather permits.

This year a new plan will be adopted. One tournament will be held for undergraduates only, and another held for faculty and grad students. In the past there has been only one contest held and that as open one.

There are almost thirty of the fastest men in school entered in each contest, and so the new courts are in good shape some clever, interesting work is looked for. Pairings will be announced later.

**WOMAN'S LEAGUE TO GIVE TRACK CAPTAIN TO BE ELECTED**

ATHLETIC BOARD DIVISION PLAN TO BREAK UP DEADLOCK IN VOTE

Only "T" Men Eligible to Vote at Next Election - A. U. Men and Other Team Captains May Be Called Upon to Cast Vote as Last Resort

Another effort to elect a captain for the 1915 track team will be made within the next few days at which time only the 1 members of the track squad will be eligible to vote. This was the agreement reached Wednesday evening at a meeting of the athletic board of the university. Hereafter all attempts to select a leader in this way will be finally determined in a tie vote and the board has devised three plans to solve the problem.

Should the vote be taken by "T" men likewise results in a deadlock, the A. U. men will be included in the next effort to break the tie, and if that fails the matter will be referred to the executive council which is now meeting to consider the captains of the other sport branches of the school will be allowed to vote as the third decision. In this manner it is almost certain that a choice will be finally determined upon.

The athletic board also voted to limit the number of reserved seats that may be secured on a year ticket in four.

Some time was spent in discussing the conditions under which the football team is now granted. On account of the new division of the Atlantic Coast League, a different plan has been thrown on the mantel of granting the ticket. The next game of the season was played Wednesday evening but it is probable that within a short time a ruling will be passed making more stringent the requirements for the letter.

For the new ticket a new feature is added. A member of the track team will be chosen in a similar manner to that of choosing the captain. The strength of the ticket is that only the "T" men will be eligible to vote. The vote will be held next week.
